Hi Karen,

I do not think that you are haunting me! As for the locations of the books-- I do think that

Charleston: A Historic Walking Tour may be at my house and I will check tonight and return to the mailbox if it is....

but do not recollect checking out Charleston: The Place and the People, if I did, it is in the Philanthropy office, maybe around my desk or in the draws/ cabinets? Possibly Sandy has it?

Sorry to be unhelpful, but I will look for an return Charleston: A Historic Walking Tour.

Best,

Julia Lane

Hi JLW,

Sorry to "haunt" you but there are two books that you had checked out that aren't on the shelf. (THANK YOU for returning the others.) They are:

Charleston: The Place and the People

Charleston: A Historic Walking Tour

Do you know where they might be? If so, please let me know.

Hope things are great at your new job!

All the best,

Karen
