CONCH

Foreword

Some things increase in value as they grow older. This, I am sure, will be the case with your *1968 Conch*. In years to come it will serve as a convenient way to thumb through your memories of your years in high school.

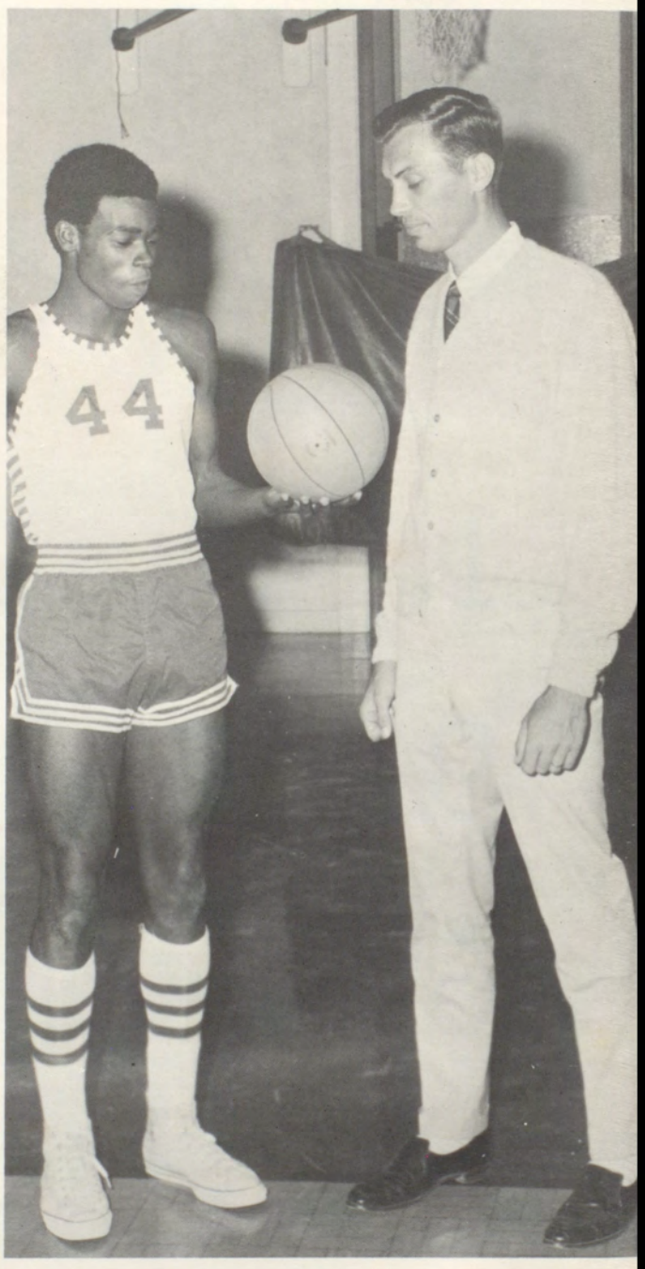

The annual staff has worked hard to capture in pictures and words as many of the people, places and events which made up the 1967-68 school year at Key West High School. If they have achieved this goal, this book will become one of your most treasured possessions and you will feel a glow of excitement whenever you open it and relive the school year by turning its pages.

I feel this year was a very successful school year, highlighted by the amount of responsibility shouldered by most of our upperclassmen. It is my hope that all of you will continue to meet your new responsibilities with success in the years to come and that your attendance at Key West High School will help you achieve your goals in life.

Sincerely,

Glynn R. Archer, Jr.

"She's not hiding anything behind that purse!"

"What do you mean my V.W.'s under there?"

Friends make a school year a great one. Friends are treasures. The treasured memories of your friend-filled days are captured in this yearbook.

"Oh, how I love to study!"

"I'd better hurry, the mob's coming!"

Bonfire 1967

"If you sold over $20 in the Magazine Drive, you won me."

A spirited student body attended the Bonfire and countless football games, the Freshman Class again came out tops in the Magazine Drive, and top vote-getter Shirley Mueller was elected Senior Class president.

Magazine Drive coordinator Mr. Harry Sandifer.

Shirley beat three boys for the Senior Class presidency.

"What these kids won't do."

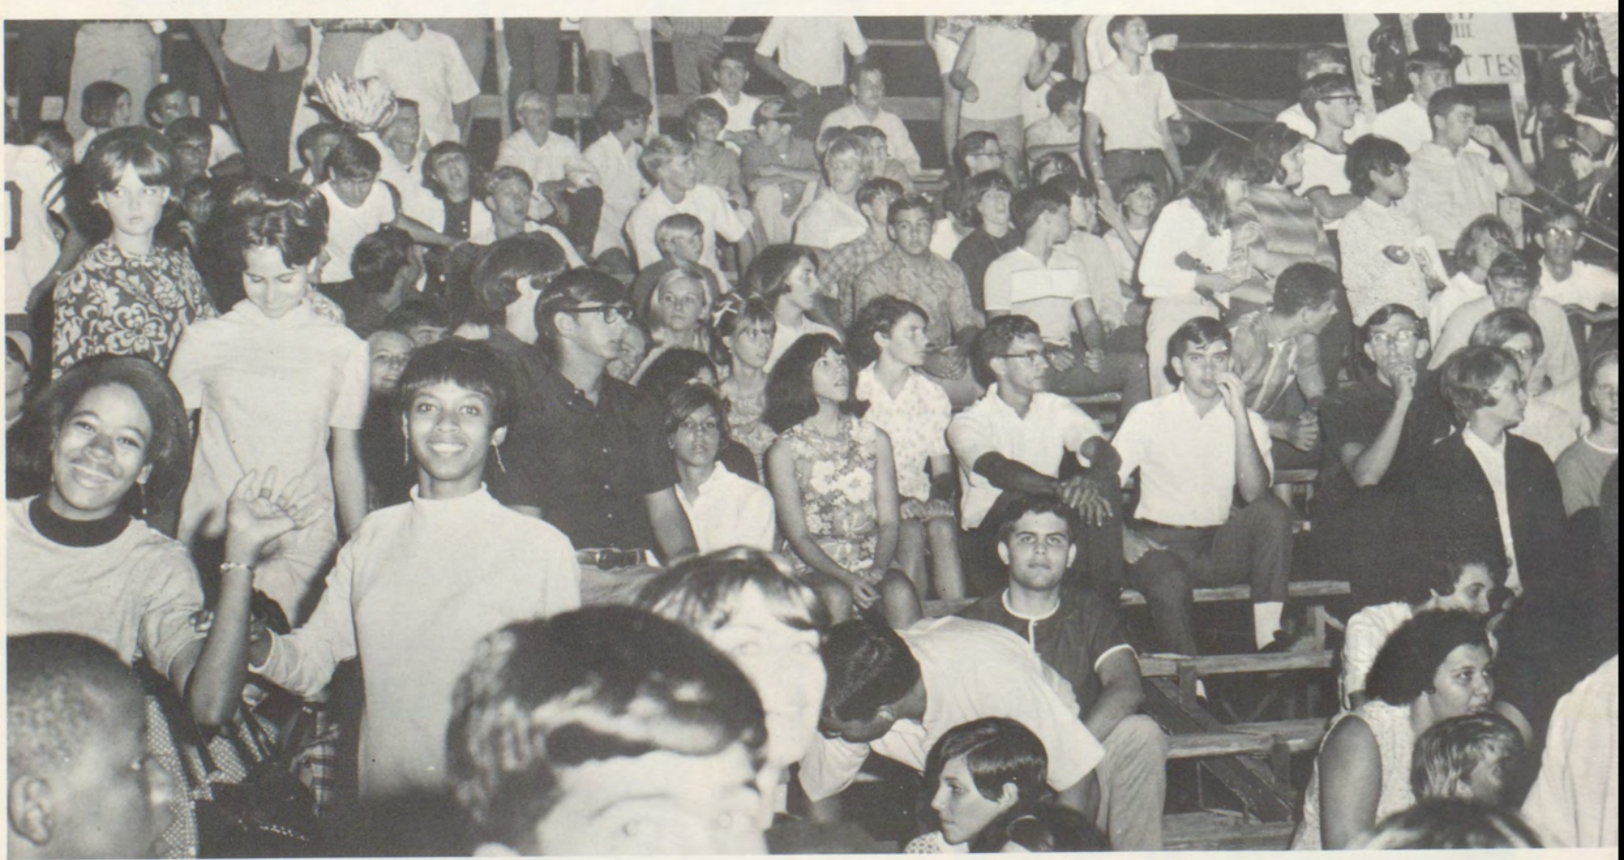

We second the motion!

