CELEBRATE
"76"

A circular graphic is centered on the page. It features a large number of five-pointed stars in red, blue, and white. The stars are arranged in a circular pattern around the central text. The text "CELEBRATE" is written in a bold, serif font, and "76" is written in a large, stylized font below it. The entire graphic is set against a background of faint, concentric circles and radiating lines, suggesting a sunburst or fireworks effect.

CELEBRATE "76"

SIMPLE THINGS

What does it mean to grow older?
 It means to grow wiser each day ...
 To appreciate more fully
 the joy life sends our way ...
 To find pleasure in simple things:
 a word ... a smile ... a thought ...
 To plan and dream, but not forget
 the joys the past has brought.

Eleanor Woods

This year we shall have special feelings
 for our country's great past
 But we will have our own special memories
 of this year that will always last.
 There will be times of happiness ...
 times of sorrow
 Time when we will be grateful for yesterday
 but long for tomorrow.
 We will celebrate each day
 in our own special way
 We will laugh and have fun
 And remember all the good times
 when we're done.
 We'll remember 1976,
 that great bicentennial year ...
 All the fun, the laughter,
 the sadness, and tears.
 So we ask you to celebrate
 this special year with us
 Because this is one year that will be special
 to every one of us.

Mary Morell

CELEBRATE "76"

WHAT CAN I GIVE YOU?

I cannot give you
 cloudless skies ...
 A life that's free
 from cares and sighs,
 But I can wish you
 a heart that sings
 And the thrill of discovering
 beautiful things ...
 I cannot give you
 wealth or fame,
 But I can wish you,
 just the same,
 Laughter, love ...
 friendly faces ...
 And golden moments
 the heart embraces.

