VOLUME 54 • KEY WEST HIGH SCHOOL • KEY WEST, FLORIDA

THE NEW YEAR'S EVE WE DID THE TOWN

WE'LL HAVE THESE

THE DAY WE TORE THE GOAL POST DOWN

MOMENTS TO REMEMBER

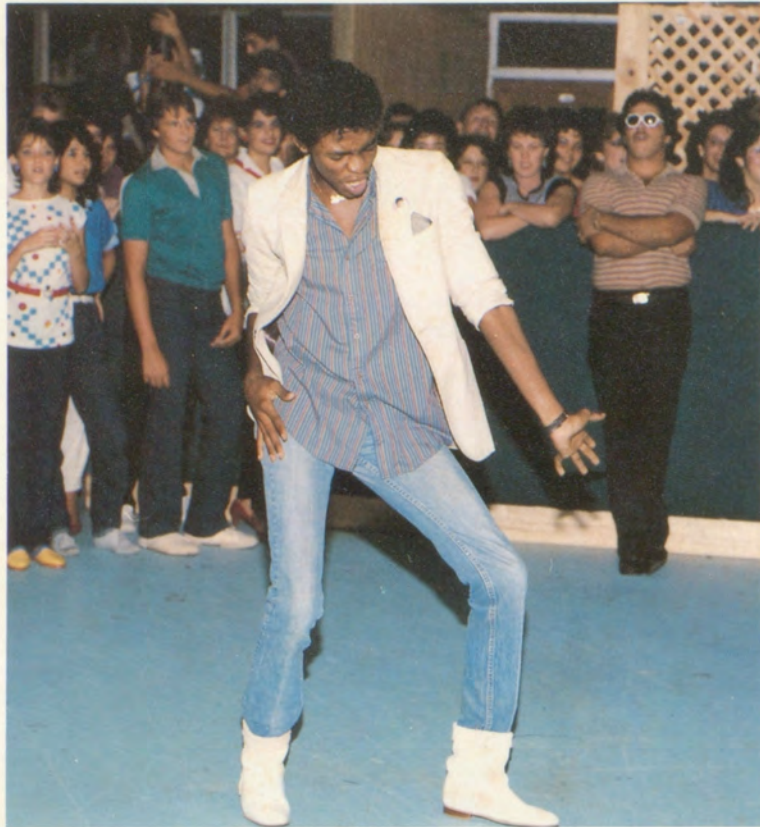

THE QUIET NIGHTS

THE NOISY FUN

THE BALL ROOM PRIZE

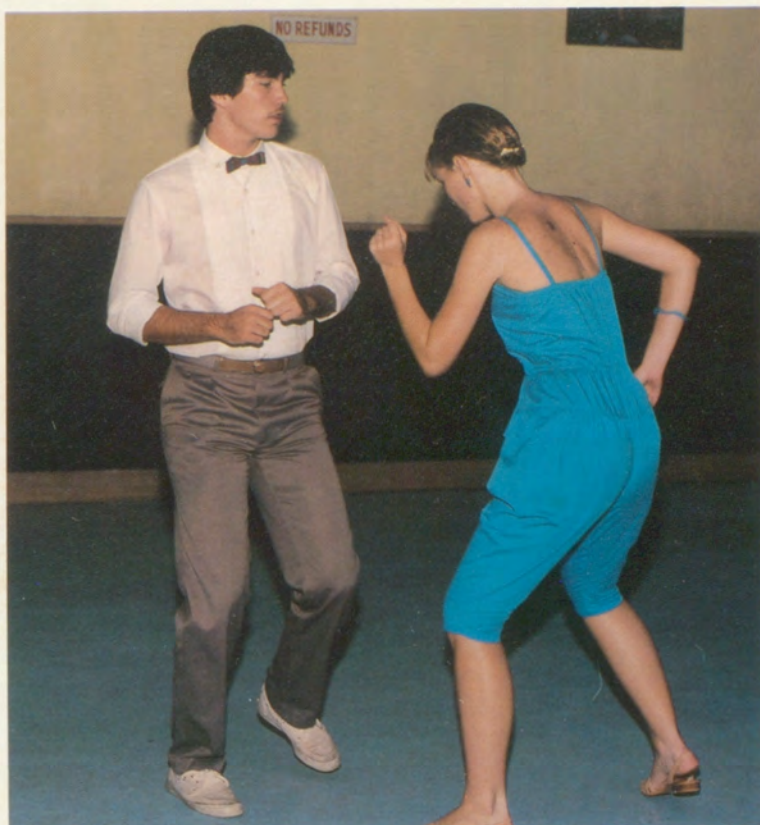

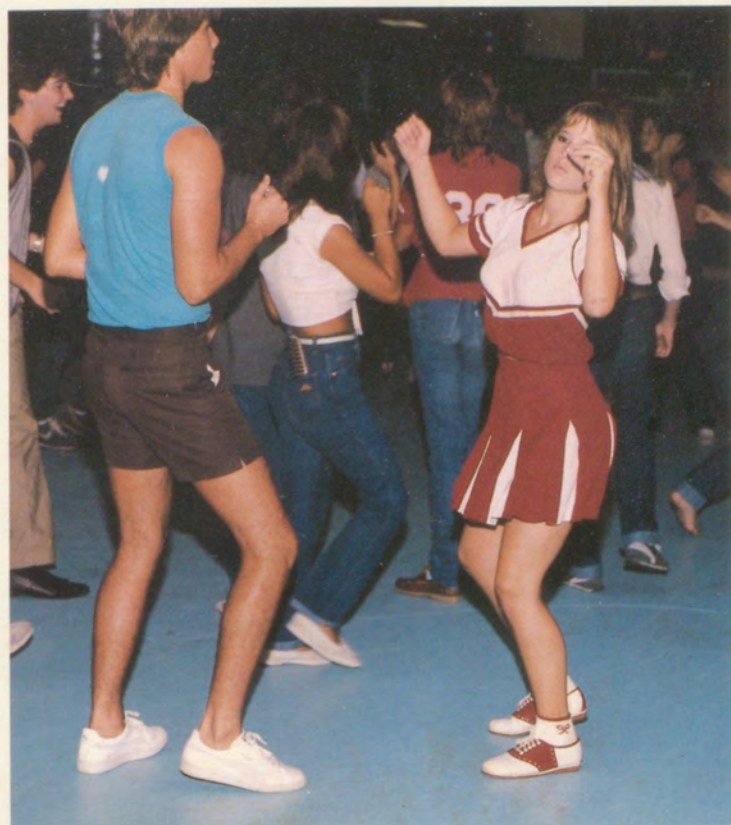

WE'LL HAVE THESE

THE SUMMER

WE ALMOST WON

MOMENTS TO REMEMBER

URNS TO WINTER

AND THE PRESENT

DISAPPEARS

THE LAUGHTER WE

WILL ECHO THROUGH

WERE GLAD TO SHARE

THE YEARS

WHEN OTHER TIMES

WILL FIND US GONE

AND OTHER DAYS

OUR SEPARATE WAYS

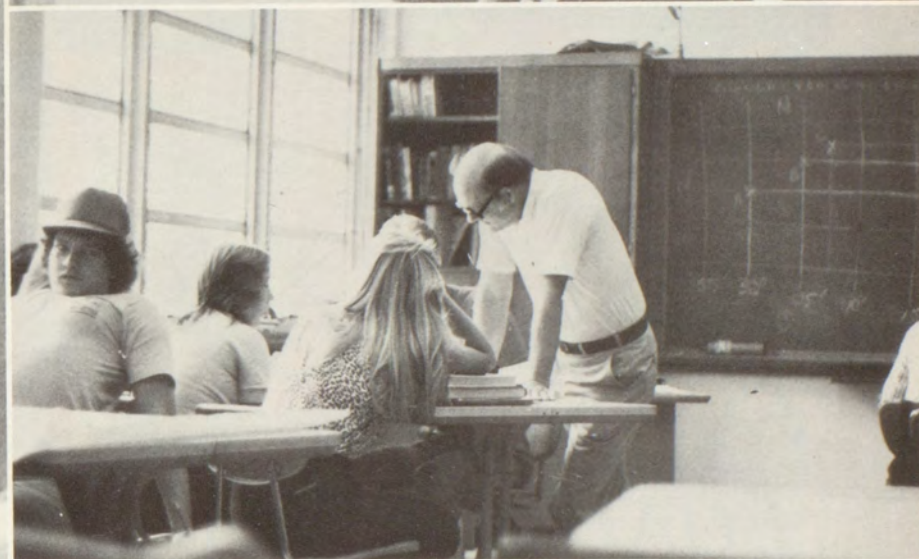

WE'LL HAVE THESE

MOMENTS TO REMEMBER

NATIONAL HONOR SOCIETY

National Honor Society is an honor club for academically inclined students. Members must have at least a 3.2 grade average from the previous year, with no grade lower than a "B", to be accepted as a member. Once a member, the student must exhibit scholarship, leadership, character, and service.

NHS is proud to be an active part of the high school. The exceptional club leans toward the participation and service in the community. Over the years NHS has kept its standards high and built a good reputation. The 1983-84 club hopes to maintain this reputation.