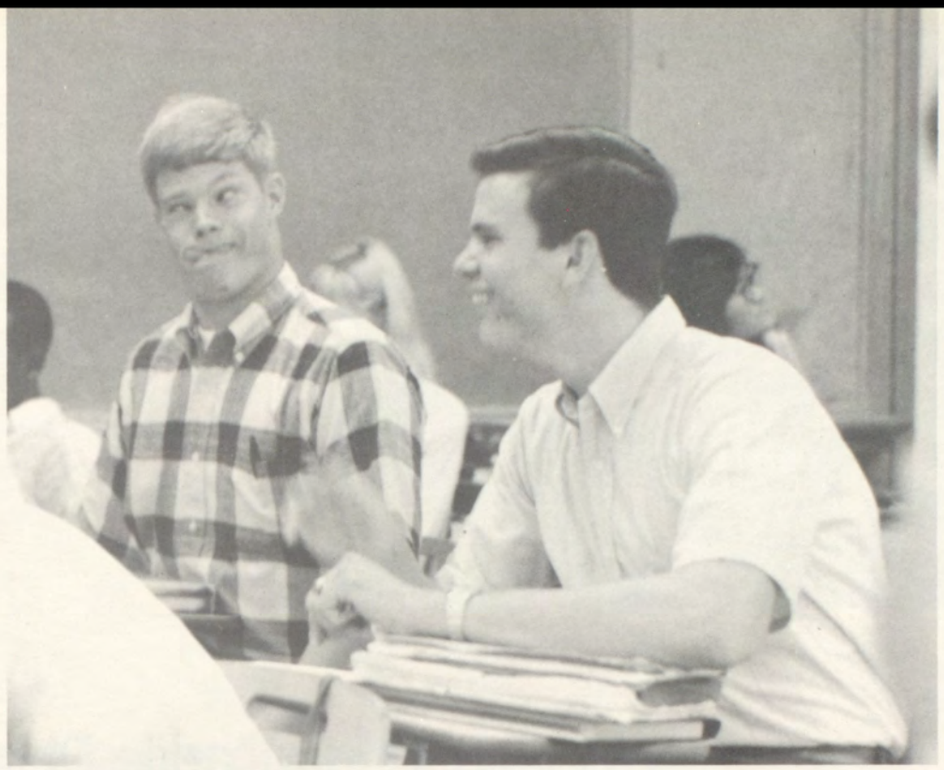

Well . . . it was still a good game.

That was the year that was . . . the team kept trying and the student body kept right on supporting them.

Students kept school spirit.

Ah, this guy's alright.

The routine of school proved strenuous for some, but clubs continued to operate, and students and teachers all survived.

Practice makes perfect.

Boy! You mean we'll be in the annual?

The Beta Club crowd.

Queen Linda Carlile Reigns

A silent awe engulfed the stadium audience as the envelope was opened and Principal Archer announced the 1967 Homecoming Queen—radiant Linda Carlile. The shed of tears was the first symptoms of happiness shared not only by Linda but by the many people and fellow students who attended one of the most memorable events of the year.

"Night Of January 16TH" — Presented

"You impudent upstart"

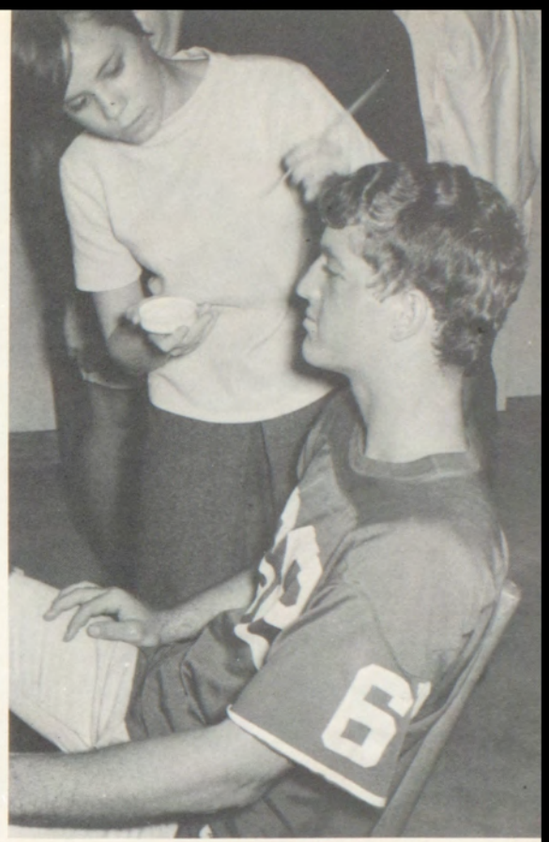

The cast is beaming after a successful presentation.

Now let's see . . .

Now hold still, it's only make-up.

By Senior Class

Let's cover up that mole.

If only somebody would do this every morning.

Aha! Caught without socks!

Senior Academic English students amused many with their excellent *Macbeth* interpretations, school went on as usual, and Christmas was near.

Honest Mrs. Abbey, I got up too late.

Who's misbehaving?

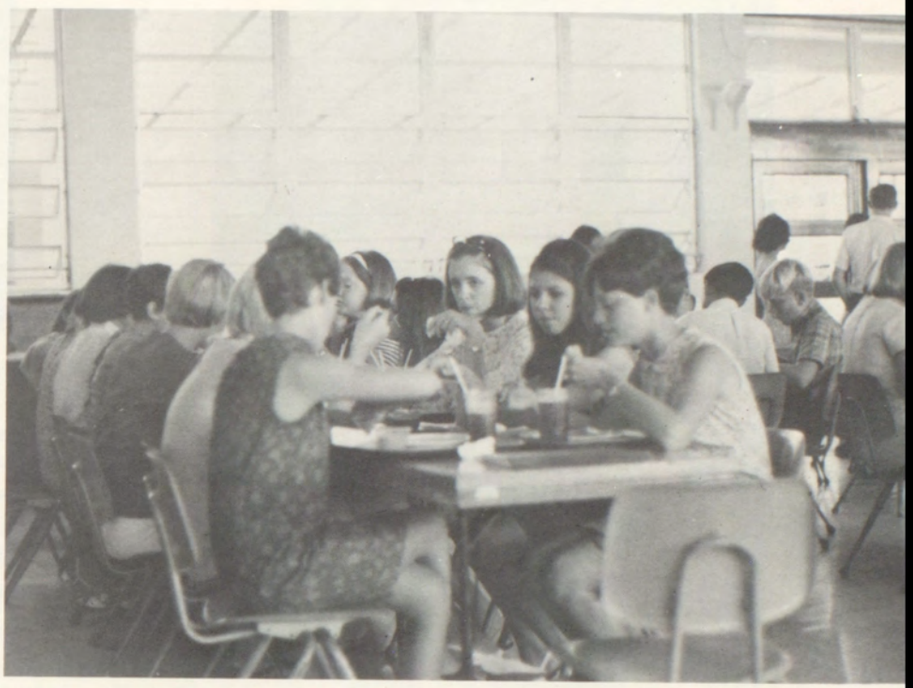

Here's one from Santa . . .

