KEY WEST

Key West High School

Key West, Florida

Volume 32

In these following pages, we have endeavered to present the events which have made a lasting impression upon us. This past year we have prepared for the future—academically, spiritually, socially, and culturally. Because of the preparation, our horizons have been broadened through difficult problems, conscientious labor, and outstanding achievements in the classroom, at social events, and on the athletic field. From these experiences compiled through this past high school year, we now enthusiastically await the coming opportunities of a modern tomorrow.

School spirit was high at the bonfire before the Christopher Columbus game.

HORACE O' BRYANT—Superintendent of Schools

Monroe County Board of Public Instruction

LEFT TO RIGHT: Mr. Robert Vargas, Mr. William Warren, Mrs. Ruth Campbell, Mr. Keller Watson, Mr. Glynn Archer-Chairman.

Board Gives Best

The administration of our school system through the Superintendent of Public Instruction and the Board strive to provide the very best in instruction, courses, and school facilities. It is the objective of the Board to give every student an opportunity to do his best.

DR. CAMPBELL

Dr. Harold C. Campbell, Principal

Dr. Campbell has done a superlative job these last nine years handling the affairs of the Key West High School.

He received his Bachelor of Arts from Geneva College. From the University of Pittsburgh he was awarded his Masters Degree, and he also received his Doctorate from the University of Pittsburgh.

Values Stressed

Both vocational and aesthetic values are offered in the English curriculum to prepare the student for a productive and enjoyable future as a thinking citizen in a free society.

Communication skills are developed, language processes of democracy are emphasized, understandings are broadened, and life is enriched through the speaking, listening, reading, and writing activities of the English program.

The English department sponsored the English Fair, a series of radio and television presentations given by members of grades 9-12 over WKWF. Also, a standard reading list was adopted.

A course in journalism was offered for the first time this year and students published the school newspaper and helped gather and write school news for the local papers.

Seek Understandings

The language department not only teaches the student a foreign language, but it also furthers and betters the student's understanding of the people of the world.

The academic student is prepared for college, and all students taking a foreign language are prepared for their future.

The language department consists of Spanish I and II, Latin I and II, and French I.

Challenge is Met

The Science Department has met the challenge of the modern world by providing both the best equipment and the finest teachers that are possible.

Each subject has access to movies, supplies, and apparatus which give the student a well-rounded scientific education.

The Science Fair in March gave proof of the quality of the department for the exhibits showed much resourcefulness and work.

Information, Please

The Guidance Department offers advice and information in choosing colleges and careers as well as in personal matters.

A wide assortment of pamphlets and informational guidance books assist greatly in carrying out the work of this department.

Mrs. Cabrera has stated well the purpose of the guidance department by saying, "We believe that our purpose is to assist the student by providing an informational service through which he may understand and help himself."

Michelle Hancock, Sandy Hunter, Jackie Harmon, and Charles Young get books checked by Vickie Pride and Warren Canfield.

Miss Mary Trevor
Librarian

Pleasure and Profit

What value does the library have? Many students dents know the answer. The library is important because it provides them with the material that they need to meet personal, social, and scholastic problems. The library also provides a quite pleasant atmosphere for studying and reading.

Miss Florence Touster
Librarian

Make Mine Music

The band and chorus proudly represented our school in the field of music.

The band, under the direction of Mr. Higgins, gave many fine performances at football games and parades.

The chorus, under supervision of Mr. Whitley, made various appearances for civic organizations, the school, and competition with other schools.

First Rate Training

The cooperative programs may be described as flexible plans for training high school juniors and seniors, 16 years of age or older, in the occupation of their choice.

These programs are based on this idea and develop to the fullest their interest, talent aptitude, and abilities, thereby enabling them to become more valuable citizens with a satisfying feeling of confidence and vocational competency.

Drivers' Education

Stop, Look, Learn

Most people have the wrong slant about drivers training. It not only teaches driving, but the fundamental operations of the automobile.

This year Key West High School had two cars in which to train students. One with a standard shift, the other, an automatic.

Students spend from six to seven weeks doing classwork. The course covers all the fine points of driving. Drivers' Education is offered to students who become sixteen before the end of the school year. Parents' permission is required.

