Hi k,

Kevin Eberle (keberle@charlestonlaw.edu) invited you to view the file "**Nolte.tif**" on Dropbox.

Kevin said:

"This is a photo from before 1910 of 26 Vanderhorst Street. Today, that is the parking lot for the water company. This is as high a resolution image as its owner, Chris Dunning, could produce. (It still seems a bit fuzzy, but I've already asked him twice about scanner settings, and I hate to become a pest!) He says that his ancestors were the Nolte family whose store was there at the turn of the century."