Shades of the Little Old Lady from Pasadena!

"The Lunch Bunch"

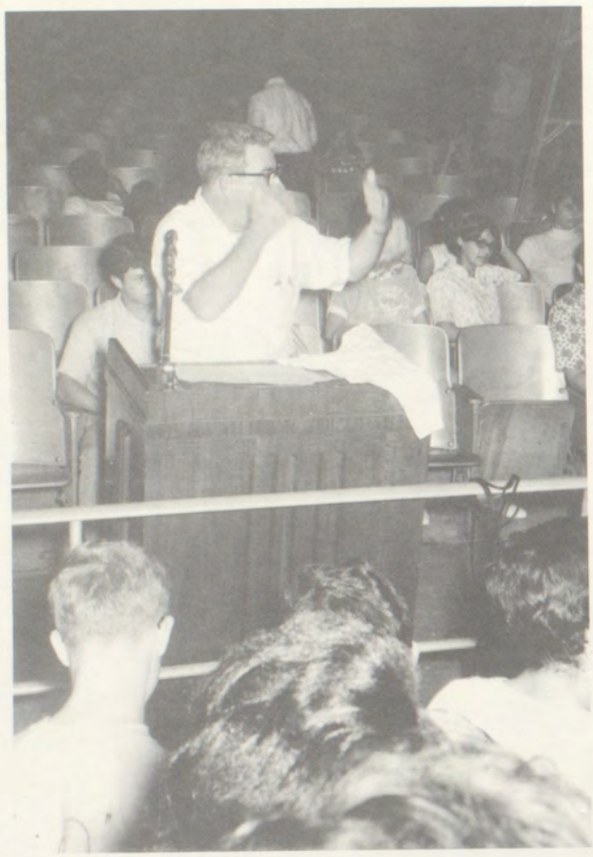

What is school without friends gathering in the cafeteria, and clubs selling baked goods?

This Key West weather is awful!

We baked them ourselves.

Mr. Whitley directs chorus practice.

Homeretta Gilpin, Mike Cochran, and Auther Henriquez accompany the chorus in "Deck the Hut with Coconut."

"The Gift To The Community" Brings

For the third year, a beautiful Christmas Pageant was presented to the public and the student body as "The Gift to the Community." The Chorus, Band, Majorettes and Conchettes combined to produce an inspiring, spirited program which was highlighted by the appearance of Jolly Old St. Nicholas.

The sacred part of the show was presented first with the Chorus singing such moving songs as "Adoramus Te Christe," "Ave Maria," "O Holy Night," "Mary Had A Baby," and "A Christmas Prayer."

Santa Claus, with "Twas the Night Before Christmas" set up like a story book, acted out the story of Christmas. To top the evening off, the Conchettes came dancing down the aisle to the tune of "Sleigh Ride," and ended with everyone singing "White Christmas."

The Student Council-decorated Christmas tree.

Robby Rucker and Barry Boza set up for Christmas Pageant.

I bet I know who you are!

Santa (Tony Cabanas) seems to be having difficulties.

Christmas Spirit

Who says Conchettes can't sing?

Rudolph alias Linda Carlile leads Santa's troupe.

The finale, "White Christmas."

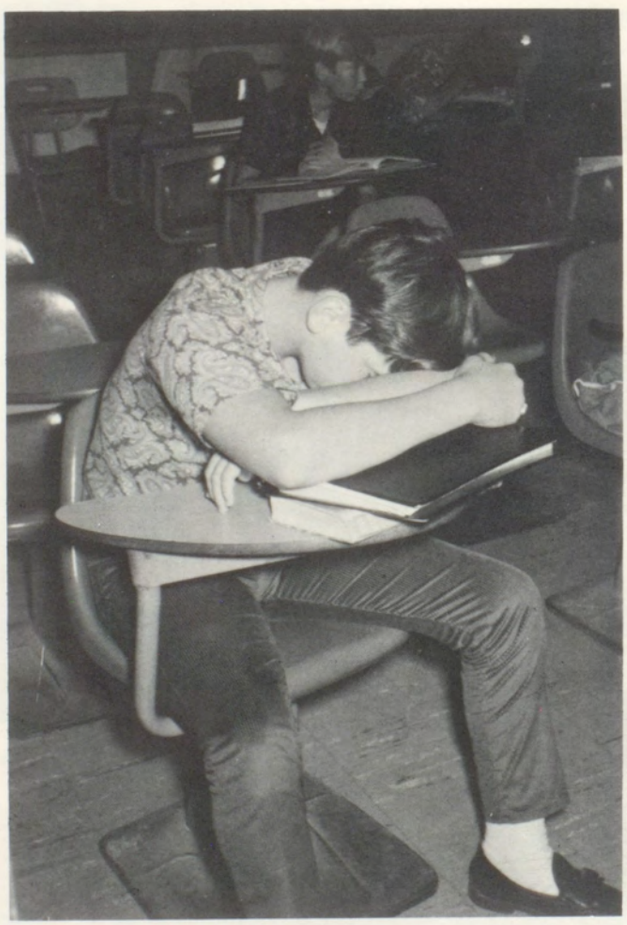

I can't take these kids much longer.

What do you want?

Christmas was over, and all wished Spring Vacation would hurry up. Basketball excitement was in the air, buses for out-of-town games were quickly filled.

Study Hall comes in handy.

Coral Gables, here we come!

HOT DOG!!

Hurry up, I can't hold this smile any longer.

"Deadline's near"

The Snapper Staff continued to publish an excellent paper, publishing eight before school was out in June. The Sophomore Happening in D-7 helped students appreciate poetry and the room decoration delighted onlookers.