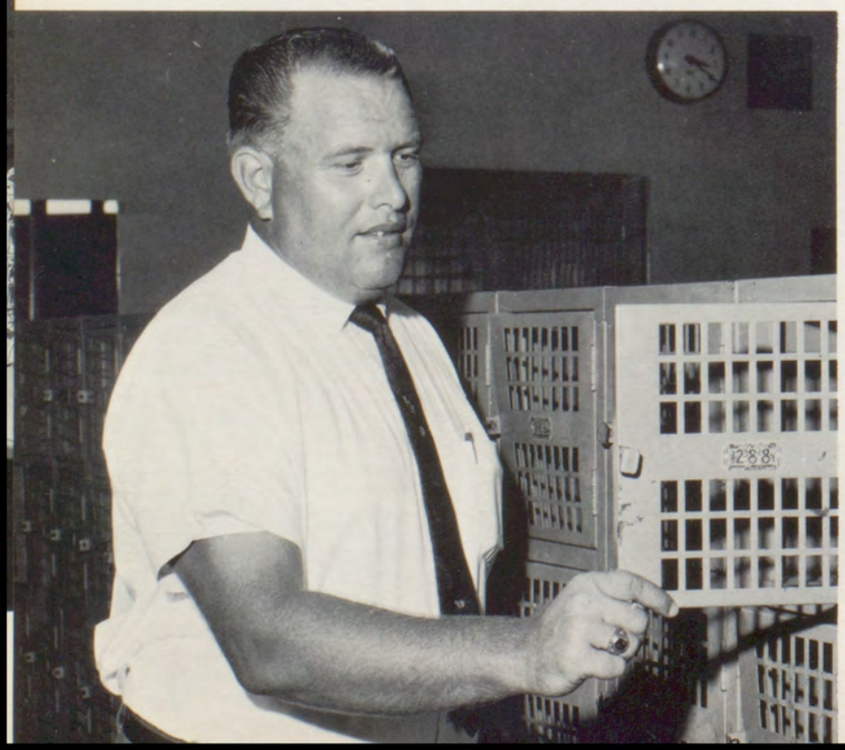
Physical Fitness Stressed

This year's physical education department is cooperating in supporting and acting as a part of President Kennedy's Youth Fitness Program.

Physical education serves as one of the most important areas in the educational system to establish habits of mature, responsible action.

Mr. Harold Allen
Physical Education, Boys



Foundation of Expression

One of the basic purposes of the arts and crafts department is the development of self expression. In additional an appreciation of the heritage of arts and crafts is developed.

The basic fundamentals were taught by the teaching of sculpture, leather work and ceramics.

Boys Take Reins at Tallahassee

Twelve Key West High School students spent a week at the state capital this summer participating in various Boys' State activities, such as holding government offices and visiting the State capital.

Physical fitness, leadership and cooperation were the qualifications that determined selection for this honor.

Boys' State is a non-political program keyed to the processes of government and citizenship to high school boys.

Lawmaker for a Week

Gloria Dameron represented Key West High School at Girls' State this year.

The design of Girls' State is to brighten the interest of high school girls in the functions of government through participation in its operation, and instruction concerning the citizen's role in government.

Gloria was chosen to attend through demonstrating outstanding leadership and cooperation.

Girls Take Over City

On October 6, the city fathers turned their offices over to the participants of Girl's Day, 1961.

This project is under the sponsorship of the Business and Professional Women whose hope it is to enable the girls to become better citizens by letting them see what goes on behind their city government.

The girls are rewarded with the knowledge they have gained on this most unforgettable day.

Dreamers.

The 1962 Science Fair gave many students the chance to display their ingenuity and scientific knowledge. All agree that this year's Fair was the best yet.

Pat Tatum won the physics prize and the Grand Award for her oil drop experiment. Bill Ploss and David Knowles won the first prize in chemistry with experiments in electrophoresis. First in biology went to Diane Brassfield and Mary Jo Southerland. Bill Miller's display of celestial navigation was the first place winner in general science.

"The Beautiful People"

The Junior class opened the eyes of Key West with their very different play, "The Beautiful People." The play centered around the unusual Webster family, and, of course, the mice.

Although the mice cause quite a commotion, the audience also received a picture of an excellent performance.

The capable direction of Mr. Klip Smith, assisted by Bonnie Lewinsky, made the play a success.

