Alma Mater

In our city's southern section
Fair to every eye
Proudly stands our alma mater
as the years go by.
Service, service is our watchword,
words that will avail
Hail to thee our alma mater
Key West High, all hail.

NOV. 57

A WORD FROM THE EDITOR ... Changes

The 1986-87 school year has been one of numerous changes.

Throughout the summer, many people labored long and hard to remove asbestos from the ceilings of the classrooms and to rejuvenate an aging campus. Rooms were still being painted several weeks into the new school year.

The '87 school year introduced the closed campus concept. Initially most were apprehensive, but within a matter of days the student body settled into the new routine.

A furry part-time employee joined us this year. Energy, a trained sniff dog, visited our school frequently as part of an attempt to make Key West High School a drug-free campus.

Other minor changes included the end of candy sales, a new attendance system and grouping of faculty departments in the same buildings to improve staff unity.

Overall, this school year has been one of positive changes. All of us on Conch Staff trust you had a successful year, and that in the years to come your future will be golden.

Sincerely,
Raquel Perez

We were fortunate enough to spend some time with treasure salvor, Mel Fisher at his downtown Key West Headquarters. We appreciated his allowing us to include some of the beautiful treasures of the Atocha. We are pleased and proud to show you these riches from the sea.

REMEMBER?

BEST OF LUCK SENIORS

*I am forever thinking of the future
Remembering the past
Forever thinking
twelve years laughing, crying
trying to grow wise
Learning from my failures
Succeeding in the end.
I am forever dreaming of a fortune
Burying my fears
Forever hoping.
School years learning, playing
Waiting to be free
Working with my teachers
to reach a common goal.*

I am Forever Free!

The Junior class has been very successful this year. As of December we have been involved in many activities such as sponsoring dances, car washes, and of course our involvement in the Homecoming parade, in which our float took first place.

We hope to continue in a very positive direction the rest of this year and we have a very optimistic outlook for our Senior year. Class of '88 forever!

This year the Junior class chose the title of one of the year's popular hits — That's What Friends Are For," as our theme.

We are strong, we are mighty, we're the class of 1990. Our class, which consists of approximately 400 students, have worked hard to live up to this motto, and so far we have succeeded. We have set and reached many goals together and we hope to achieve many more during our years at Key West High School.

As a group we think we have a lot of potential, academically and socially. We have done many things together one of them being to help H.O.B.M.S. earn the title of National School of Excellence.

In conclusion, we, the class of 1990 have accomplished many goals and during the years to come we hope to achieve many more.

Thank you,

At Key West High School the choosing of the Homecoming queen has always been an exciting tradition.

We take great pride in who we elect as queen, because we know she will be a very special person.

Throughout the years, girls from all walks of life have represented our school with grace and style. This page is dedicated to all the girls who have reigned as Homecoming Queen.

It all started out in Summer Band with a brand new staff of officers, and myself. The mission; to strive for straight superiors. In that, meaning a superior at marching contest, a superior at district contest, and a superior at state contest. The constant effort brought forward by the officers and Mr. Lerner has made this mission seem very capable of achieving. In conclusion I must commend the band members for their never quitting attitude and always striving to be the best they possibly can be. So when one looks back many years from now, let them never forget the ones who tried the most; "The Band".

Sincerely,
Ralph Campbell — Band Captain

We started out the year with a new director, Mrs. Sanchez. She successfully worked with us through football season and our Christmas Show. We were thrilled to have her and sad to see her go. Luckily our new Director Mrs. Lot has shown to be just as great. She worked with us on Conchette Capers and our trip to Washington D.C. in April. Both directors will attend our year end Banquet. We were lucky to have both of them!

BAT GIRLS

AN OLD CLUB MAKES A COMEBACK

Key West High School has been without a 'Future Educators of America' chapter for some years now. English Instructor Gaelle Byrne will be sponsoring aspiring future teachers, some who may even return to teach in Key West!

Future Educators of America is a new club. FEA is a club whose primary purpose is to foster interest in teaching. It will be a service-oriented club offering teacher assistance, tutoring and communication of the responsibilities and goals of both teachers and students.