T'was a Happening

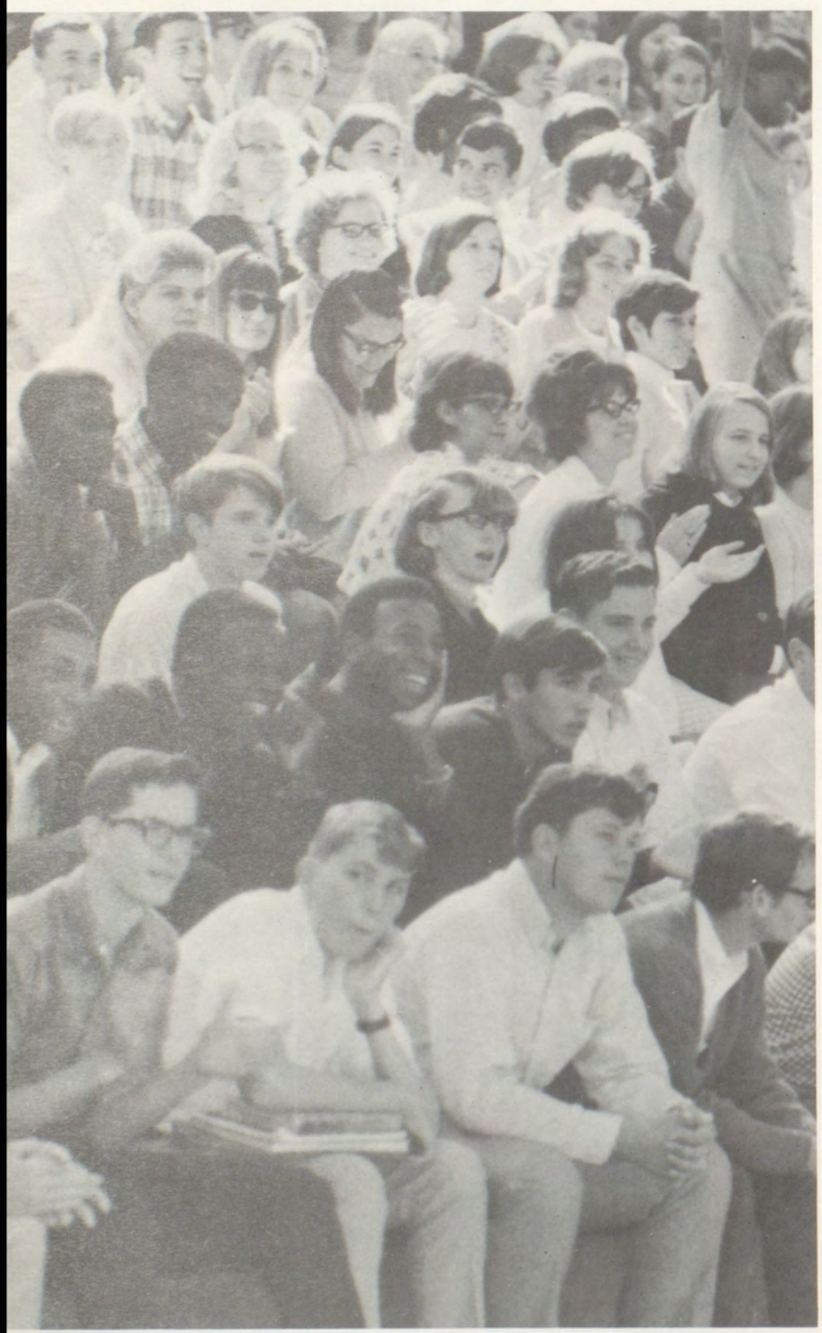

Student pride in their Varsity Basketball team was evident. What exuberant spirit at that pep rally when Superstar Ronald Harris got a standing ovation!

Good grief, Ron!

"One more time"

Who says I can't play?

Take that sign down, Juniors.

Construction for new wing continued.

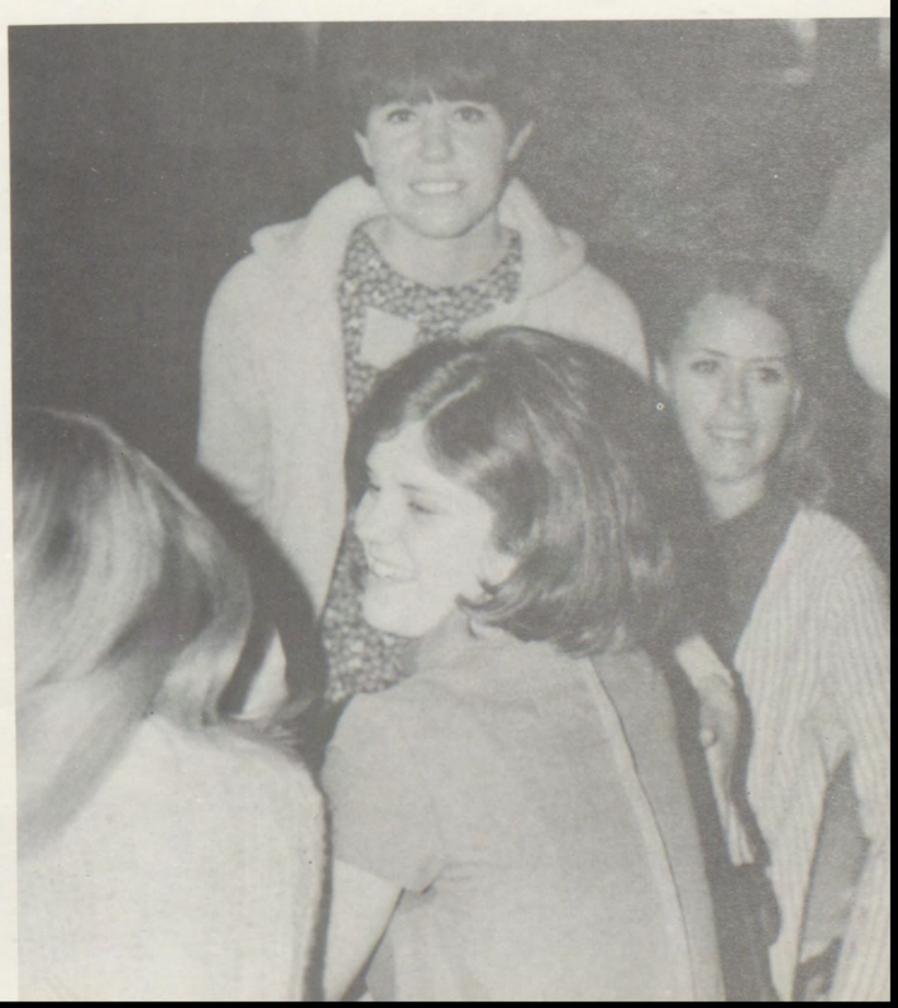

Construction on the new wing, pool, and track continued. The noise made all weary, but all anticipated the completion. School dances and trips to out-of-town games continued to dominate the student social scene.

"Cheer for the red and gray; Key West forever . . ."

The school year is a jolly time. It was that memorable day, February 5, that the Conchs were rated Number One in the state.

I'm just kidding.

And the beat goes on.

OK, we're ready.

Bend me, shape me.

Miss Junior Class of 1968, Vivian Sexton.

We knew you'd get it, Vivian.

The year went on. The juniors sponsored a dance and revealed their choice for Miss Junior Class of 1968.

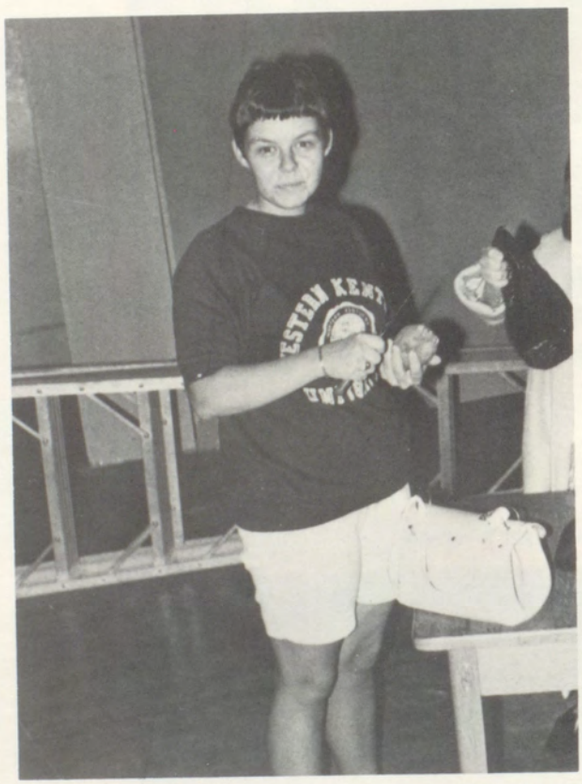

DECA Sweetheart Peggy Knowles

Peggy Knowles was the Sweetheart of the Distributive Education students. All seemed to be enjoying school more as the end loomed near.

Just horsing around.

I think I'll peel this potato and save it for munching later.

We'll just stride to class.

Oh no! He's trying to take my picture!

Guidance is a key word in a student's vocabulary. Guidance is help with present problems; guidance is help with the future; guidance is a friendly chat with Mr. Kelly or going over test scored with Mr. Cass; guidance is talking about a job opportunity with Mrs. Hawxhurst; guidance is many things, all of which is helpful to the students who take advantage of them. These three are constant helpers of the students, always ready to help, whatever the need is. Besides these duties they also work on the planning and presentation of College and Career Day which involves tremendous work. Over-all we can say we have a super guidance department, specially equipped with some of the finest counselors to be found.

Mr. Ed Kelly, counselor, lends a helping hand.

Students Get Competent Business Training

Because businessmen and women play a vital role in our society, it is essential that the high schools train and educate qualified people to fill the needs of the business world.

