"GAMES STUDENTS PLAY"

AN ORIGINAL GAME IDEA

by

CONCH GAMES, INCORPORATED

DIRECTIONS

Object:

All games that people have ever played have had an object, an ultimate goal, a means of winning. This game is no exception; it has an object also. The object, of course, is to win. And how do you win? To win, the player need only feel good about himself. That's all.

On first attempting to follow these directions, and to play the games herein detailed, the player may feel the objective is stated too vaguely; therefore, too difficult to achieve. But . . . persist.

Players will understand the objective too well if they do persist. **Feeling** Good About Yourself, whether this is constituted by the singular honor of being valedictorian, the quiet pride of being a graduate or the simple pleasure of being a student, the objective makes itself known.

To win, the player may need only to please his fancy; be it the accomplishment of a well done assignment or the accomplishment of a well played football game, the objective will make itself known. All players must accomplish the objective, they must feel good about themselves; otherwise, how could they be winners?

Players:

Who can play? Anyone who has the yearning to explore the unknown. To obtain the objective, the player must be unique, an individual. This individuality is in that the person respects himself, has pride in his school, and has realized the importance of continuing the educational process.

Place:

The place is Key West High School. There is no other area which is more perfectly matched to help the player achieve the objective. There is no other place which even comes near to capturing the "air" that surrounds this tiny key so far from anything.

Now begin the game. Continue with caution, many of your friends may not wish that you win the game. But . . . persist.

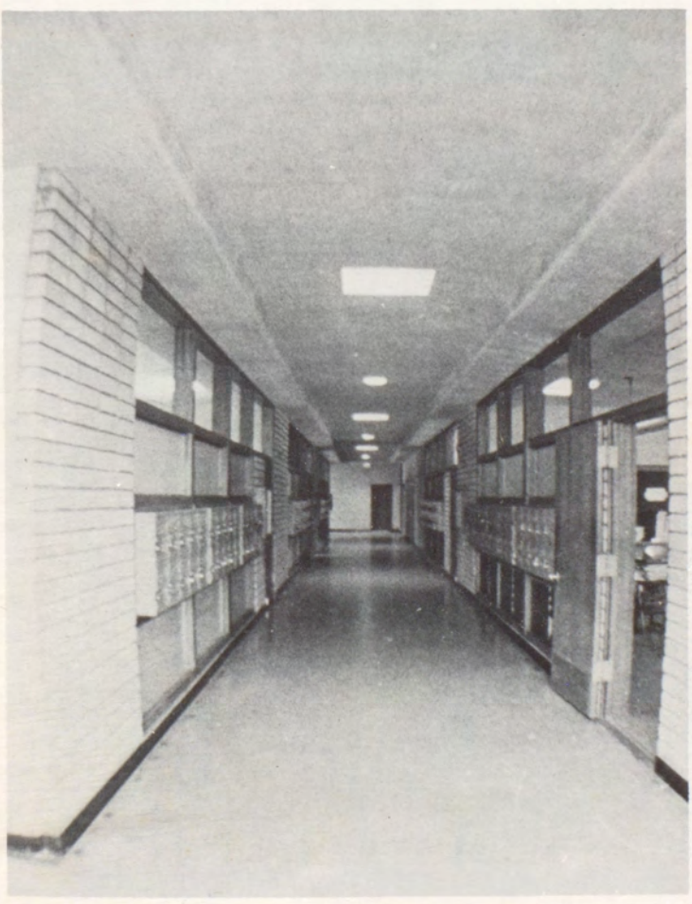
It all began when I was placed in the position of freshman in high school. The object of this game was to obtain the knowledge and experience needed to win my diploma and go on to tougher challenges. I had the feeling I had a long way to go, but the progressing score showed me I had a good chance. My teammates and I accomplished a lot in our process of learning. There was many a time when the coaches got a little too emotional when we were a little too far behind, but we always worked it out somehow. Remember its not just a matter of how you play the game or whether you win or lose; one also has to attain the skills needed to play that more challenging game of Life.—Vicky Hampel



They told me high school was another game in life we play, and that I was to be given the chance to be a player. My freshmen year was like an easy game of "tic-tac-toe," the "x's" and "o's" fell into line. I learned that game and progressed to dots my sophomore year. I found the game was getting harder, because the rules were changing. My junior year I was a player in a checker match. I found to plan ahead and watch my moves would prove successful. Now to my senior year. The game is chess. The moves are mainly up to me, but I have the teachers and counselors behind me. They have already played the game and know which moves should be made. The games are almost over now. I've attained the skill to win my game at Key West High, and I am now better prepared to start the next one—Life.

Conch
High

I remember when I first became a player in the High School game. The game board was Key West High School, and the object was to make it to senior and graduate without too much trouble. The game started when I was a freshman. I was moving along fine until I was given wrong directions by some seniors, who thought it would be funny to see me go to the band room instead of J-wing.