The members of FEA must carry a 2.5 average for the year and must maintain this while a member. They are selected according to their academic achievement and good character. Members must be sponsored by three teachers.

A Reflection: The 1986 Football Schedule was one of the toughest the Conchs have ever faced. We played one 5A school and two 4A schools plus our District foes. Our overall record was 4-6 with 3 losses to teams making the State Playoffs. We were second in our division with a 3-2 record. We won some close games. Our team effort showed against Hallandale and Naples Lely. We will miss our Seniors and hope they take some great memories of Conch football with them.

WORDS OF WISDOM

The 1986 Key West High School junior varsity football team was one of the best we have had in many seasons. The team had a lot of talent and worked hard to develop into an outstanding squad. We defeated two Class A varsity teams during the year, Broward Christian and Westwood Christian, beat an undefeated Miami Pace junior varsity for our fifth win in a row before finally losing to undefeated St. Thomas Aquinas to finish with a 5-1 record. The young Conchs scored 198 points while holding their opponents to 39 and averaged 249 yards on offense and 132 on defense in a fine display of strength. In addition, our freshman team had a 2-1 record. If the players from this year's team continue to work hard and improve, Key West High School should have some banner seasons in the years ahead.

The Conchs' Varsity Team, K.W.H.S.'s newest varsity sport, competed as a member of District 16AAA in its second season this year. The Kicking Conchs saw their first year record of one win and nine losses improve to 3 wins against 14 losses with all phases of the program taking a big step forward in 1986. Seven varsity lettermen returned from last year's first season to form the nucleus of the team. This year saw an increase in the number of games from ten to eighteen plus a pre-season soccer jamboree hosted by LaSalle High School in Miami. On the field, the Conchs' level of play improved dramatically over last year. A week-long soccer camp here in Key West this past summer helped, but the year of experience and the players' desire to improve the team made the Conchs much more competitive.

COACHES

Head Coach Pedro Fraga led the Conchs in hitting, runs scored, was awarded the MVP, and was selected to the All-Conference Team during his senior year at KWS. In 1984 he coached the Conchs to a Class 3A State Championship. With the Senior League he has coached 5 State Championship teams.

Coach Sidney Kerr, "Mocking Bird," has been with the Conchs since 1982. Together with Coach Fraga and Coach Santana, they have been a wise and winning trio. They rely heavily on Mr. Santana due to his experience, but all of the coaches provide input in developing the winning spirit at KWS.

Coach Robert Santana is by far the most experienced coach in Key West. Mr. Santana has been coaching for 40 yrs. In that time he has accumulated 4 Little League State Titles, (1967, 1970, 1981, 1982), and 2 Senior League State Championships (1983, 1986). During this period he has had only 1 losing season.

Conchs, ready to go!

The seniors relax with a 10 run lead.

Aren't baseball players cute?

This year's team will have to depend a lot on its seniors, but they will definitely be able to hit and pitch.

The can men.

The sophomores await their chance.

Coach Santana's dynasty lives on.

The 1987 J.V. baseball team promises to have a good year. The players have worked hard and have a lot of talent. The Conchs will be a team that runs a lot; whether they are stealing a base, executing a hit and run, or just running to get in condition. The Conchs have a tough road schedule with only three home games scheduled, but when the bell rings the Conchs will be there swinging away!

A picture may be worth a thousand words but collectibles give shape and dimension to the imagination. And though they cannot speak, they are fluent in the language of the heart.

New From
PIERRE CARDIN
"ESPACE"
There Is No Other
Tuxedo Like It
In The World

"Espace," the new European designed tuxedo by Pierre Cardin, transcends fashion formalwear into new depths for all black tie occasions. Featured only in black, there is no other tuxedo like it in the world. Adding to the mystique of the garments understated elegance, Pierre Cardin has utilized the finest 100% wool fabric and the influence of the avant-garde. The over extended-shoulder treatment and the strategic placement of side vents allow the wearer to comfortably use his pant pockets without unbuttoning his tuxedo jacket. Pierre Cardin creates the illusion of time and space with "Espace," this year's statement in tuxedo dressing. Our formalwear consultants would be pleased to assist you with your selection of appropriate black tie attire for all occasions.