It takes many things to be successful in a business career. A knowledge of typing, shorthand, bookkeeping, and office machines is basic, but besides these, the business courses teach the students poise, confidence, charm, and other things helpful to business world aspirants.

"Tomorrow and tomorrow and tomorrow creeps in this petty place from day to day."

Once in every high school student's life he comes to study Shakespeare. This year's English classes enjoyed many class hours that did not seem at all like English classes, proving that learning can be fun.

Students enjoyed a real "happening," employed to increase student interest in poetry, writing of commercials, composing business letters, playing charades, and dramatic portrayals from "Macbeth." English classes also had their formal side of themes, book reports and vocabulary, and it was this combination of formal and informal that was most valuable to the student.

Key West High School has an extensive library which is used by students and teachers alike. Included are reference books, fiction, non-fiction, biographies, and a collection of newspapers, magazines, and journals. The library serves as a material center for students as individuals and as classes with a wealth of material for both reference and enjoyment.

Physical Education Keeps

In high school certain basic courses are required. These include English, Math, Science, and others. There is one required course, however, that is not like these, and that is Physical Education.

We often wonder why students must be required to take two years of PE; it seems that students would want to take PE in order to break up the monotony of a schoolday. PE is very beneficial to the students who take it. Besides the exercise, one learns things such as cooperation, spirit, sportsmanship, and much more.

Our school is lucky to have such a fine group of PE teachers who are devoted to the school and have such a great deal of school spirit, which might, by the way, be attributed to the fact that many of the teachers in this department are former students of KWHS.

Arts and Crafts; Humanities

Have you ever been in E-Wing and seen the display cases? If you have, then you know that our school can boast many talented and creative "artists." Talent is a wonderful thing because it brings pleasure to the artists and to other people. It is not enough to have talent though; one must know how to work and bring it out; that is the job of our arts and crafts teachers. They work very hard showing students how to bring out the creativeness and in many cases this is accomplished and the result is the creation of a "masterpiece."

One of the classes, woodcraft, gives the boys a chance to develop a talent that could be useful in the future. Many of the woodcraft students make furniture that has the place of honor in their homes.

School Proud Of Music Department

It does not matter if the mood is happy or sad, music is a medium by which to express ourselves in a beautiful way. If we look into music and study its background we would find the names of many men who have devoted their lives and talents to music. In our own school we have two such men, the renowned musicians Mr. Bill Higgins and Mr. Tom Whitley.

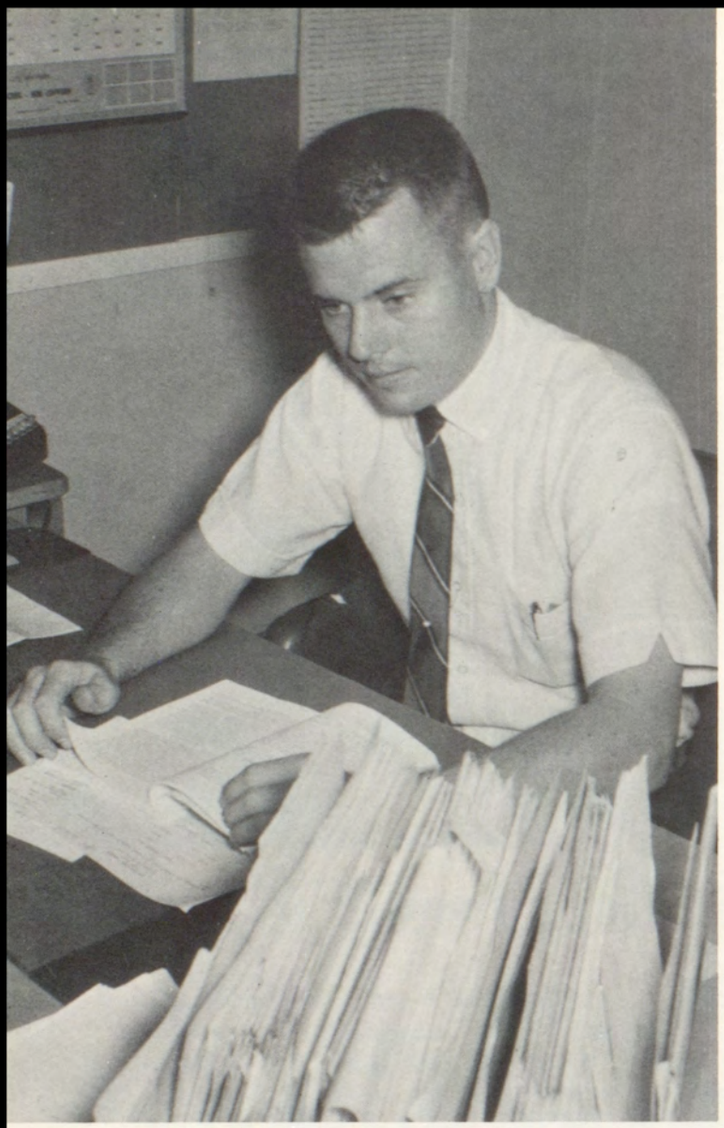

Mr. Higgins received the honor of being named one of the top ten musicians in the United States. That obviously is one of the reasons that this year the Band came back from Contest with another superior. Mr. Tom Whitley has also won acclaim. He stole the half-time show at this year's KWHS-Miami Jackson game with his solo on the clarinet. Both the Chorus and the Band are fortunate in having two well-qualified leaders.

"Preparation for the future" are the key words for Distributive Education classes. Part of the time is spent with book learning, too, yet in most cases it is actual experience which teaches one a skill.

DCT and DECA offer on-the-job training for young men and women. These students work in various stores in the community learning skills which become valuable assets to them. They learn cooperation from their fellow workers; they learn to cope with new and different situations; they learn to be with people and to please them; they learn how to stay awake while trying to study after their jobs are done. Is it worth it? These students seem to think so, and their employers, too. This is shown by the number of students who receive permanent jobs from their employers after graduation.

Home Economics usually proves to be one of a girl's most valuable subjects after she graduates and has a home of her own. It is in Home Economics that a girl learns the basic hows and whys of cooking, sewing, design and child care. She can then build upon these and add her own personal touches that make her an individual. Once in her own home she can use this knowledge to reach the goal of a good wife and mother.

These six seniors are very much a part of the graduation class but their pictures arrived too late to be included in alphabetical order.

Twelve years ago the '68 graduates began their long climb up the education hill. June 7, 1968 marked the end of a long struggle and the beginning of a new life.

As Freshmen, the Class faced many new experiences. They were entering a new phase in their life and would encounter many new situations.

As Sophomores, they had adjusted to the school schedule and started feeling like a part of school life.

As Juniors, they showed the great responsibility that they possessed. New rules were laid out and plans were completed.

As Seniors, they faced many responsibilities. They had outstanding school spirit at the Bonfire, pep rallies and football games and basketball games. This left a great impression on the underclassmen.

Perhaps one of the most cherished events in one's Senior year is the receiving of their Senior ring. The rings were a symbol of pride. The class of '68 started a new tradition, being the first class to receive their rings in a special assembly in front of the student body.

"The Night of January 16," was the title of the Senior Play. It displayed ability and talent. The Senior class showed participation and leadership when they ranked Number 2 in the Magazine Drive.

Perhaps the most memorable memories of a Senior Year are the Senior pictures, cap and gown measuring, ordering invitations, Conch Day, Field Day and Proms.

Graduation — The day every Senior looks forward to, but never really wishes to see, will be remembered by every member of our class. More important the class of '68 will be remembered in years to come as the class who left its mark in the page of KWHS history — Leadership, participation, pride, and enthusiasm — the Senior Class of '68.

