

12 WENTWORTH STREET

Age and apparent provenance of No. 12 Wentworth Street:

Wm. G. Armstrong purchased lot 1853. He died by 1857 when the house (apparently) was sold to satisfy a mortgage to John A. Burckmyer who lived here in 1861. Say c. 1853, as Armstrong certainly built something there.

From a memorandum to Historic Charleston Foundation from
Samuel G. Stoney, December 27, 1963.