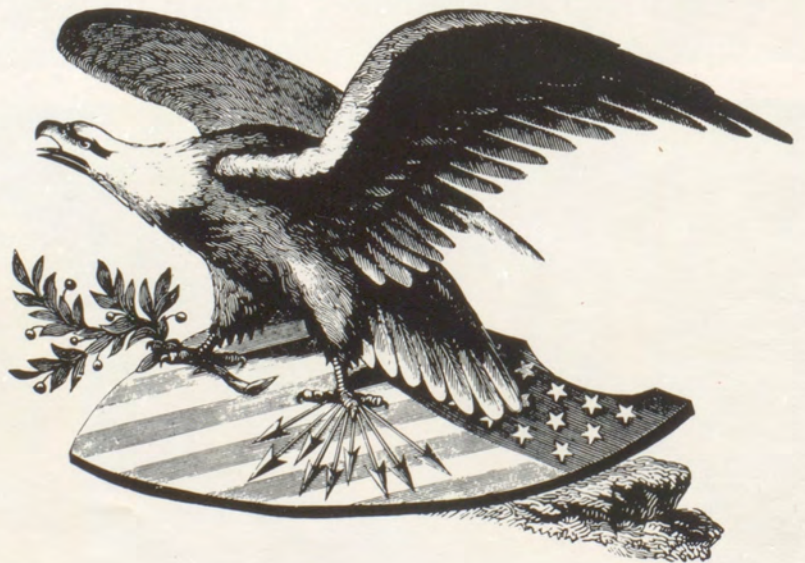

Barbara Burrow

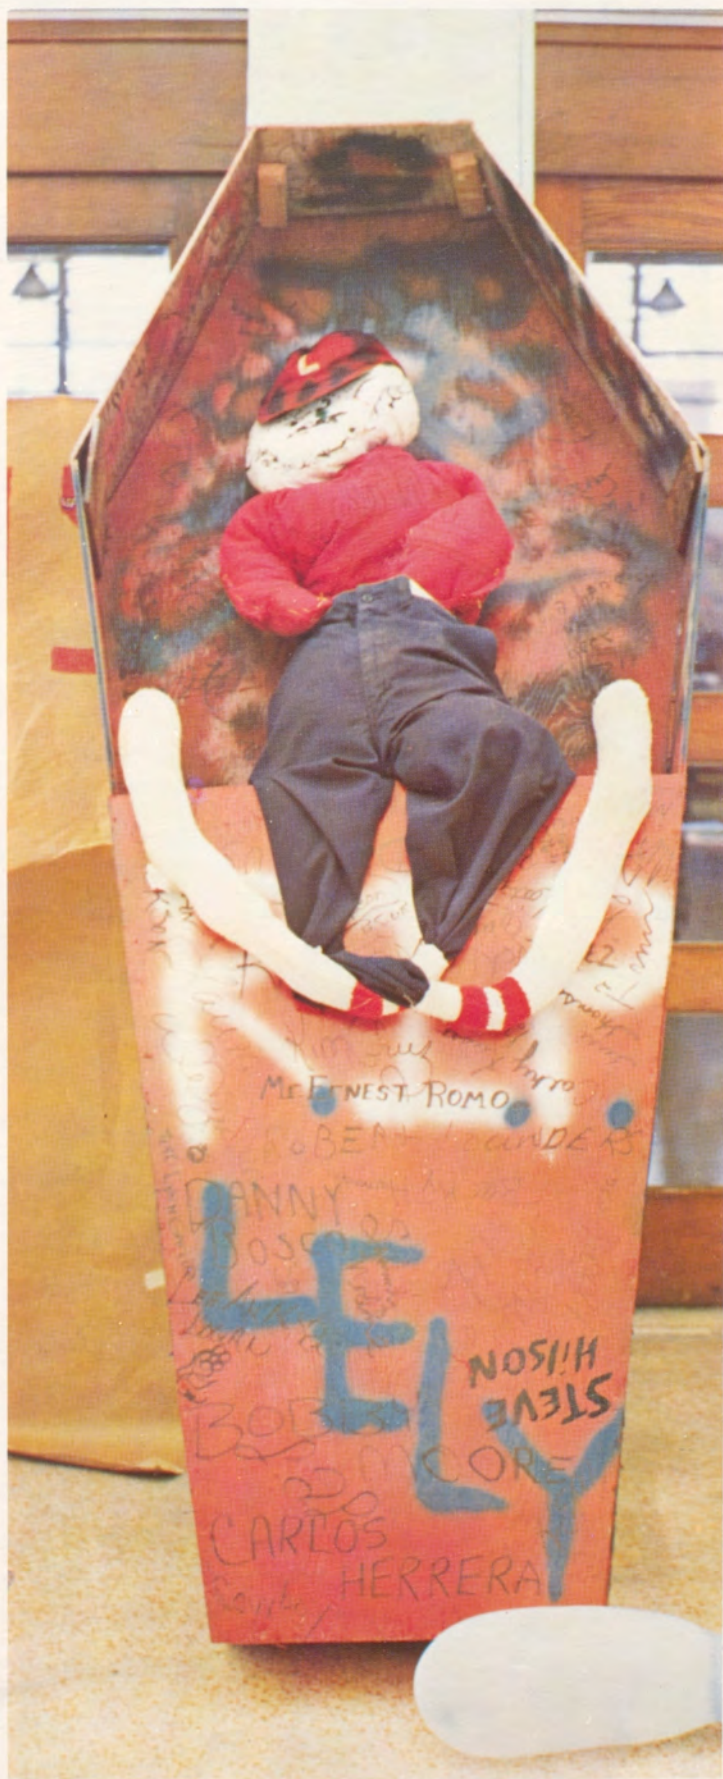

THE GIFT OF LIFE

Take the gift of life and live it.
Take your love and freely give it.
Give your laughter, smiles and tears,
Give your best through all the years,
Life is everything you make it,
Life is beautiful, so take it!

Kay Andrew

CELEBRATE "76"

MYSELF

I have to live with myself, and so
I want to be fit for myself to know.
I want to be able as days go by
Always to look myself in the eye.
I don't want to stand with the setting sun
And hate myself for the thing I've done.
I never can hide myself from me,
I see what others may never see.
I know what others may never know,
I never can fool myself, and so
Whatever happens I want to be
Self-respecting and conscience-free.

