I got it through a guy named Stephen V. Taylor. I honestly don't recall if I even asked him about adding it to the archives. I'll send him a message and see if I can get a response.

I've started working on some of the photos you've sent over the last 6 months. I was going to start on this one next and don't see any continuation of the conversation. I can copy the image embedded in the email and that will be AOK for research use but I would like to know the usual... who provided it to you and can I use it? (if you remember, that is...)

Do you already have a file on 144 Broad Street? I know a guy whose cousin has a photo of 144 Broad Street. If you don't already have a file on it, I'll see if I can get him to get her to make a scan of this pic.
