Great.. got them!

W. Hampton Logan was a Charlestonian of the late 19th early 20th cent who I think was in the fertilizer business. There are some archives on line. His descendant Wade H. Logan was a lawyer on our board back in the 80s/90s and maybe he brought those photos to us when we got Mulberry?

I just sent you the 2 photos that I've scanned in a separate email. The title on the folder (in the handwriting of the contract archivist HCF hired) is "Hamp Logan Outing."

Hmmm... are they old photos? Can you send me a couple of them?

Hi Jon,

Oh, wise one with a mind like a steel trap and a photographic memory (no pun intended)...

I've got a quick question for you now. There are 6 photos in the Mulberry photos collection that are in a file labeled "Hamp Logan Outing." Do you know anything about what that was/means? If you can shed any light on that, I'd be most appreciative!!

Thanks, as always,
Karen