The cast: Bill Bentley as Jonah Webster, Ronnie Heginbotham as Owen, Karla Christiansen and Alice Watkins as Harmony Blueblossom, Rosemary Wiseman and Ruth Harkins as Agnes, Raymond Willcox as Dan Hillboy, David Barre as William Prim, James Hall as Father Hogan, Colon O'Farrell as Harold Webster, and Tom Hinman as Steve. English Fair On The Air

The third annual English Fair was presented to give the public an idea of the work being done by the English Department of Key West High School. This program was given as a complement to the school's exhibits at the Monroe County Fair.

Freshman class members presented short speeches on the "Symbols of Freedom". Sophomores gave an original play "Hidden Treasure", based on Hemingway's life and residence in Key West. Juniors worked on the subject "The War Between the States" as recorded in American Literature. It was presented in the form of oral reading. The Seniors subject was "A Glance at Satire" which traced the use of satire from the fourteenth century to the present.

All programs were held over radio and closed circuit television.

Sophomores also worked on *A Tale of Two Cities.*

Juniors rehearse for oral reading.

Music in the Air

The Key West High School Band is one of the most colorful organizations on the campus. During the year the band participates in a wide range of musical activities, some of which include parades and football games, concerts, the annual Christmas show, and State and District Band Contest.

All the members of the band feel it an honor to be part of this organization and take pride in their accomplishments. Few student activities are more richly rewarding in terms of gratification which comes from the performance of good music before an appreciative audience. Alumni of this and other bands have found that they value quite highly their band experience years after their graduation from high school and the band.

Before a student can participate in band activities he must pass a tryout that consists of sight reading, marching, and degree of ability on his instrument.

A chenille lyre is received by each student who successfully completes one full year of band; for each successive year of satisfactory band work, a service bar is added to this lyre.

The other awards for which a band member is eligible are: Outstanding Progress Award, Best Section Award, Service Award.

The senior band award is the John Phillip Sousa Award which is a plaque for musicianship, dependability and loyalty.

Stepping High

The Key West High School Conchettes have been in existence for six years. This group of girls is a precision dance team.

To be eligible for the group a girl must have a"C" average and must be able to maintain it throughout the school year. She must also have a good personality.

The Conchettes performed in the Orange Bowl Stadium this year and at the football and basketball games.

The big thrill for the Conchettes is their annual show, "Conchette Capers." This is put on after spring vacation, and the girls work very hard for it.

"You're out of line, girls," says Captain Lynn Goss.

Student Government

One of the most active organizations in our school is the Student Council. The Council serves as a go-between for the students, faculty, and administration. Its aim is to keep the school at its very best at all times.

The members are elected representatives and alternates from all the homerooms. This type of representation in the school government sets a realistic back-ground for the students in preparation for their adult life.

Student Council has many activities to serve the school and increase school spirit. Among these are: conducting class elections, sponsoring the Homecoming Dance and managing the assemblies, heading the annual charity drive, operating the supply store, and conducting a monitor system.

OFFICERS THIS YEAR, LEFT TO RIGHT: Mrs. Ida Kennedy; Linda Harmon; Secretary, Nancy Black; Treasurer, Belinda Brown; Vice-President, Roberta Berman, and President, Bonnie Brown.

Learning Today to Teach Tomorrow

The Future Teachers of America Club was founded in 1939. In order to become a member of the F.T.A., a student must show leadership, ability, and a definite interest in the teaching profession.

The projects and activities for the year included a candy sale, participation in the National Education Week, a visit to the County Board of Instruction, sponsoring a dance, helping with College and Career Day, and a day of observing teachers in the elementary schools. Representatives of the club attended the state F.T.A. Convention.

Aid Comes First

The purpose of the Future Nurses Club is to become acquainted with the profession of nursing and its allied fields, and to act as a school service club doing guided activities at Monroe General Hospital.

The Future Nurses work as assistant nurses' aides. On carts the Future Nurses take reading and writing material through all the wards.

Merit bars can be earned by the Future Nurses by working either 25 or 50 or 100 hours.

The officers of this club are: Johnna Scully, president; Johnna Miller, vice-president; Judy Stickney, secretary; Cecile Curry, treasurer; and Mrs. Stark, sponsor.

SPONSORS AND OFFICERS: Johnna Miller, Johnna Scully, Mrs. Stark, Judy Stickney, Cecelia Curry.

