On The Move

usually people who do the moving, but Sunday four homes actually moved. Four President Street homes, with a little help, made a short trip to their new Lockwood Drive location to become part of the President Row Development. The Rudisill Company will be moving four more homes to the location in two weeks and building 12 condominiums as part of the development. According to Alfred Ray of Rudisill, the homes were once used as offices by the Medical University of South Carolina and were given to the company. He said the homes are expected to sell for \$100,000 to \$120,000 each. Since the interiors have been used as office space, some renovations will be
