Do you keep info on Sullivan's Island at all?

Tara Allen also shared this house photo. She didn't know anything about it other than that the photo was labelled "The Helen." That was the name of a house on Station 23 according to some newspaper mentions. I THINK it was located at the corner of Middle and Station 23. The current address is 2268 Middle Street. The house that is there now is not this one, but I think that's where it used to be. I am totally unfamiliar with resources about Sullivan's Island. Is there anyone who helps with the island's history?

Kevin
