I met the woman who lives at 21 Charlotte Street. She told me that she had had an art studio in the ground floor for a long time and then later bought the house about 20 years ago. She said that among the stuff that had been left in the house was this photo of the house! It is a GREAT picture of the house. She (Michelle Seay) did not know anything more about the photo, but she gladly agreed to have a super high res scan made with a copy for your collection. She just stopped by my office with the photo, and I made the attached scan for you!
