Hi Karen,

Thanks for the reminder! I will return my beloved books! I wish I had spent more time reading.

Hi JLW,

Since you'll be on the road all day tomorrow, I just wanted to remind you to return any library books you've checked out, if you haven't already. You can bring them to me or re-shelve (and remove the cards, obviously). You've been one of my best "patrons." I'll miss you.

Thanks,  
K