N. R. A. Promotes Rifle Safety

The National Rifle Association is a national organization sponsored in Key West by Mr. Ben Freer, Miss Eunice Reynolds, and Miss Mary Trevor.

The club promotes gun safety, and teaches the members the ethics of gun handling. It provides members with an enjoyable indoor sport, and gives the members a chance to achieve something.

The N.R.A. training course is provided and supervised by Mr. Freer and Miss Reynolds, and is assisted by Jimmy Ayers, the captain of this year's rifle team.

Information and Entertainment

The *Snapper* is a six page student newspaper published by the members of the journalism classes. The purpose of the paper is to inform and entertain the student body by accurately and interestingly covering the news and events of the school.

The paper tries to publicize all school events and activities and praises the students and teachers for their accomplishments.

Members of the journalism classes learn to write editorials, news and feature stories, copyread, proofread, layout, and make-up pages. An understanding of how newspapers are printed, a greater appreciation, and the ability to read newspapers are also aims of the *Snapper* Staff.

Diligence Unlimited

The CONCH, the school yearbook, strives to record an accurate history of the school year from the opening day of school to the graduation ceremonies. The Annual contains a portrait picture of every student plus complete coverage of all sports, clubs, classes, and activities.

The CONCH is published by a selected staff of students representing all grade levels. Inexperienced but industrious are the words which may be used to describe this year's CONCH staff.

Conchs Chased Conference Crown

With relative ease the Key West High School Conchs rolled over their first five opponents to achieve top ranking in the state. However, the red and grey fell to a highly aroused Bishop Curley team and then to Hialeah before they regained their winning streak. The Conchs ended the season with an impressive 7-2 record.

The outstanding game of the season was the mauling of arch-rival Southwest 26-0 with the tough defensive line in the forefront.

Head Coach Harold Allen increased his winning percentage to 70%, the highest of any previous coach at Key West High. He was assisted by Pat Gallagher, line coach, and Joe Russo, backfield coach.

DECADE OF FOOTBALL, a statistical coverage of football at KWHS was published by the student publications and proved to be a first of its kind in the state.

Cagers Press Hard

The Conch Cagers faced an uphill battle against a series of powerful opponents this season.

Under the direction of Coaches Haskins and Archer, the team worked steadily and played good ball. In spite of a number of early-season losses, morale stayed high; and an overall effort to play their best and maintain an attitude of good sportsmanship prevailed among the members of the team.

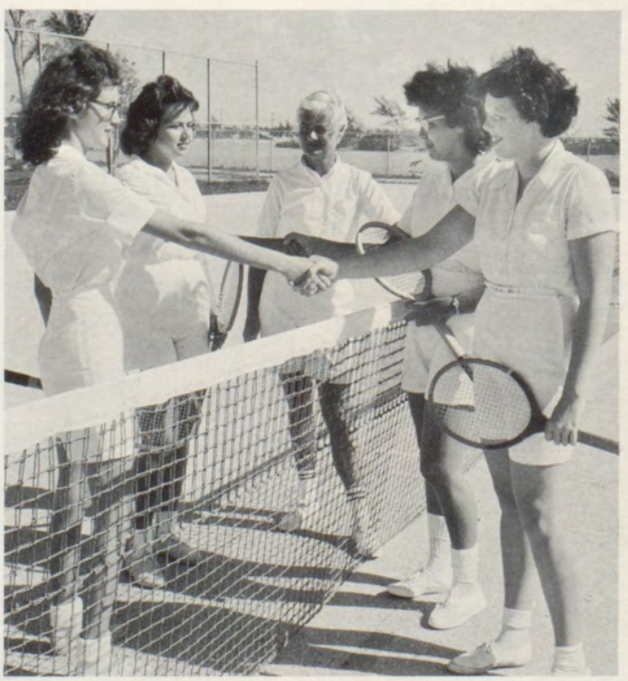
Captain Pat Tatum

The Girls' Tennis Team has prospered this year under the leadership of Miss Martha Rainer and Captain Pat Tatum. Hard practice from 3:15 to 5:00 every day improved the tennis skills as did regulated work outs lead by Manager Alice Watkins. Inner team challenge matches for rank prepared each girl for the all important tournaments.

"Nice match, girls."