BETA CLUB

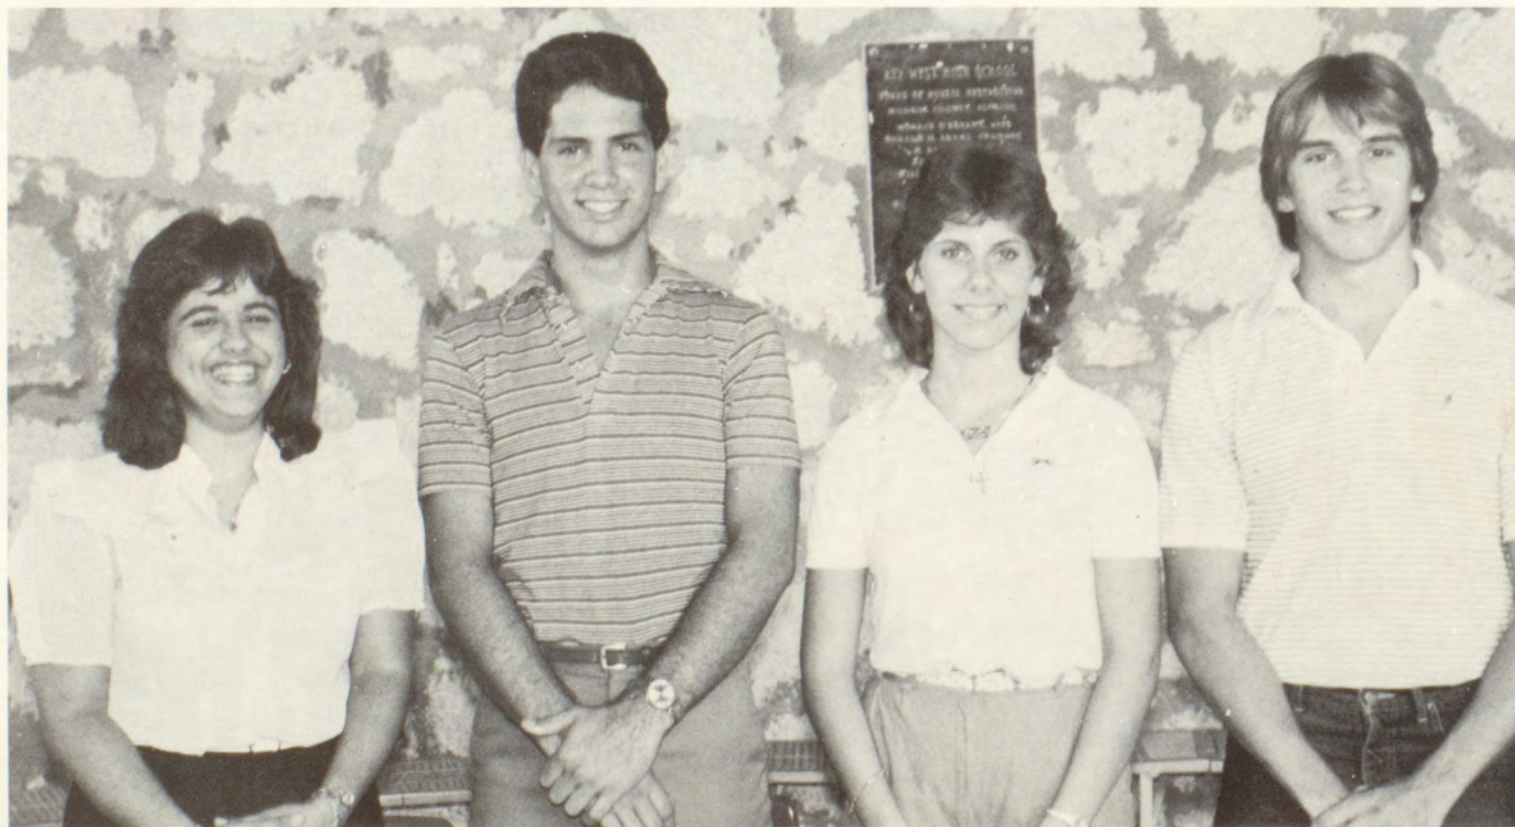

The Key West High Beta Club is an organization of honor, leadership and achievement. To be a member one must be either a sophomore, junior, or senior and can have no more than one "C" average from the previous year. A candidate for membership must then be approved by the K.W.H.S. Faculty.

The purpose of the Beta Club is the promotion of scholarship and good citizenship. The motto of this organization is "Let us Lead by Serving Others."

Through the years, Beta has had a reputation as one of K.W.H.S.' most outstanding clubs. The 1983-1984 Beta Club hopes to maintain this reputation.

MU ALPHA THETA

Mu Alpha Theta is one of the most select groups at K.W.H.S. It is a club in which most academic students seek membership. A student must have completed two years of college preparatory math with a "B" average and enroll in their course to be eligible for this club.

The activities of the club expand the horizons of the mind and make clear cut decisions on character and citizenship. The members of Mu Alpha Theta are examples of what other students at KWHS should strive for.

This year will be even better because of the quality of the membership.

THREE YEAR MEMBERS

TWO YEAR MEMBERS

INTERACT

This year's Interact Club is made up of a group of hard working students whose main concern is to aid their school and community, and help their sponsor, the Rotary Club of Key West.

We will be trying to accomplish all of our goals along with making this year a very successful one.

Our membership consists of freshmen, sophomores, juniors and seniors. Members must have a "C" average, as well as earn 18 points yearly.

STUDENT COUNCIL

Student Council is an organization of dedicated students involved in helping our school and community. Like other years, the students have really become active, and by using a point system, members become involved. Some activities this year included homecoming, the homecoming float, spirit links, and the end of the year banquet. K.W.H.S. Student Council has been a main part of both school and community.