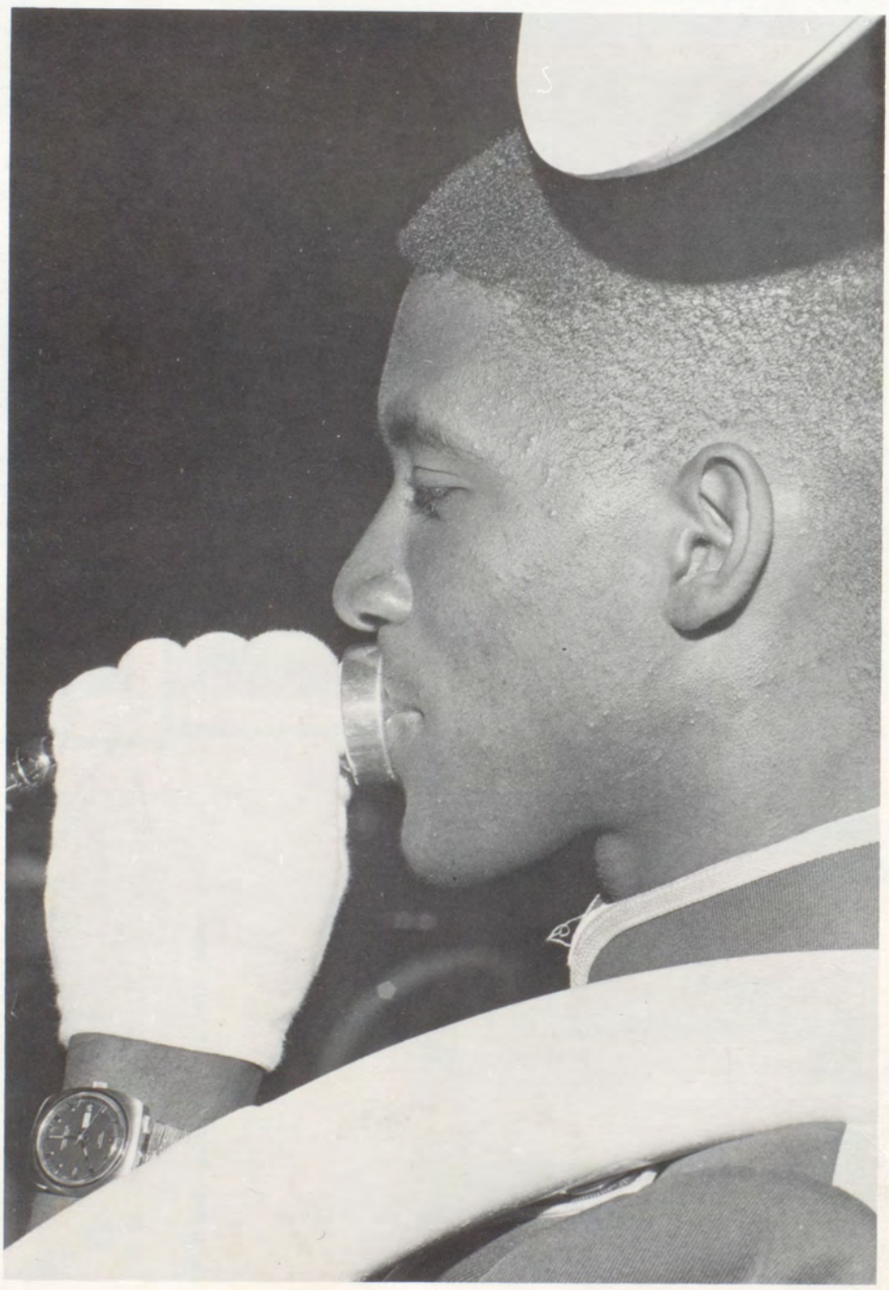
Here I am a sophomore and here come some juniors to throw me off white street pier. One good thing about being a sophomore, you're allowed to join a few clubs, and you get to give freshman some wrong directions. Juniors! Yeah Juniors! We get to order our rings this year along with going to the Jr. Prom. I can't believe it, I'm finally a Senior! So many steps to go. There's getting our senior pictures taken, ordering our final yearbook, throwing underclassmen off the pier, leaving tacks in our auditorium seats for next year's Seniors, Class Night, Grad Night in Disney World, the Prom, and finally at the finish—Our Diplomas. We Won!!

—Cindy Brinson

ADVANCE

ADVANCE

ADVANCE



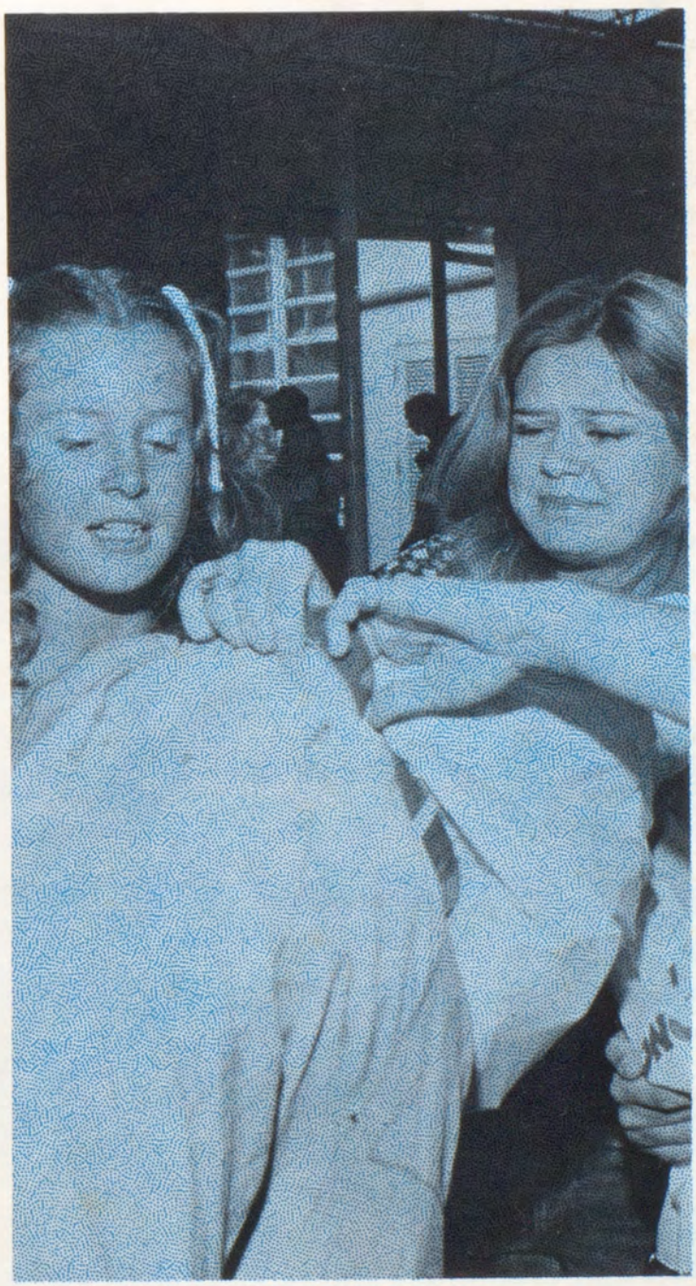
Freshmen year: wait your turn to spin the game dial, take one step forward, a single step which will mark the beginning of at least four years of education, happiness, sorrow, partying and much more. The dial is still spinning.

