PREFATORY NOTE.

This book is published by the request of the Nashville Preachers' Association. In our wide range of discussion the subject of Church Registers came up. All in use are imperfect and therefore unsatisfactory. A committee was appointed. Ample time was given them to examine and report. Men who have served on missions, circuits, stations, and districts were on this committee.

This Register is the result of their labors. The veterans of the Publishing House and the Officers of the General Conference hereabouts say that it meets the demand.

Afterward, the Committee on Publishing Interests of the General Conference of 1890, recommended it in the following language:

"They have carefully examined the Church Register referred to them and recommended by the Nashville Preachers' Association, and they respectfully recommend the adoption of the same by this General Conference, and that the Book Agent is hereby instructed to publish an edition of the same, and keep them in stock; and further, that this General Conference earnestly recommend this Register to our Churches, and that it be procured whenever the purchase of a new Church Register becomes necessary."

R. A. YOUNG,

President of the Association.