KEY CLUB

Key Club is a school and community service club whose main objective is to help others who are less fortunate than ourselves.

Some of Key Club's activities this year included May Sands Christmas and Easter programs, and hopefully a state convention.

Key Club's prestige grows with the years as does its membership. Members must maintain a 2.0 average and remain active through the year.

SNAPPER

The Snapper Staff has worked hard this year. Along with printing six issues of the school newspaper, the staff ventured into other areas of journalism. They have continued the program on WKIZ, WIIS, and WKWF.

The Staff also has a weekly column in the Key West Citizen, that is very successful. Both old and new members realize it is not easy to put together a newspaper. Snapper is proud to be a part of Key West High School!

FOOTBALL

The football coaches are proud of the 1983-84 Conchs. Time and time again we had to overcome many hurts to post a winning season. We had to pull ourselves together as a team and win or lose together. Football is filled with adversity and emotion. If character is built on these aspects then this team has a firm foundation.

The Key West High School junior varsity football team enjoyed a successful season as the young Conchs won five games and lost only two. Included in the wins were victories over the Mary Immaculate High School varsity, Class AAAA Jayvees from Sunset and Southwest and Curley and Pace. The two losses were to district rivals Homestead and South Dade. Over 50 players participated in the program and many of them will move up next year to fill the shoes of the many seniors on this year's varsity squad. In addition to the seven junior varsity games, some of the ninth graders on the squad participated in three freshman team games played during the season.