President

All Classes

The Student Council under the leadership of President Janet Gonzaga is similar to a congress. It has elected representatives from each homeroom who meet together and discuss student problems, policies and projects. The Council serves as an arbitration board between the students and administration. It is under the very capable sponsorship of Mrs. Nellie Pantaleo who has served in that capacity for over thirteen years.

Student Council Officers: Jean Vagnini, vice-president; Scott Yeomans, parliamentarian; Janet Gonzaga, president; Luis Cobo, treasurer; June Faraldo, recording secretary.

Officers. BACK: Mr. Harry Harper, co-sponsor; Mrs. Roberts, sponsor; Debbie Strickland, treasurer; Jeff Giles, historian. FRONT: Bonnie Pickford, president; Marylin Skyes, chaplain; Ann Albury, secretary; Nancy Robertson, parliamentarian; Ruth Roberts, vice-president.

"We lead by serving others," is the motto of the Southernmost Chapter of the National Beta Club, an honor and service organization for sophomores, juniors, and seniors with a "B" average. Membership is based on the qualities of scholarship, leadership, achievement, and character.

The purpose of this high honor club is to promote the ideals of honor, service, and leadership among the students of Key West High School and reward meritorious achievement.

A few of the many projects sponsored by the club this year were the Christmas baskets, annual Sadie Hawkins Dance, bake sales, selling lollipops for charity, presenting high achievemnt certificates to freshmen rated in 95th percentile in state test, concession price list signs, polishing the auditorium walls, and many other servces to the school and the community.

Sponsors Variety Of Projects

The Keyettes whose goal is to serve others has done so very much this year. They decorated the goal posts for football games, polished the trophies, worked at concessions, held bake sales and dances. Keyettes is made up of girls in the 10th, 11th, and 12th grades who maintain a C or better grade average. The club stresses sound character and leadership ability and devotes most of its services to the school.

Key Clubbers Perform Many Services

Second semester freshmen, sophomore, junior and senior boys with good character, leadership ability and a minimum C average are eligible for membership.

The Key Club starts its activities with the building of the bonfire and ends with a state convention in Miami Beach. In between, however, the club provides such services as: football concessions and selling programs, sponsoring a school directory, working for the Salvation Army, sponsoring a Sweetheart Dance, Key Club Faculty Basketball game, working with the Kiwanis Club and generally, doing everything possible to help both school and community.

Bucky Wright, vice-president; Jeff Giles, president; John Hogan, secretary.

Open For Student Participation

The French and Spanish Clubs are two organizations composed of members of the Freshmen, Sophomore, Junior, and Senior classes. The main goal of each of these clubs is to promote interest in the French and Spanish culture and society.

Some of the projects of these clubs this year were school dances, bake sales, concessions and various other activities.

Future Nurses, Teachers Active

The Future Nurses of America is an organization formed for those who are interested in the field of medicine. The members have put great pride into what they do. They served as Candy Stripers at Monroe General Hospital.

Purpose of the Future Teachers Club is to increase the interest of students who have expressed a desire to enter the teaching profession. The only requirement is to take part in the meetings and show interest. This year the club sponsored concessions, bake sales, and a dance.

Last summer the largest Key West delegation ever traveled to the state capital to participate in Boys' and Girls' State. Students were able to learn and see for themselves how the state government is operated.

Participants held elections for office on the various state levels. Jack Spottswood was elected to the House of Representatives and the one girl delegate to Girls' State, Ann Albury, was elected Senator.

Thespians Dramatically Occupied

National Thespians is a fairly new organization at KWHS, but is one of the oldest dramatic clubs in the country. Its purpose is to promote interest and encourage participation in stage presentations as well as to train members in the dramatic arts.

In addition to producing Radio and T.V. plays of their own, they also give invaluable help in make-up for all class plays, and all other dramatic functions.

Newspaper Staff

Publishing an eight page newspaper that is of interest to the student body as well as meeting the standards of good journalism, is the aim of the SNAPPER staff. Members must keep up with the journalism class work as well as with newspaper story assignments. All that is required of a prospective member is willingness to work, and this often means giving up Saturdays, study halls, and free periods as the publication date nears.

The newspaper features club and sports news, features, and viewpoints of the students in order to present a well-rounded picture of the active school life.

In order to compile a pictorial account of the many events of a school year, it takes many long hours of work. There are constant deadlines to meet, pictures to be taken, layouts to be drawn, headlines and copy to be written.

The annual contains a picture of every student plus complete coverage of all sports, classes, clubs and activities.

The staffs' work begins in September and ends with the supplement submitted in June. Staff members work every morning for an hour plus many hours after school and even at night striving to put out a memorable record of the school year.

Mr. Whitley
Choral Director

The Chorus is a voluntary cooperative organization that can be no better than its weakest member.

The philosphy of the Concert Chorus, besides increasing sensitivity to beauty and creative interest, is to develop character through cooperative effort, self-control, patience, attention to details, a desire for accuracy, and the ability to take criticism.

Members take part in many community and school shows and receive continual praise for their performance under the direction of the talented Mr. Whitley.

The Key West High School Conchettes are a group of talented girls who work for the betterment and entertainment of the school. They perform at all half-time shows and present their annual Conchette Capers in the spring. This year they were honored by being invited to perform in the Orange Bowl on September 29.

The Conchettes are modeled after the Kilgore College Rangerettes, and was founded on 1955. Membership is open to all girls in grades 10-12. Girls must have aptitude and be of average scholastic ability, which calls for an overall "C" average. As well as these requirements, the girls must have a winning personality and a warm, winning Smile!

Through the strains of the fabulous "Fight Song," the KWHS Band added strength and stamina to the Fighting Conchs of "67." As each halftime show was presented, another was planned until at last, proof of their outstanding marching was demonstrated at District Marching Contest where they received straight Superior ratings.

The fast melodies moved quietly into the rich chords of concert season and early in December, the Christmas Gift to the Community was presented to a crowd-filled auditorium. "Pop" concerts were given throughout the remainder of school and once again the band finished the year with that tearful "Pomp and Circumstance."

William Higgins proved he is excellent director as he was named one of the Top Ten Band Directors in the United States.

Majorettes Add Sparkling Elegance

The majorettes worked very hard this year toward very successful half-time shows during the football season. They had several featured numbers, plus a fire baton routine, and also participated in District and State contest routines receiving a Superior rating. The majorettes have earned a "Superior" as a corps for eight consecutive years.

During the year they appear in the talent show, Conchette Capers, and during the Band Concert season they are featured in a special routine.

Majorettes sponsor a Mid-Term Dance and perform such services for the band as sponsoring bake sales, ticket sales, and the annual Tag Day.

The majorettes make their own routines. Mrs. Mitzi Martinez is the new director this year. She has had much experience in twirling and as a director.

They have to maintain grades no lower than a C average. Tryouts are held at the end of each school year and during the summer. A solo and corps routine is required.

In order for students to function properly as a whole, school spirit must be included. Through the efforts of the Pep Club, school spirit is one mass, full of life and vigor.