Coach Harry Butcher

This year the Key West High School Boys' Tennis Team, through keen competition, has developed good sportsmanship, excellent teamwork, and, most important, the desire to win.

This year the team had three returning lettermen: Steve Kyle, Jim Godding, and Bill Ploss. In addition, the team found depth in such players as: Harold Baumberger, Leland Albury, Frank Neblett, Gregory Nisonger, John O'Brian, and Mike Barton. This year's team enjoyed great success under the coaching of Harry Butcher.

Seniors Close Out Prep Years with a Flourish

The Senior Class of '62 proudly looks back at the many struggles, disappointments, victories, and excitements of which they were a part here at Key West High. Now these many realities are memories, but vivid ones indeed!

After an exciting campaign, the Senior Class elected its officers—Russell Brittain, President; Bill Yarbrough, Vice-President; Lynda Powell, Secretary; and Beverly Jenkins, Treasurer. These leaders, along with the Senior Class sponsors and homeroom representatives, determined Senior Class activities.

Before the heat of the election could dissipate, the Senior rings arrived and were eagerly put on anxious fingers. Above all, these rings have remained as a symbol of fellowship throughout four years of activity in this high school.

Soon, talented Senior dramatists were presenting the play, "Harvey," a performance which delighted its audience and helped finance Senior activities later in the year.

Shortly, hardworking Seniors could be found selling Christmas cards about town, another annual Senior activity.

In the second semester, the activities of the Senior Class became more breathtaking and fun-filled than any of those before. Field day can be remembered as one of the best examples of concerted class efforts. The Junior-Senior Prom was indeed a social highlight for the year. Conch Day was one of the unforgettable experiences which every Senior will treasure for years to come.

The Senior All-Night Party will be the one social event Seniors will remember as the reward for all the efforts of the Class as a unit.

Graduation will be remembered as a serious parting, a parting that opened the door to a different life for the Class of '62, a life which will parallel the principles and ideals followed here.

UNDERCLASSMEN

Harold Baumberger, Eugenia Toms, Lisa Weymouth, Patsy McKinley.

An active junior class entered school this year with its goals set high. To accomplish these goals the entire class worked hard on several projects. The first of these was the sale of Conch pins. The class also made a profitable amount on its football concession.

Combined with the profits netted from a successful play, it was able to give a delightful and enjoyable prom. The play "The Beautiful People," was a light comedy, with many in the class helping in its production.

As did the other organizations, the junior class contributed to the charity drive in February. At the end of the year a fun-filled picnic was enjoyed by every junior.

The success of this class can be attributed to the hard-working class sponsors, under the direction of head-sponsor Mrs. Case, and to a dedicated Executive Board.

Sophomores Support Charity

The Sophomore Class officers that were elected were: President—Jerry Camarata, Vice President—Julie Taylor, Secretary—Carole Valdez, Treasurer—Rita Saunders. These people were all very capable to carry out their duties.

The class of "64" had some fund raising projects for the charity drive and their annual picnic by candy sales and by concessions.

The Freshman Class Largest Ever

This year's freshmen class, the largest to ever enter this school, has been busy learning the many facts of high school life.

After electing the class officers, the class sponsored candy sales to raise money for their dance.

Later in the year they produced a very entertaining assembly.

The head sponsor for the year was Mrs. Helen Beach.

LEFT TO RIGHT: Treasurer, Sandy Lane; Vice-President, Chuck Tatum; Secretary, Donna Bevis; President, Aldo Busot.

The Beta Pledge

I SOLEMNLY DECLARE that I shall always strive to hold fast to the principles of honesty, to endeavor constantly to maintain a creditable record, to cultivate in my life and conduct the principles of service and leadership. I further pledge myself to cooperate with the members of the National Beta Club in the promotion of a sense of individual responsibility to our school, community, State and Nation, to make right the master of might, and to consecrate our comradeship to mutual helpfulness and to the betterment of our fellow students.

The Student Council and You

Your Student Council is just that—it's for you. If the letter "U" is taken from the word "Student" or the word "Council" there is nothing left. Likewise, if *you* are left out of the Student Council and its work, there is nothing left.

This page shows only a partial list of important functions the Student Council performs for our school. But even more important than all these listed is the learning-by-doing provided in our democratic process of self-government.

