Just to add to the confusion. We heard back from the parish secretary.

The legal description is as follows:

89 – Office and rectory
91 – Parish Hall
93 – Church

The office uses the following:

89 – Office and rectory
91 and 93 - Parish Hall (this was split at some point because the building had dual purposes. Upstairs was used for offices and downstairs for the Parish Hall).
95 - Church

Subject: Research Question for You re: St. Mary's Church on Hasell Street

I'm trying to figure out the relationship between [89 Hasell](#), [91 Hasell](#), and the Church itself, which also goes by 89 Hasell Street. Can you shed a little light so I can clean up the file and catalog records? To add to the confusion, the address of the church in Poston's book is 95 Hasell.

Thanks,
K