We started our season with a traditional, tough schedule, one that contained many state ranked teams. This was to be a rebuilding year. We had an abundance of talent that needed discipline, game maturity and in simple terms, hard work. We have succeeded in playing with the best and have lived up to our reputation as the "Basketball Conchs." We have achieved State Recognition (12th thus far), and with this we'll strive for our goals, a State Championship and a chance for our Seniors to go on to play college ball.

We have been told that a journey of a thousand miles begins but a single step. For some that step is never taken, for others the journey is too long. In 1984 we learned that to be true competitors, we must often take that first step alone, facing the journey against all odds. At the end of our ordeal we gazed back and counted the value in each step: a goal set, a dream realized, the self-respect for being all we could be.

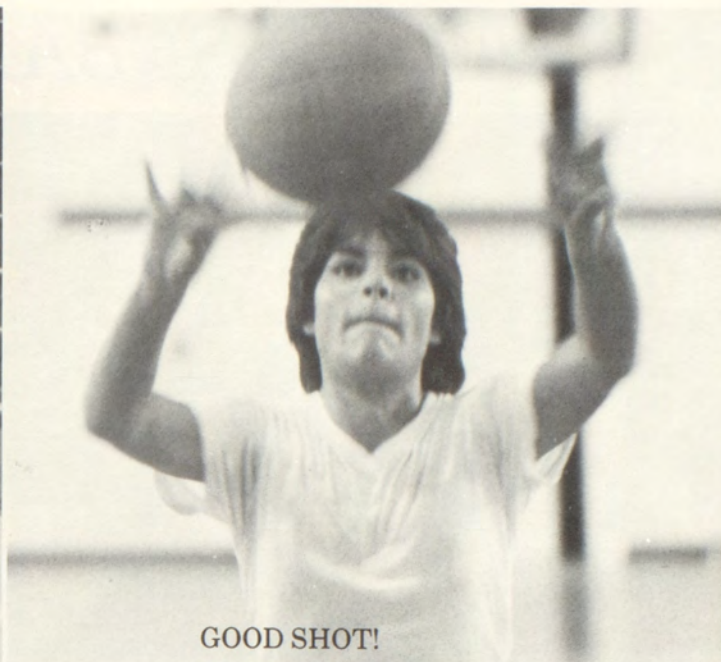

Most measure champions by what they have won. Perhaps they should be measured by their determination in the face of adversity . . .

The 1983 Volleyball team was a "team of destiny." Through much hard work and dedication they were able to attain a record of 7 wins and 3 losses during the regular season, an improvement of 350% over last year. The team will feel the loss of senior starters Kim Mahaffy (3 years), Capt. Anielka Rodriguez (2 years), Jennifer Wherry (1 year), and Brenda Sellers (1 year). However, with veteran players like Debbie Niles and Tammy Barrera participating in their 4th and final year the 1984 team will hopefully do equally as well. Continued success in varsity sports will undoubtedly bring women's athletics the recognition and respect it truly deserves.

In memory of . . .