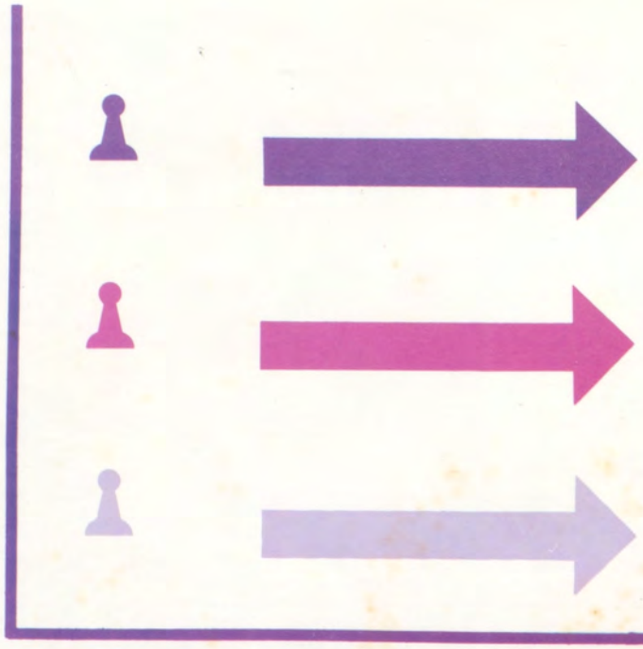
Sophomores: A new year with new expectations and worries. You have started to realize what you want to become, whose group you want to belong to.

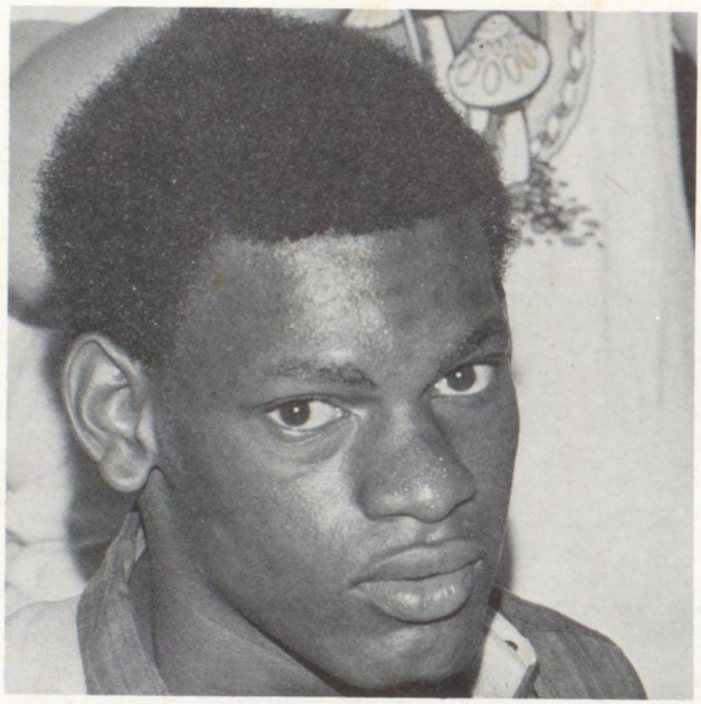
The dial continues to spin. You see a number three—junior-senior prom, junior-senior field day. It is the joy in finally being an upperclassmen, no longer ashamed of calling out your class number at assemblies, pep rallies and games. But, now that feeling you felt so often, that yearning to be an upperclassmen is wearing off. You notice that the dial will soon come to a halt, that those first two years really weren't all that bad.

Suddenly, you see the dial for the last time and for a moment you panic. Then you realize that its' stopping will only be the beginning of your future. With that in mind, you toss away the dial, smile at your past, and are ready for your future.

—Karie Noda







For the players, this game ends with graduation, They started this game with the fear and excitement of learning a new game; the players weren't sure of the rules or how to play, but they lived and played it one step at a time. There were times when they thought they couldn't go on, but in this game, players can't go back to Start. So they played on with the hope that our next step would bring them triumph and not defeat. But, like all games, this one has a finish—only the finish starts another game.

High School is a big blast. We start out at go in the ninth grade. Draw a card and see where you stand.

On no, got caught with gum in your mouth, that's one strike. Stop, lose your turn. Go to the dean, directly to the dean, and do not pass the bathroom. Do not collect anything from your locker.

It's not all that bad really. Just every now and then you get a bad card, such as your report card. Usually they are all good like, "Free trip to your locker, redeemable at any time." At the end of your Senior year, it's back to "go" if you are going to college, or then you start a new game called, "Find a job."

School is a game of chance. Sometimes you win and sometimes you loose. You throw the dice and how they land determines the play.

As freshmen, the odds are bad, but as the years pass or the odds get better. Now, as seniors, you're at the top. You've won; you have made it through the maze of school and the game is over, except for one thing—the odds again are against you as you start the game called "life." However, now you are a better player.

Student Council

As this year's President of Student Council of K.W.H.S., I am very proud to represent our school, and I feel that the Student Council has accomplished a great deal. We were busy from the beginning of the year to the end. We had many money making projects, such as car washes, bake sales, selling animal candles, dances, and numerous other things. For the school we made new handbooks for students, sponsored Homecoming, supported all our teams, helped with all elections, held and sponsored most assemblies and many other things. City wide, we collected canned goods for the needy for Thanksgiving, represented K.W.H.S. in the Christmas Parade, and had a party for the local Sunshine Center. We also helped our brother school, M.I.H.S., in making Student I.D. cards.

