This is a photo of the Porter family's house at was built in 1897 at the NE corner of President and Doughty Street. It was the extreme corner of the old Porter Military Academy campus (now MUSC). The house was originally 24 President Street, but the street was renumbered later. It is long gone.

Do you have any photos showing this house? The original belongs to the granddaughter of the last Porters to live in the house. If you don't have anything on this house, I'll see if she would make a good quality scan and allow it to be shared. She took this photo just using her camera to snap a photo of the photo.