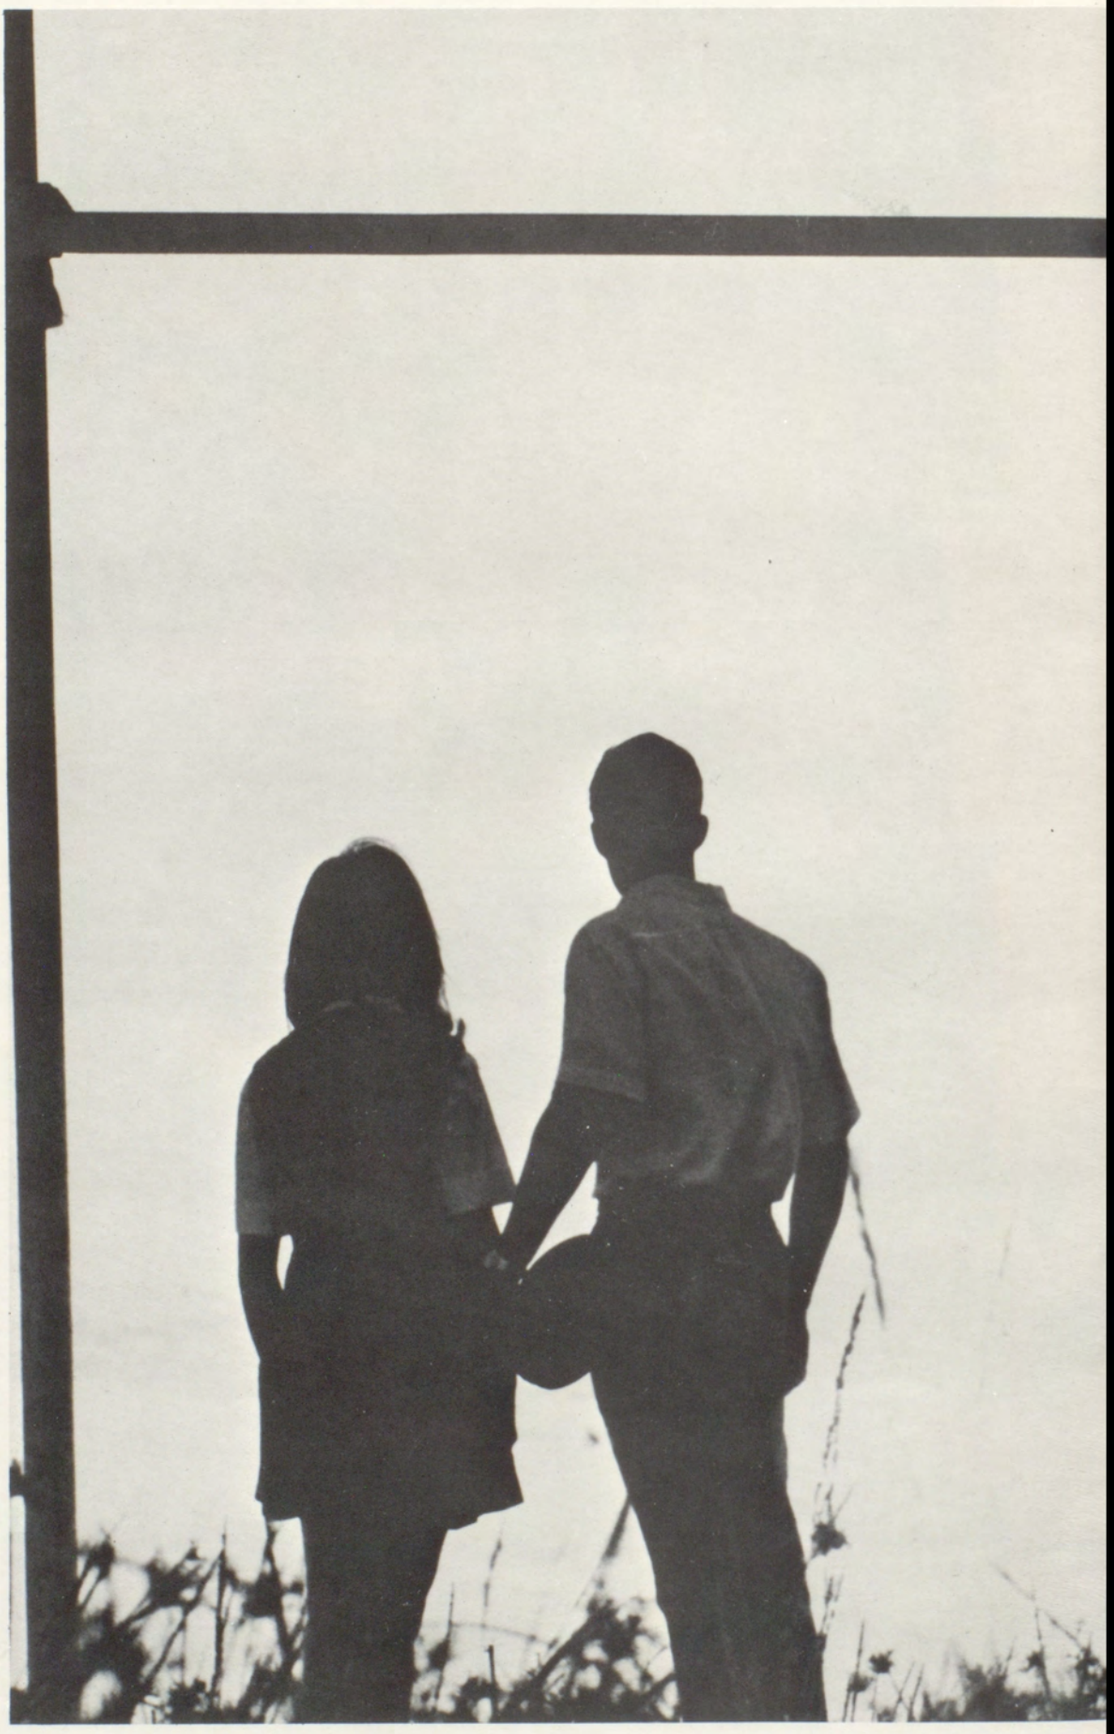

To acquire membership into the Pep Club is relatively easy; one must have a "C" or better average, show an interest in the school and its activities, be willing to give time and effort to the promotion of school spirit, and maintain the general qualities of a good sportsman.

It Was A Winless Season

The Conchs were stung by a host of Stingarrees, namely Miami High, on their first game of the season. They were defeated 48-0. Key West came back strong against No. 2 ranked Coral Gables with full force and put up a good fight but failed to win.

The Conchs tried their best in all their games and Homecoming was no exception. South Broward overpowered the Conchs by taking advantage of their weaknesses. Although we weren't winning, the student spirit remained high which was of great help to the team.

They tried their best against South Broward.

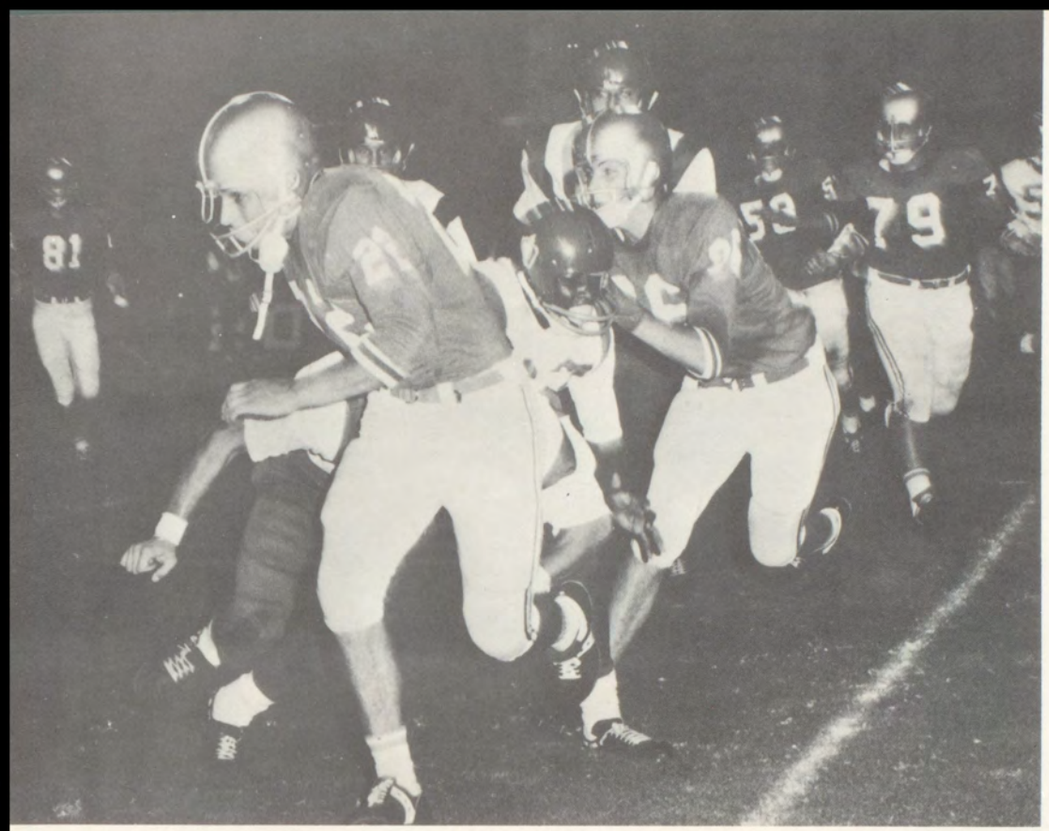

The Conchs gave Gables a good fight.