Enoch H. "Johnny" Walker

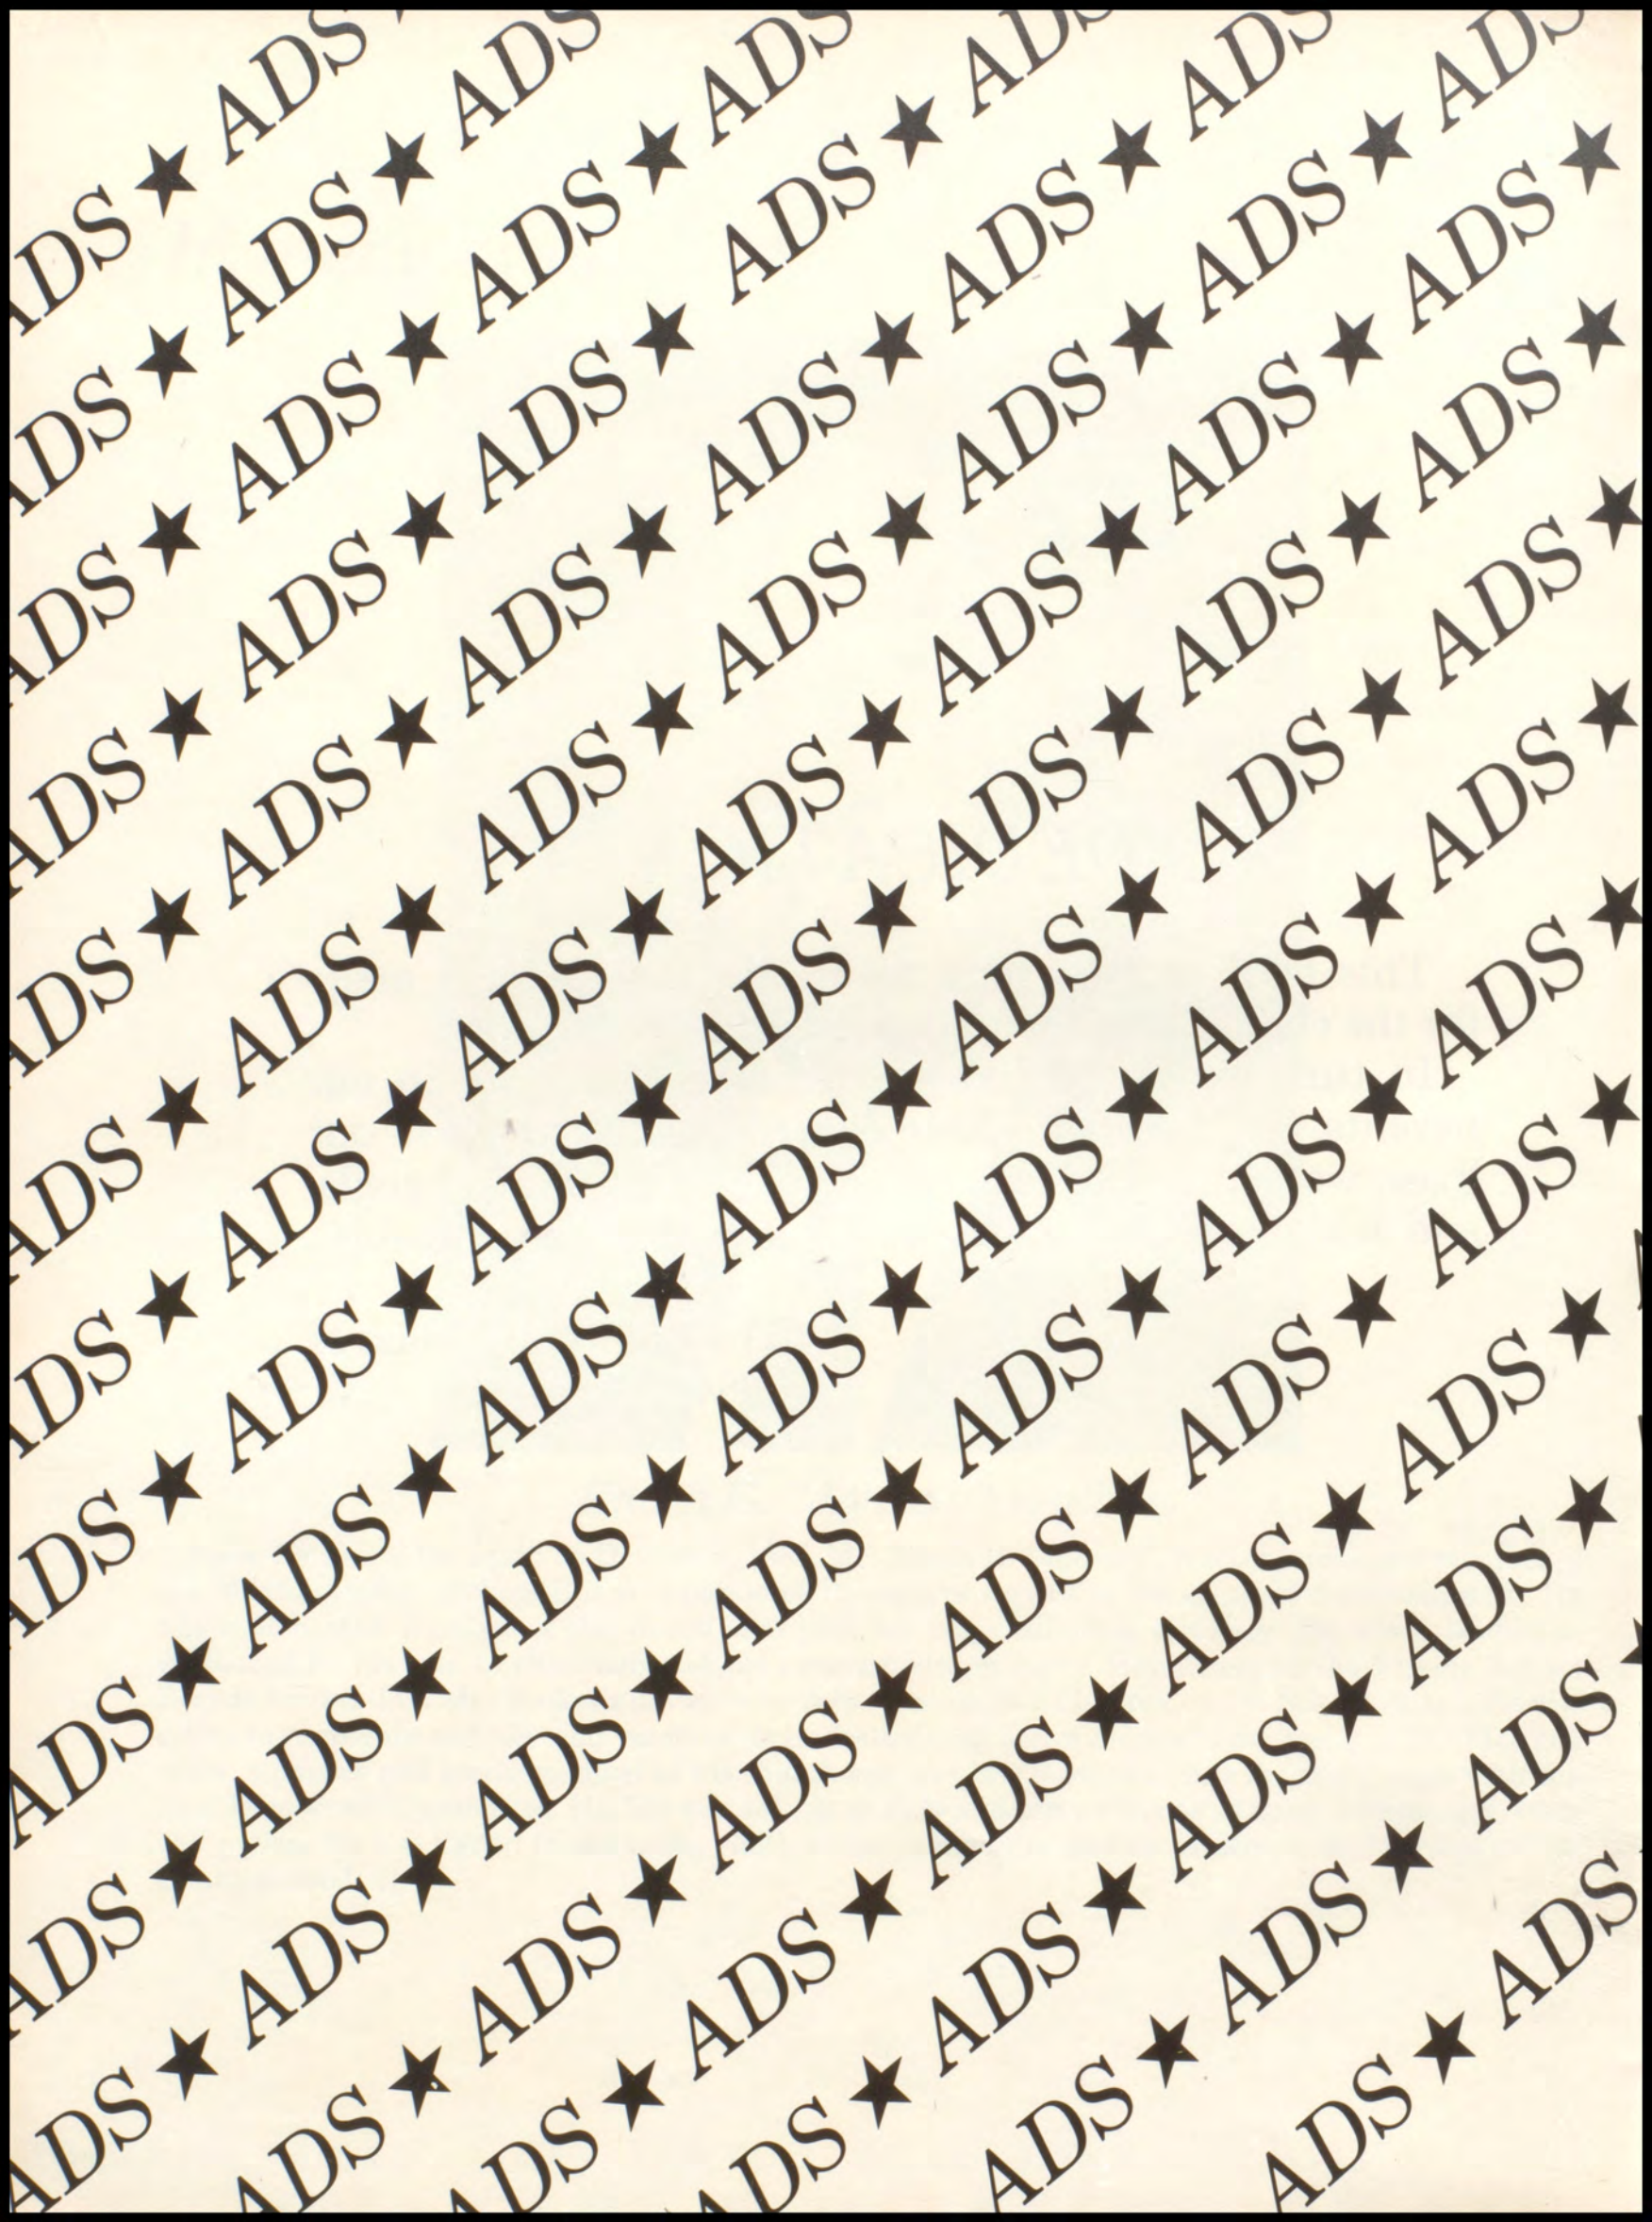

From 1964 until his death on October 6, 1983, Mr. Enoch H. "Johnny" Walker served as a member of the Monroe District School Board, a period of 19 years of service to the youth of the community. He was a dedicated member of the Board who took his responsibilities seriously. He was a leader, as evidenced by his role as chairman and his membership on many committees of the Florida School Boards Association. Mr. Walker's devotion to duty went beyond his work on the School Board. He was active in numerous military and veterans' organizations, an active member and leader in the Masonic order, a trustee and active member of his church and was in a leadership role for many years with the local Democratic Committee. His