

Rutledge Ave. House Is Damaged By Fire

A fire that started in adjoining storage rooms in the rear of a residence at 191 Rutledge avenue damaged two rooms of the three-story dwelling about 1:30 p. m. yesterday.

Fire Chief Norman G. Olsen said men and equipment from three companies, using two hose lines, extinguished the blaze by about 2 p. m. A storage room and rooms on the first and second floors were damaged, as was an adjacent garage. The house is owned by William F. Pecksen.