For District, the officers and sponsors attended every meeting in Miami so that K.W.H.S. would be informed on what was happening in our District. Through these meetings, K.W.H.S. now has ten brother schools with which they communicate.

Student Council could never have accomplished everything without the help of all their officers and our sponsor, Mrs. Joan Cassidy, and our advisor Mr. Fabal.

National Honor Society

National Honor Society is based on the ideals of character, scholarship, leadership and service.

To become a member of this distinguished organization, the student must maintain a 3.0 average in every class and be approved by the faculty and staff of KWHS. It is a great privilege to be a member of this fine club; one doesn't apply for membership, you are personally invited to join.

This year NHS has sponsored a Teacher Talent Show, donated Easter baskets to underprivileged children and held a Teacher Appreciation Day.

—John Hernandez, President

Beta Club

The main purpose of this organization is to promote the ideals of honesty, service, and leadership among its members. It also strives to reward meritorious achievement and to encourage and assist students in continuing their education after high school. In order to be a member, a student must maintain a 3.0 average and have such qualities as worthy character, creditable achievements, and a commendable attitude.

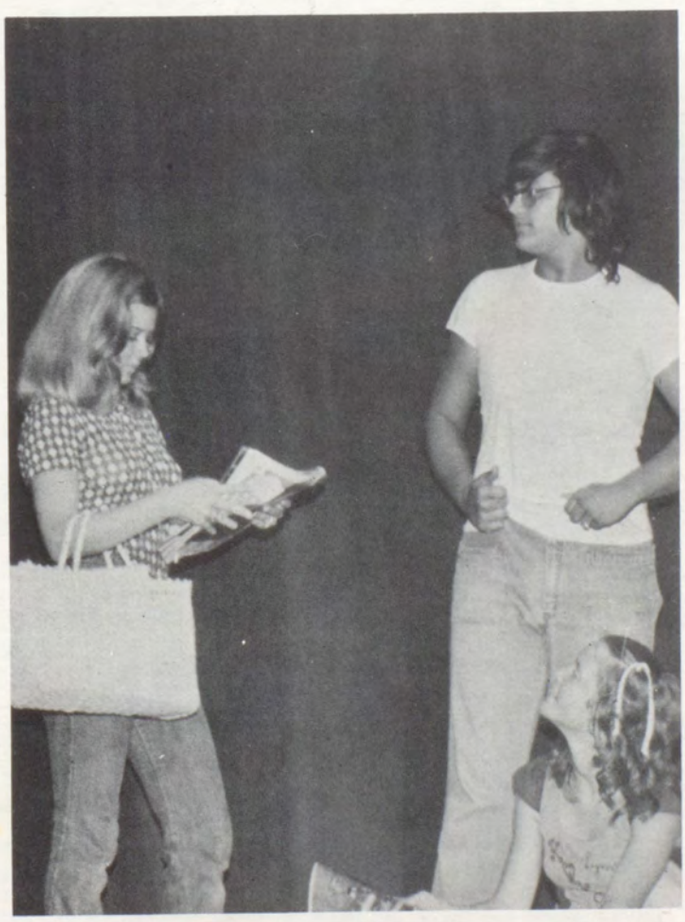
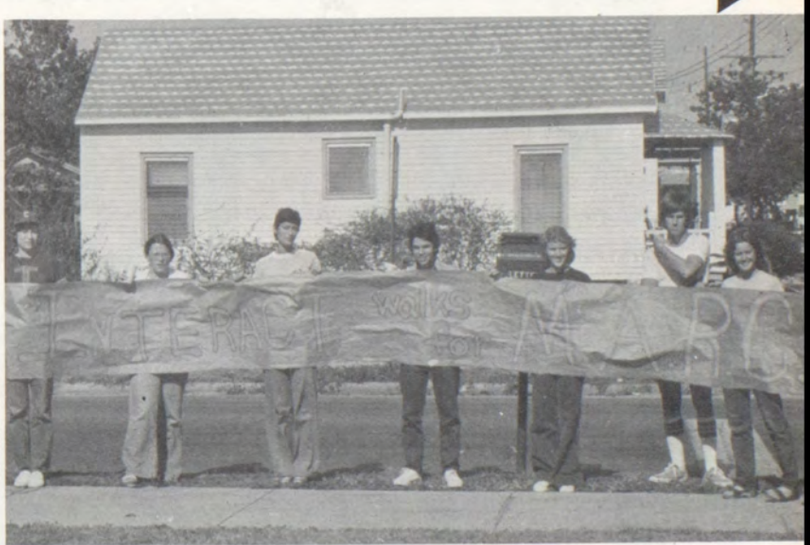
The Interact Club is a service club for the school and the community. Over the past few years, this club has built an outstanding reputation of dependable service to the school and community. In fact, Key West High School's Interact Club was noted as being the "Most Outstanding Interact Club in the State of Florida."

This year's members have worked very hard to live-up to its past reputation.

Major events of the year included: The Walk for M.A.R.C.; Trick or Treat for U.N.I.C.E.F.; Dog Show for the Children of the Community; Carnival for Dystrophy; Fill the Stadium Night; an Easter Egg Hunt for the children of the Community and assisting in the Special Olympics.

Interact is proud of, once again, having a very successful year.





Key Club
Key Club
Key Club

The Key Club is "made up" of future responsible citizens who offer their services for the benefit of the school or for whatever they are needed. Key Club is the brother club of Keyettes. It is a service organization which participates in raising money for charities, participating in drives and donating time and necessities to worthy causes. The club members are chosen by the executive board. Each new member must have a recommendation from two teachers and an overall "C" average.