National Modern Music Masters Honor Society

The Tri-M key is designed with a musical triplet in the shape of the letter "M" with the numeral "3" above it representing the three first letters in the name "Modern Music Masters." It also includes a musical lyre, a manuscript scroll, and a music staff, the five lines of which represent the five points on which the new members are selected: Scholarship, Character, Cooperation, Leadership, and Service; as well as the five different types of memberships: Apprentice, Active, Faculty, Alumni, and Honorary.

Mr. William Higgins, Sponsor.

The National Modern Music Masters Honor Society is an honorary society, created to foster a greater and continued interest in solo, ensemble, band, orchestral, and choral performance. It encourages better and more discriminating habits in listening to and in the performance of musical literature. Tri-M provides wider and more frequent opportunities for personal musical expression in the school, churches, civic organizations, and social service clubs of our community, and increases and advances the spirit of good music and musical knowledge.

NEW MEMBERS, LEFT TO RIGHT, are: Donna Amable, Sharon Hopey, Harry Harnage, Walter J. Roberts, Karla Christiansen, and Mr. Arthur Parisi (Honorary Member). OFFICERS are: Saron Swann, Secretary; Dianna Mira, Treasurer; Paul R. Roberts, III, President; George Saunders, Vice-President; and Mary Grimes, Historian.

Moon Magic

The Conchette Show of 1962, "Moon Magic," transported its two enthusiastic audiences into a world of dancing, singing, and humor.

Besides the Conchettes, many boys from all grades participated in some of the numbers. Members of the chorus, band and various other student organizations added their talents.

Director Mrs. Donna Watson and choreographer Mr. Haden produced many new and varied acts, all of which were well received by the audiences.

As usual the auditorium was filled to capacity on both nights. The money received from the show went toward trips, costumes, and summer camp in Texas for two of the girls.

All who saw "Moon Magic" agreed it was one of the best productions the Conchettes have ever presented.

Conchettes' Hard-Earned Awards

The Conchettes ended their active year with the awards banquet. Annette Sykes, Margaret Carey, and Pat Spencer won the Haden Awards, entitling them to attend the summer dance workshop in Texas. Roseann Stansell and Barbara Harrison were nominees for this award.

Lynn Goss was recognized as the Outstanding Senior Conchette, and Pat Woodruff won the Most—Improved Conchette award.

Conchs Successfully Defend Gold Coast Championship

The Conch baseball team captured the Gold Coast Conference Championship for the second straight year as they completed another fine season with a record of 18 wins and 3 losses. Key West wrapped up the conference's southern division title by beating Curley 3-2. The Conchs then rolled over Stranahan, the northern division winner, 5-2 in the championship contest.

Key West opened the district tournament with a win over Miami Central, but Curley nipped the Conchs 3-2 in the second round to drop Key West out of the tournament and eliminate them from state championship competition.

Pat Gallagher directed the team through the season. Les Weech was the team's top pitcher and was named to the Gold Coast Conference All-Star team, along with catcher Carl Taylor and Charlie Powell. At the close of the season Taylor signed with the Pittsburg Pirates and Powell was signed by the Baltimore Orioles.

J.V. Baseball Comes to KWHS

This year inaugurated J. V. Baseball at Key West High. This was done to develop the players and give them experience needed for future years, when they will be a part of the varsity.

Our school is noted for an overabundance of baseball talent and it was a difficult job to choose the members of the squad. The selected players showed the same sportsmanship and spirit, which has made our teams well known over the state of Florida.

Our J. V. squad won the first Florida Keys Baseball Conference Trophy.

Many of these players will be seen in the crimson and grey of the varsity next year, The manager, Coach Joe Russo, deserves much of the credit for developing these boys.

Hot Sun . . . Cool Fun

Seniors enjoyed their day at Bahia Honda with a fabulous lunch, the limbo, crazy hats and plenty of sun and water. Aided by the many pictures that were snapped at the beach, this year's seniors will long remember this activity, and future classes will find reminders of the class in all the names left in paint.

All Through the Night

The sixth annual Senior All-Night Party was launched with a gala banquet at the cafeteria with the amusing class prophecy and caricatures.

The prom, with Mr. Whitley's dreamy dance music, will long be remembered. The transition from formality to Key West informality was followed by the movie, CAPE FEAR; bowling in the wee hours; and breakfast back at the school.