Edgar A. Guest

CELEBRATE "76"

CELEBRATE "76"

Together they climb the mountain of life
 Waterfalls of laughter fill their hearts
 Streams of hope flow through their souls
 Learning floods their minds
 Raindrops of tears often fill their eyes
 But showers of courage fall
 Bringing sunshine after the storm
 Waves of time leave traces of memories
 On the shores of their souls
 Into the ocean of experience
 They grope for the answers
 This is the Spirit of Youth . . .
 forever to shine

TO MY FRIEND

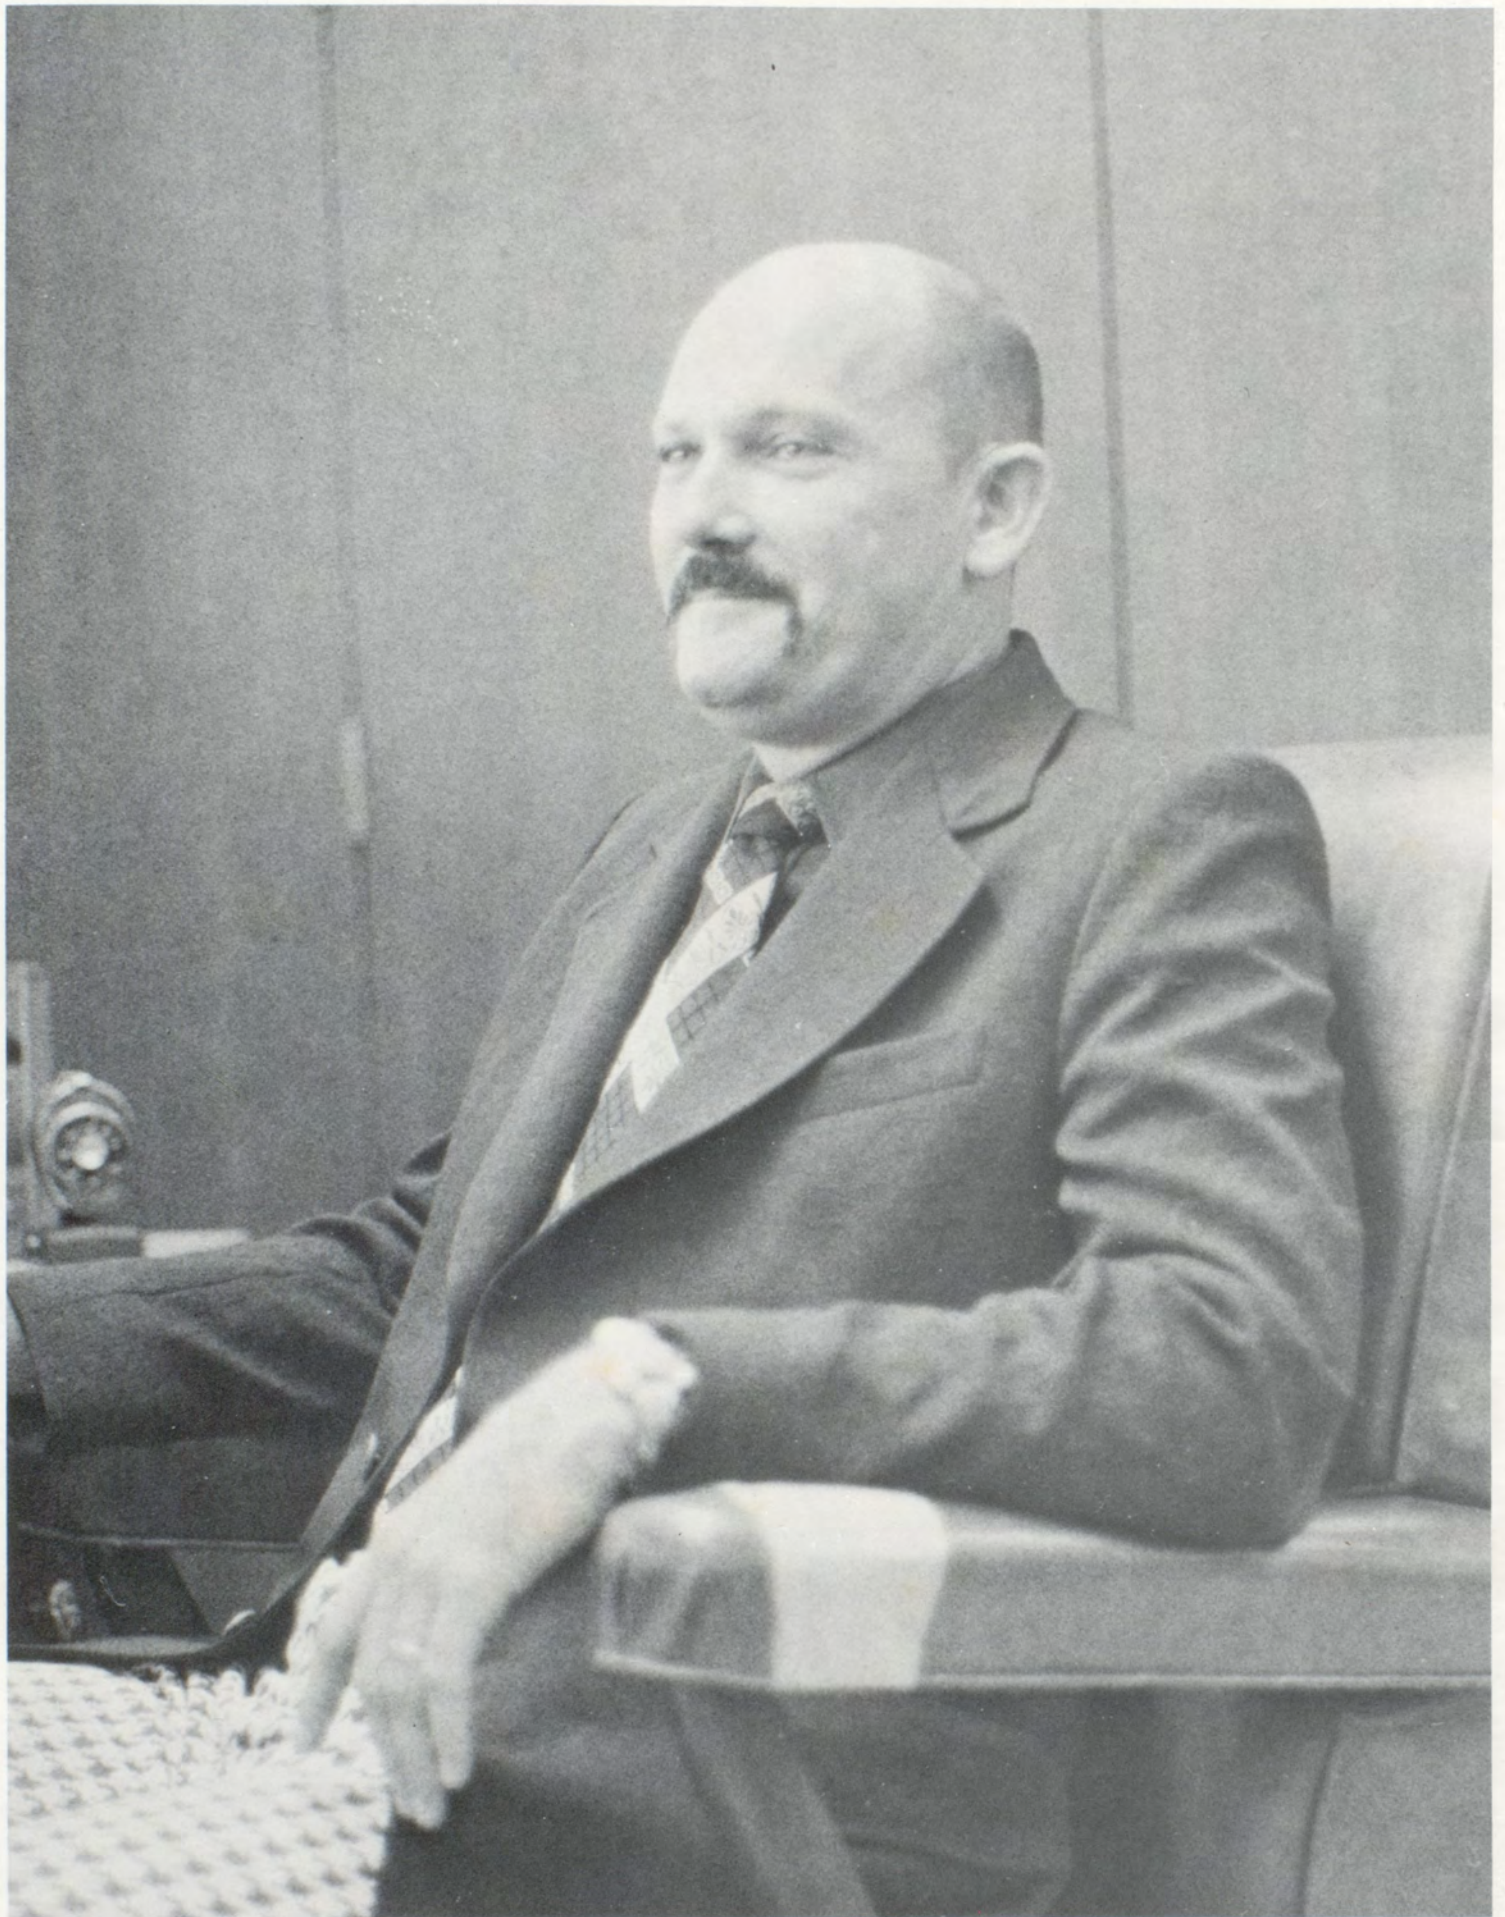

I have never been rich before,
But you have poured
Into my heart's high door
A golden hoard.
My wealth is the vision shared,
The sympathy,
The feast of the soul prepared
By you for me.
Together we wander through
The wooded ways.
Old beauties are green and new
Seen through your gaze.
I look for no greater prize
Than your soft voice.
The steadiness of your eyes
Is my heart's choice.
I have never been rich before,
But divine
Your steps on my sunlit floor
And wealth is mine!