Chorus

The great musical asset, the human voice, is combined with the musical scale to produce the sounds of sorrow, joy, hate, and love that have brought the Key West High School Chorus the acclaim they deserve. Under the direction of Mrs. Wildgoose, they have acquired the talent of professionals that makes all of their performances great.

The Choral groups participate in combined concerts with the band at Christmas and in February, concerts for local service organizations, spring concerts, district festival evaluation, and they give a musical in the spring.

First row left to right: Mrs. Wildgoose, Anna Rodriguez, Debbie Gelabert, Mark Chambers, Eddie Cooper, Lisa Mainous, Cindy Lasater, Dee Dee Peden, Sharon Mathews, Tina Asbury, Kevin Hilkey; Second row: Christine Brown, Cindy Battreal, Julie Rogers, Karen Earely, Connie Johnson, Inez Myrick, Linda Bearup; Third row: Kathy Stone, Kellie Shire, Hanic Stanely, Jennette Hart, Sandy Phillips, Becky Cates.

D.C.T.

The purpose of DCT is to provide an opportunity for social development to develop personality and latent talents, and to encourage and stress the importance of responsibilities. The DCT student follows a regular schedule from eight o'clock until noon. Then in the afternoon, the students go to "out of school" jobs which provide valuable practical training. For these students, education extends beyond the classroom and into the community. DCT students also participate in the local, district and state activities pertinent to their program.

Drama Club

Left to Right: Lynn Carey–Sec., Grace Key–Pres., Lisa Willis–V. Pres.

Drama Club is a club dedicated to the advancement of self-expression. We strive to teach each individual the art of giving to others a part of themselves in each performance.

Make-up, lighting, scenery and, last but not least, acting are all a part of the broad picture Drama Club tries to paint. Our goal is far away but somehow we'll find the path over the rainbow.

Ecology Club

Officer: Sue Nitschke, Secretary; Karl Granberry, President; Tracey Young, Treasurer.

The Ecology Club, sponsored by Ellen Alperstein, has really been busy this year. Meetings were called to order by Karl Granberry, president, on every first and third Tuesday at 7 P.M. in D-3. Between bake sales and collecting aluminum cans for the K.W.H.S. band, we managed to have a garden and go on field trips. It has really turned out to be a great year, and next year will be even better.

Standing: Miguel Booth, Karl Granberry, Tracey Young, Judy Baker, Lita Tinaya, Tamara Wright, Mary Jolene; Sitting: Robin Seidle, Pam Mosher, Ellen Alperstein, Susie Fry, Josie Dela Cruz.

Latin Club

Latin Club consists of students enrolled in second year Latin. Annually, the club raises money to attend a Latin Forum in Bradenton, Florida, where they compete with others in the Junior Classical League.

In the spring, the Latin Club has a Latin week during which they participate in activities pertaining to Roman times. At the close of this week, they have a banquet.

There have been many changes this year, such as Mr. Joseph Dobbs, leaving. There are no slaves, since there is no first year class. This is the club's last year, because Latin is being dropped from the curriculum.

M.L.C.

The Modern Language Club is open to any student taking either French or Spanish or who can speak a language fluently. The purpose of the Club is to help students understand more about the Romantic Countries.

This year we are trying to increase our membership. We are planning to take an excursion flight to the Bahamas this year; for this, we've been busy building up our treasury by selling candles and by planning different money raising projects.

Our sponsor for this year is Mrs. Joan Cassidy. With her influence and help from the members, we should have a prosperous year.

Chess Club
Chess Club

With the advent of the Bobby Fischer phenomenon, Chess knew an almost startling revival. Because of this revitalization of the ancient game of chess, our club has gained a new status and prominence. For each member, all this was received with genuine enthusiasm as we met to play our games in D-11. Many of the games were rather tense and stretched into the early evening. The only requirement is that each member enjoy and have a desire to play chess.

Varsity Cheerleaders

Cheerleading Means . . .

Keeping up at the other's paces, smiling to disappointed faces, Cheering when you're very sore from practicing the day before, looking peppy while it's raining, getting drenched without complaining.

Staying perky when the weather's hot, losing your voice and sweating alot. Cheering the team to the wrong goal line, or the wrong basket at the wrong time;

Waiting for your team's time out, then forgetting what the cheers about. Yet all of this isn't so bad, when you think of all the fun you've had; And looking back upon it all, you find yourself shouting, GET THAT BALL.

