Hello Jeffrey,

You may recall the photos you took of 92 Spring Street that you sent to April and me back in April 2019. I have a researcher requesting to use the photos for a project to create five African American history tours on the CofC campus. May I provide them to the researcher? To refresh your memory, they are the 5 color photos that appear in our Catalog record: <https://tinyurl.com/y4tc242f>.

I hope all is well with you and yours!

Thank you,

Karen