Student Council is a club which consists of all the students in the school who are interested in helping others and the school and the community. All you have to have to join the club is the willingness to work and to help those less fortunate than yourself. This year we hope to do many projects to improve our school and community.

All members of the National Honor Society must maintain a 3.0 average in all their classes and they must receive the approval of the KWHS faculty and staff before they are accepted as members.

N.H.S. tries to help its members to become better and at the same time help others. One of NHS's biggest projects is the Teacher Talent Show—which was a great success again this year—also another big project is the Teacher Appreciation Day which I am sure all the teachers really enjoy.

The main purpose of Beta is to promote the ideals of honesty, service, and leadership among high school students.

Beta is an active club not only in the school but also in the community. For the school, we sponsor the Sadie Hawkins Dance and the Miss Key West High School Talent Show. For the community we collect goods for a Thanksgiving Basket for the elderly and Christmas gifts for orphan children.

The students who are approved by the faculty and gain membership into Beta, must maintain a 3.0 average the school year. The graduates receive a black and gold cord upon graduation.

The Interact Club of Key West High School is known for its service to the school and the community. Among our many projects, one stands out as being the one that brings the members closer together and that is our annual walk-a-thon for retarded citizens. There is a quality about each and everyone of our club members and that is striving to help others, therefore making Interact, one of the most respected clubs of the school.

Being an editor of the yearbook staff has really been an experience, I will never forget. The yearbook staff this year has taken upon themselves the impossible task of putting the memories of this year down in a book. We have all worked very hard to make this bicentinnal yearbook the best ever. We have tried to make it an interesting and imaginative book which we hope you will enjoy.

