A hard man for him a great trouble in fact every priest of this parish - because of him - he is very safe with his tongue!

Has a bad record in this parish - he is indeed a very troublesome communicant - don't mind his "trick."

Dropped from Communion 1906.

A troublesome character, wants to rule the Church and Parish has not communed since 1905.

Nov 15 1931	Saint Peter's Church.	The Reverend E. Seiler Salomon		The Right Reverend John Durham Wing, D.D.		

The record of this administration was entered long after the event. The Rev. E. Seiler Salomon was locum tenens of the parish for a few months only. The class received most of its instruction from the previous incumbent, the Rev. H. R. Moore. It is possible that some of the names entered are those of persons who were not confirmed. Father Salomon gave to the Bishop the list of names left by Father Moore regardless of whether the persons were present for Confirmation or not. The list of names was secured by me from the Bishop's office and entered herein.
