## 44 WENTWORTH ST. WILL BE DEMOLISHED

The ante bellum structure at 44 Wentworth is scheduled to be pulled down in the next few weeks, according to Jack Atwood, a resident of 42 Wentworth. He said he has owned the Greek structure for the past four years, but that it has been unoccupied for approximately five years. In the picture above the section of the building on the left is numbered 46 Wentworth St. and will not be torn down. It is not owned by Atwood. (Staff Photo by Evans.)