Editor—Mary Centonze

Connie Johnson—Editor

This year's annual staff has put in alot of hard work and effort to make this year's '76 Conch" a really great book! We have added many new things this year such as: The first 16 pages in full color, Senior superlatives and more pages. It takes alot of work to meet the deadlines we are up against. Staff members must learn to make layouts, crop pictures, write copy and put it all together to come up with a creative page to add to the book. I feel this years staff has done a really great job of creating our "1976 CONCH". I hope you agree.

Wow! What can I say? There's just so much involved in being on the Snapper Staff. I can't find the words to express what a pleasure it has been for me. It has been an experience I'll never forget. Being on the staff requires talent. One has to be talented enough to "write". The staff has been extraordinary this year. It's been a lot of fun working with the staff members. So, I hope in years to come it will be as pleasant for those to come as it has been for me.

ACTION FOR CHRIST

Since this is the first year for "Action for Christ", there have been many obstacles in the actual organizing of the club that we have had to overcome. But, as the year progressed, we became more aware of our own needs as well as the needs of the students, and we were able to establish our purpose. That was to present an effective Christian witness to the students of KWHS and the general public. Our activities were somewhat limited in that the club was just beginning. We had two major films over the year, the first being, "Thief in the Night", and the other, "Cross and the Switchblade". We had different community projects which included a Bicentennial affair, visits to the County Home, and Juvenile Home. Collecting for UNICEF, correspondence with the prisoners from Big Pine, and other services were more directly related to our outreach program. We had the usual money-making projects which chiefly included car washes, bake sales, and the selling of stationery, cards, candles, and "Jesus Bracelets."

As I look back over the year not only do I see our achievements, but also I see those times when we could have done more; however, we have grown together and at the same time we have learned from one another. My hopes are that as the years pass the club will become more dedicated, more determined, and more effective.

It's been a great year and I thank everyone for their time and patience in putting the club together.

Drama Club

This year's drama club has goals for the future such as the dental health skits, state assembly, clowns for children's birthday parties, street corner productions, one act plays at the Water Front Playhouse and District Assembly.

This club is unique in the sense that everyone is welcome and we have something to offer to all. Through workshops that are planned throughout the year, we learn about lighting, makeup, staging, the building of props and sets, and the techniques used in the theater. We offer the basic needs of the actor and actress mixed in with a lot of fun.

KEY CLUB

Key Club is a group of willing young men who offer their services to the school and community, along with the Keyettes, our sister club. Our first school projects will be the bonfire and the student directories along with a dance. We take in members beginning in their sophomore year through their senior year. All members must maintain a "C" average. I am proud to be the president and hope we have maintained the tradition of Key Club as being a hard working service club.

Key Club Officers Support Their Members.

To begin with, Keyettes is an all girls club with members from the sophomore, junior, and senior classes. Our main goal as a service club is to better our school and community in any way we can, having fun at the same time.

This year we have added a few new projects to our regular years roster, such as a Christmas party for the children at May Sands, a Dog Show, and a spirit contest to kick off Baseball season. Some of our biggest annual activities are: collecting presents for underprivileged children, the dog and cat food drive, and a Valentines Dance with which our brother club "Key Club" shares in the work load.

To end our year we plan on taking a weekend trip for all the girls that have worked super hard to make Keyettes the fantastic club it is.

CONCHETTES

This year marks the 20th anniversary of the KWHS Conchettes. The Conchettes are a group of very well-disciplined young ladies. A girl wishing to be a Conchette must be in high school, be willing to work for the group and have a desire to dance. Many lasting friendships are developed through the group as well as learning self-discipline. In the spring Conchette Capers is presented. Many long and hard hours of practice are devoted to the show which make it the group's biggest project. The dedication of each member is the prime factor which makes the group as strong as it is and this dedication will continue as long as the group exists.

This year's fighting Conch football team finished the season 4-6, but in no way can our success be measured by our record. For the first time since 1953, the Conchs got into the playoffs by beating Pace and Curley, the other two members of their district. Our season was marked by tragedies but still our team stayed together. We won together, we lost together and we cried together. This years coaches were Dave Matheson, John Pierucki, Tommy Roberts, Bob Menendez, Dave Evans, Bill Trout, and Terry Dilner. They've taught us many valuable lessons to be used both on and off the field. They taught us how to lose and how to win. They gave us belief in ourselves, our school and in God. But most of all they taught us how to be men, somethings that will stay with us the rest of our lives.