—Captain Josie dela Cruz

Co-Capt. Jacki Roberts

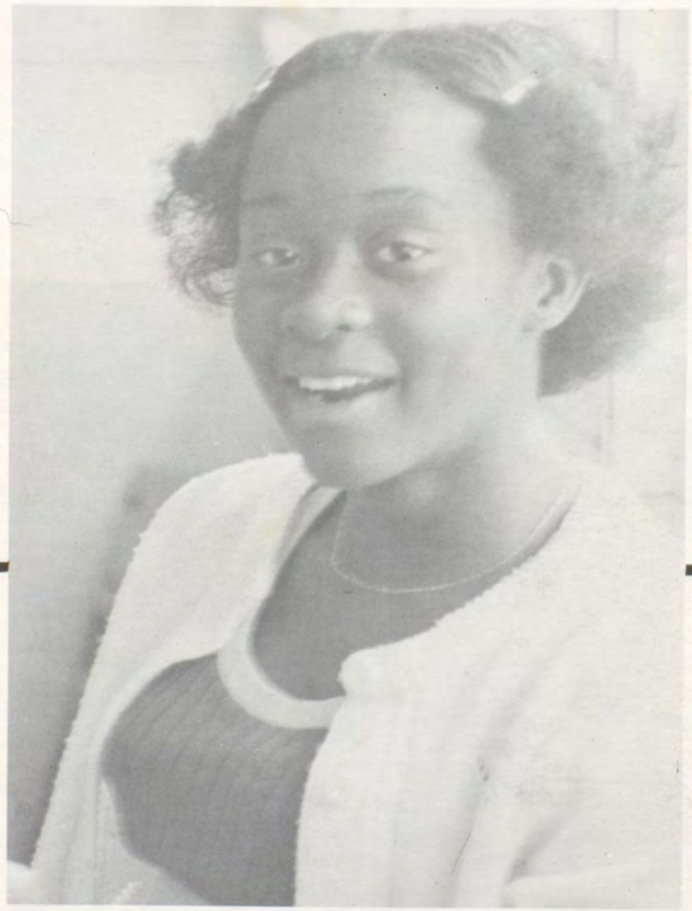
J.V. Cheerleaders

First row: Claudine Valdez, Annie Jonas, Teresa Drudge, Langie Valdez, Elena Lorrg; Second row: Cookie Stafford, Terry Atwell, Denise Roher; Top: Linda Leisner.

The J.V. Cheerleaders of 1974-1975 have worked hard to promote spirit throughout the school. Although often not recognized for our efforts, we have strived to create spirit and enthusiasm in support of the "CONCHS."

The year has proven to be lots of fun with home and away games, Pep Rallies, Pep Assemblies, fund raising activities, and participating with the Varsity in Pre-game and half-time cheers.

Each of us would like to thank all those who supported the Cheerleaders this past year and we encourage them to continue their support for next year's squad.



Freshmen Cheerleaders

The Freshmen Cheerleaders have accomplished a lot this year. Working with the Varsity and J.V. Cheerleaders, they have traveled away to games several times, worked concessions and cheered for J.V. football games, in addition to supporting their own Freshman Basketball Team. Although the year has meant a lot of hard work and learning for the freshman, they have had lots of fun and have gotten to know many new people. With tryouts in the spring, each girl is looking forward to trying out for next year's J.V. Squad.

First row: Monica Soldano, Kathy Montsalvatge, Cynthia Schoneck; Second row: Shery Fabal, Denise Briggs, Loretta Chancellor, Hope Webb, Karen Osterhoudt.

Football

For the first time in four years, The Conchs finished their season without a losing effort. The team went undefeated and untied at home. Conversely, they lost all five road games (four of the five road opponents were ranked in the top twenty in the state, and two of them finished first and second in the state).

The 1974 team set or tied nine new team records and eleven new individual records. The defense only allowed one touchdown in the home games, and three shut-outs!

The team also had quite an experience in two road games, as they flew on Air Sunshine to the two games. This year's tri-captains, selected by the entire team, were Kirk Dixon, Eddie Roberts and Joe Major. For the second year in a row, Richard "Bo" Howard led the team in scoring, with forty-four points. Joe Major set an amazing record as he threw for one thousand yards and only had six passes intercepted. Newcomer, Dennis Kitchens, caught twenty-five passes for four hundred and thirty-one yards (both single season records).

The Conchs theme song for this year was "Can't Get Enough of Your Love, Baby," which was enthusiastically sung by Dennis Kitchens. The Cheerleaders presented Coach Matheson with a beautiful conch shell for good luck, and the team took it wherever they traveled—from Tarpon Springs, to Ocalla, to Belle Glade, to Naples, and Ft. Lauderdale. The Conch shell was displayed at home in the locker room.

Kirk Dixon led the team in tackles, and Leon Edwards tied the school record for interceptions in a season with eight.

All in all, a grand season!

Varsity

The 1974-75 football season was not what some would call a terrific success, for a record of 5-5 was not the best that could have been achieved. But in my opinion, the season was a success. This year was the starting point for the turn-around of Key West High football. We, as a team, accomplished a great deal. We did not have a losing season, which in recent years has been the case; we got out of the GMAC in which we were fighting a losing battle; we went undefeated at home which no team in the school's history was able to do, and we, as a team, accomplished something that no other team in recent years has been able to accomplish, for we were a team. We celebrated together when times were good, but most of all, we stuck together when times were bad. This accomplishment alone is enough to call this season a success. Much of the credit must go to the coaching staff; win or lose, they stood behind us. A great deal was accomplished individually, also. Twelve records were either broken or tied. This in itself was a record.

There was only one drawback to this season. Twenty-six of the fifty-two Varsity players were seniors and will be graduating in June. But this won't stop the Conchs because now we have the "Spirit of a Winner" and with the great coaching staff that we have, and the players that are coming back, Key West High football will again rise to greatness

Basketball

The 1974-1975 basketball season marked the first time since the early fifties that Key West High School was not a member of the Miami Athletic Conference. Scheduling as an independent brought a new look to the basketball schedule. With only eight games scheduled with Miami schools, the Conchs competed against teams from Ft. Lauderdale, West Palm Beach, Orlando, Pompano Beach, Jacksonville, Bartow, Ft. Myers, and even a school from Canada.

The Conchs' season record was 17 victories and 6 losses against some of the best teams in the state. A large share of the credit for the accomplishments of this year's basketball team is due to the leadership provided by the eight senior team members: Ralph Graves, Joe Major, Nelson Morgan, Dennis Kitchens, Julian Butler, Chris Mack, Jeffey Allen, and Leon Edwards.

Front Row: Manager, Kirk Dixon, Carlos Rogers, Coach Dave Fedor, Joe Major, Manager, James Murphy; Second Row: Leon Edwards, James Johnson, Richard Howard, Ralph Graves, Dennis Kitchens, Chris Mack, Nelson Morgan, Julian Butler, Jeff Allen, Terry Butler.

Varsity

The 1974-75 basketball season was successful, having had a record of seventeen wins and six losses. Understandably successful when the Conch's tallest man was 6'3" and the starting line-up had an average height of 6'1" but were in competition with teams that had an average height of 6'8".

With these odds, it is clear how our season can be called successful.

