Kitty,

Thank you for letting me photograph inside the
Aiken Rhett House. Please accept this
photograph in appreciation.

All the photographs were made with a
traditional 4x5 view camera (4" x 5" film). A
unique lens was utilized permitting
unconventional images. In the case of this
photograph, the front of the lens was less than 4
feet from the foreground column. The paper on
which this photograph is printed is very high
quality archival cotton rag. As such, the image
is delicate. Handle with care.

Robert

A handwritten signature in black ink, appearing to read "Robert", with a stylized, elongated horizontal stroke extending to the right.