This year's basketball team played one of the strongest schedules in the history of Key West High School. Continually facing taller opponents, the Conchs were forced to hustle and scrap for every basket. A combination of good coachability, a willingness to learn, and a strong competitive spirit made this year's basketball team a pleasure to work with.

I started out unsure of myself, but knowing only how to fight back in order to win. We were small, inexperienced, and playing exceptional ball teams. We started losing, but the one thing these young men had was desire and determination. They fought back hard and won. With this attitude they'll be a great team for years to come—and successful in life even when times are rough.

The KWHS tennis team supports itself 100%. Even with no school support from the athletic funds, the tennis team continues to support itself with money raising programs and still continues the rigorous practice programs. These determined tennis stars of the future continue to keep another KWHS activity alive on their own and deserve recognition. If all students put this much effort into the things they did the world would be a better place to live and they would have a great feeling of accomplishment. With the lack of support of KWHS athletic events from the students and citizens of Key West, self-supporting athletic teams at KWHS may be coming in the near future. The KWHS tennis team hopes this will not come to be and only you can help.

MEMORIES

Memories are made of things
that happen everyday,
moments as we live them
things we do or say.
Little bits and pieces
of laughter mixed with tears,
paragraphs and pages
written through the years.
The care-free days of childhood
growing pains of youth,
a few illusions shattered
in the endless search for truth.
The friendships we remember
mistakes that we regret,
the beginning of a love affair
one we never could forget.
Yes, memories are happenings
each one a different kind,
each one's a separate chapter
that's printed on the mind.
We can't erase the sadness
or edit out the years,
can't undo the wrongs we did
or relive those wonderful years.
But since memories keep building
each day can be the start,
of making new and happy ones
to store within the heart.

MY BROTHER

How time flies when the one you love is
gone

The memories left only leave you torn.

To think of you is to think of joy
For remembering you as a little boy.

A boy who grew to be just like Dad
Who left us lonely, feeling sad.

For you life was so much fun
And now it's sad that it's all done.

But deep inside I know you're with our

Lord

Oh though accepting this tears within me
like a sword.

My brother I will never forget you
For I so dearly loved you too.

Oh brother, why is it so hard
When I know you're with our God.

Lord keep him happy for he can be bad
We entrust to you our loving lad.

Brother, until life brings us together
My love for you will remain forever.

IN MEMORIUM
JEANNE LEIGH RUSHING

Born October 14, 1959 Died July 10, 1975

LOOKING DOWN FROM HEAVEN

It seemed when you first left here
That the pain would alway stay,
And we tried so hard to reason why
You had to go away.

And when we finally realized
That you weren't with us any longer,
Then came the times when we would fail
And your courage made us stronger.

It takes time to put away the sadness
To bring laughter, it'll only be a while,
And to know you're not too far away
Makes it easier for us to smile.

For you're just looking down from heaven,
In a place where love lives free
And shedding tears for a world so dear,
While we wait . . too blind to see.

THE JOURNEY

From '73 to '76, its really been a great trip.
All the classmates are real close, like sailors on a ship.
And the ship went on a journey,
through four fantastic years.
It's seen the bummers at the games, and has heard
all of the cheers.
New friends came and old ones went,
and some friends were to stay.
To make up "crews" and "gangs" and "cliques",
that will be remembered all the way.
Somethings were taught in the classroom,
others were learned outside.
Things like respect and love and life,
and rules that we learned to abide.
And in four short years, we learned some things from friends
and family, that some never learn in their life.
How to cope with problems and how to live with strife.
And now as we are on the path,
to bigger and better ways.
We will take with us fond memories
of Key West High School days.
And who can ever forget the "crew", with all of the great guys
and beautiful chicks.
But most of all who could ever forget the great Class of '76!