The team was rated in the top ten, but unfortunately, even with this rating, we had our misfortunes. The primary misfortune, once again, dealt with size. It was because of this we had to compensate with quickness. We "ran" the fastest break in the state, and we nearly beat every top rated team in the state.

It takes a team with a great deal of hustle, team effort, willingness, and a great coach to accomplish all that the Conchs did this season.

Junior-Varsity

Junior Varsity Basketball, here at Key West High School, has a tradition of winning and this year was no different. With a tough line-up of opponents, the Junior Varsity started off the season with a win over Carol City followed by a one point double overtime loss to Northwestern.

The high point of the season was the second Northwestern game played here at Key West High School. The baby Conchs were "fired up" and ran Northwestern off the court, winning by seven.

The Junior Varsity final record was 18-3, a great season for any basketball team. The team, this year, was "showboated" by such players as Clayton Butler, Duck Wildgoose, Floyd Sweeting, Leroy Rivas, Dexter Wallace, and later in the season, George Randolph. Our season was not just highlighted by a winning effort but really by plenty of understanding and true enjoyment.

Baseball preview: Conchs

By MASON DORSON

It's a whole new ball game at Key West High School with just a month to go before the start of a 22 game schedule opening Feb.

A young squad of 45 varsity and JV players, only three of whom are seniors, is working out under the direction of a new coaching staff headed by former assistant Pedro Fraga.

Then are the best and the most determined of 80-some boys who turned out for the preliminary

(Other veterans from last year's district and regional champion Conchs are Corky Tingley and Bernie Barrios, both of whom played regular most of the season.

The 1974 Conchs achieved a 16-11 won-lost record overall, including the tournaments. Their regular season record, against AAAA opponents except for Columbus, was 12-10.

The 1975 Conchs are likewise scheduled for 22 season games. But these are predominantly

The regular season opens April 18 and 19 with a two game series against Cardinal Gibbons here. A pre-season exhibition game will be played on Tuesday, Feb. 18, against the alumni.

Season tickets are now on sale for all 19 home games for $12 for adults and $6 for students. A family plan also provides season tickets for the husband at $12, the wife at $10 and children at $6 each. Tickets are available at the high school or from any member of the Baseball Boosters.

PITCHING POWER — Coach Pedro Fraga has plenty of pitching power to help his KWHS Conchs in their campaign for a state tournament bid this season. Veteras right under Richie Pass, at left, will lead the rotation. The other contenders, with lots of talent but less experience are, left to right, Carlos Herrera, Frank Padron, Bobby Moore (the only left hander), Bobby Whyms, and Larry Davila. The Conchs open their season with a 7:30 p.m. game tonight at the stadium field against the Alumni, the proceeds going to a benefit fund for ailing assistant coach Marty Arnold.

played baseball after starring for two years on the Miami Dade North junior college team which placed third and second in the national championship tournaments of those years.

He was promoted to head coach by the school authorities in mid-summer last year to replace Coach Tufenkjian, a former South Carolina University star who had coached the KWHS Conchs for eight years, achieving a .680 winning record of 128 wins and 56 losses. He remains on the high school faculty.

The announcement of the coaching change made by Principal Kerry Highsmith on June 27 last year explained that while Coach Tufenkjian has done a commendable job I feel [illegible] there are areas of the program that can be improved and strengthened."

Coach Fraga's new assistant is Ramon Santana, a teammate of Fraga's ten years ago who later played at South Florida University in Tampa. He is a graduate of FSU, a veteran of service in the Air Force, and a faculty member at Horace O'Bryant junior high school.

Assistant coach of the junior varsity is a former minor league professional pitcher, Joe DiFabio. Originally from New Jersey, is now PE instructor at Glynn Archer JHS. He has two volunteer assistants, recent graduates, Lenny Carey and Donald Brown.

The JV squad now numbers 35 candidates, and the varsity 18, with two more coming over from the JV basketball team. These are Tim Tucker and Bobby Whyms, the latter now recuperating from an operation.

Of the varsity veterans, Richie Pass will be relied upon as the leading pitcher and as shortstop. He will be replaced by Steve Herrera while doing mound duty, and Barrios appears first in line

competitors as backup for Barrios are Alex Navarro and Ernest Ramos, according to Coach Fraga. Rickey Warren is most experienced at second base.

Reliable Ralph Henriquez, who handled first base and led the team at bat last season, will be transferred to the catcher duty to fill the shoes of the graduated Donald Brown.

Frank Padron, a transfer from Mary Immaculate, and Carlos Herrera, appear to be the favored contenders for first baseman, with Tim Tucker also a