life was a study in duty and service to one's family, community, state and nation. He was a good friend to the youth of the community and his leadership and service will be greatly missed.

DEDICATION

This book of very fond memories was lovingly made for the class of nineteen hundred and eighty-four.

In turn we would like to dedicate this book to our parents. To those who have contributed so much to our lives, we contribute this record of our memories, goals, and achievements for which they in part are responsible.

From Yearbook

One of our largest debts of gratitude is to our fellow scribes across the hall who make up the *Snapper Staff*. Your well made points of journalistic criticism, your spirit of support, and most of all your photographs which you shared with us, help to make this book a success. Conch "84"

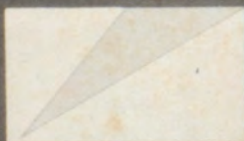

It takes more than new bridges to link the Florida Keys.

Our chain of islands compose a county like no other in the United States, and just as our transportation needs are different, so are our financial and commercial needs.

Now with our new Key Largo and Key West branch offices open, The Marine Bank of Monroe County has linked the county with one locally owned, locally operated financial institution. We've been taking care of business in the Keys for more than 27 years now. We've learned what special services the Keys need. So now, no matter where you live or where you work or how many bridges you cross in the Keys, your hometown bank will be nearby.

The bank that grew up in the Keys.