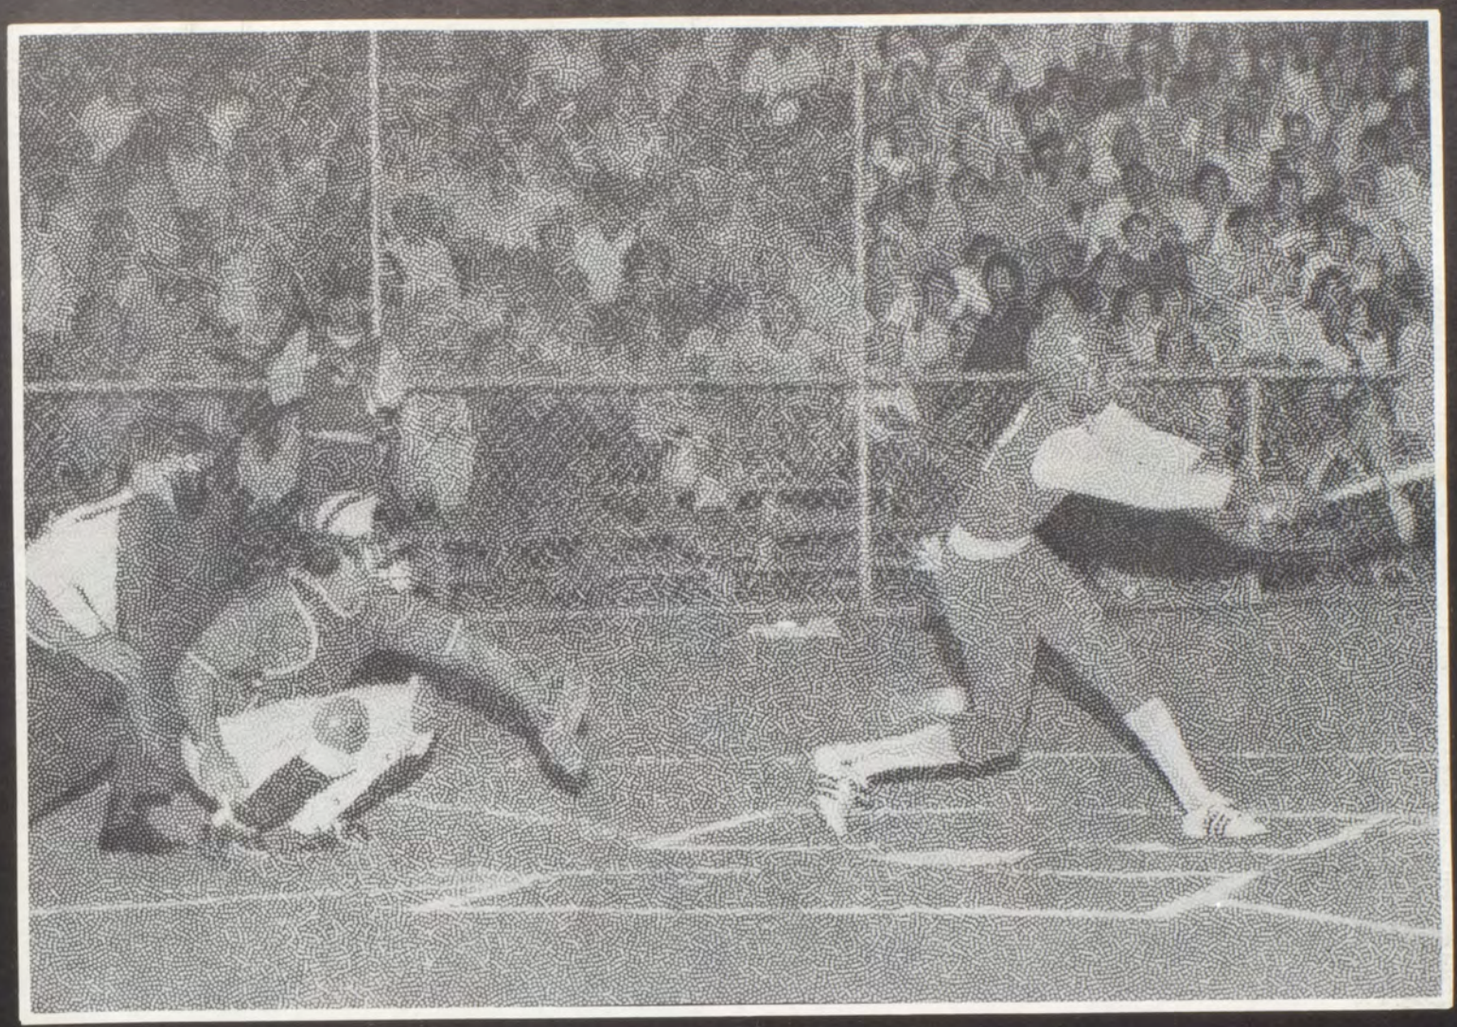
The junior varsity has a 3 game schedule with six afternoon games at home and four away. They open with an Alumni game Thursday Feb. 27 and finish April 14 against Marathon, also playing Coral Shores in between. All the games are with these three o



Baseball

Under the direction of a new head Coach, Pedro Fraga, the 1975 Conchs tackle a demanding twenty-five game schedule this season, not including tournaments. The squad lacks depth, except at the pitching position and only two seasoned veterans are returning from last year's State Tournament Team. But determination and hustle are two ingredients which are very evident and should make up the difference.

The big "Crimson Machine", as Coach Roberts calls it, will provide plenty of excitement for the fans this season. Also, the newly formed Pep Club should add to the color and enthusiasm already present on the squad.

"Time in a Bottle"

"If I could save time in a bottle,
The first thing that I'd like to do
Is to save every day 'til eternity passes away,
just to spend them with you.

If I could make days last forever,
If words could make wishes come true,
I'd save every day like a treasure and then again
I would spend them with you.

But there never seems to be enough time
to do the things you want to do
once you find them.
I've looked around enough to know
that you're the one I want to go
through time with.

It I had a box just for wishes,
And dreams that had never come true,
The box would be empty except for the mem'ry of how
they were answered by you.

But there never seems to be enough time
o do the things you want to do
nce you find them.
I've looked around enough to know
that you're the one I want to go
through time with.
Time in a Bottle."

SCHOOL
SCHOOL

19 CONCHS

Throughout all of our lives, each and every one of us plays some sort of game. Within these games, we constantly act out roles as if we were each an actor upon a great stage. At this moment, we are involved in the game of high school. Unfortunately, some of us never realize the object of this game and are never really winners. Those who have realized the object are now preparing to leave the strongholds of this fortress, to go out into a more complex game which exists in the world outside of school. This new game is commonly referred to as life.

It is now my turn to depart into that world which sometimes seems to stalk us out of existence. But I have learned well the lessons put before me and I am prepared. I am ready to face that tomorrow.

Someday it may be your turn to take that step. Make sure you are ready, for you may never follow the same road again. Learn well the lessons prepared for you by your teachers, no matter how small or unimportant they may seem. Respect them, for they have experience behind them to help you to see your way clear.

My road has come to an end. I will start to follow a new road, and even longer one, my road to life. I leave with no regrets, misfortunes, or sorrow because I know I've finally won!