The Conchs watch Miami High in action.

Time was not on the Conch's side when they played Pompano. They tied it up in the second quarter but Pompano didn't give up and again went ahead. Key West had to play a catch up game in which time ran out. Jackson was even more impressive as the Conchs were dropped again in another loss. The season ended for the Conchs with a winless season.

Mike Reeder ran 80 yards for Key West's first touchdown of the season against Coral Gables.

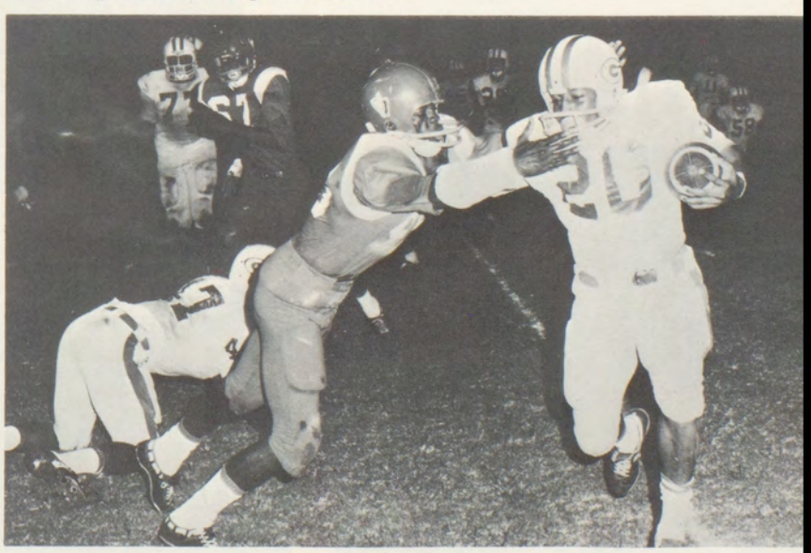

But Conchs Never Stopped Trying

If they don't get him now, they never will.

Many opportunities to score and win were lost because of a fumble or a dropped pass. They played teams that were out of their class but let it be known that the Key West High football team never stopped trying.

Don't stop me now, I've got work to do.

1 Tie, 1 Loss

The Junior Varsity Conchs stole the football season spotlight. They had a season record of 3 wins, 1 tie, and 1 loss. Fans crowded the stands to watch the little but strong and speedy J. V. Conchs.

They scored 116 points and held their opponents to a total of 67 points. Future Key West Varsity football looks brighter with the present junior Conchs becoming varsity in the next few years.

"School spirit" is the motto of the Varsity Cheerleading Squad. Seven vivacious seniors and juniors take this phrase as the key words they wish to follow. They live up to their words by raising the students' spirits during football and basketball season and keeping it at a fever pitch.

Money needed for the many away trips is earned through bake sales, concessions, and the selling of pom poms.

Personality, appearance, moral character, and scholastic abilities are among the other words which characterize a cheerleader. Aside from this, a cheerleader must have a strong desire for her job which is not always an easy one.

Born in Ohio where he played varsity basketball for three years, Fedor attended College at Florida State continuing his basketball career. He won a place all three years on the All-State College team, the Most Valuable Player Award in the Gator Bowl in 1960, Florida State's Outstanding Athlete Award in 1962. After his graduation in 1962, he played professional basketball with San Francisco for a brief period.

The K. W. fans supported their team all the way.

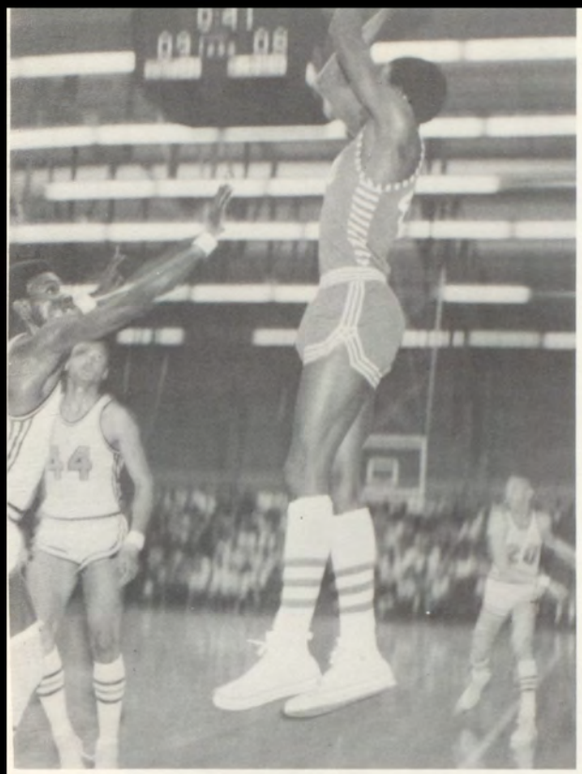

The Conch-Curley clash which so many had long looked forward to had finally arrived. The date was February 17, 1968. The place was the Miami-Dade Junior College Gym, Miami, Fla.

Early that morning 12 busloads of students started the long journey to Miami. Hundreds of other fans left by car to see their team compete in the Greater Miami Athletic Conference Championship Tournament.

The game was filled with action from the moment the opening buzzer rang to the sounding of the closing buzzer. The 1700 fans noticed that the Conchs weren't playing as they should be. They also noticed the absence of Lou Albury and the swollen mouth of Ron Harris. A few bad breaks for the Conchs made a 53-51 score seem worse than it really was as Key West was defeated for the first time.

The clock moved faster until time ran out. Key West fans took a long look at the scoreboard clock that read: Curley 53, Key West 51. They were disappointed of course, but pride still filled their hearts. The Conchs had battled back from a nine-point third quarter deficit and almost pulled it out. The fans never stopped cheering and knew their team was still the best. Now they were looking forward to another possible meeting with Curley.

Bill Butler is jumping high for those extra points.

The score was 31 to 27 in Curley's favor.

The fans were hysterical!

Key West was given another chance with Curley to prove that they were the Number 1 team in the state. The date was March 9, 1968. The place was the Miami-Dade Junior College Gym. Again busloads of students left for the long trip.

The Conchs were really ready this time and aimed to prove it. The game was just as exciting as the last one right down to the last second.

Defeat looked near for the Conchs when the score with about 4 seconds left read: Visitors 52, Home 53. Key West couldn't accept this!!! Quinton Thurston made a long shot which rolled around the basket but big Mike Raymond was there to sink it in and win the game and the Regional Tournament for Key West.

The fans rush to the timer's table.

The question was asked, the answer was given. Key West won.

Key West Wins Regional

The boys expressed the happiness that they felt after winning the Regional 4 AA Tournament and a big win over Curley.

Key West fans knew that they were the best and had always been no matter what the polls said.

The excitement was so immense after the game that the presentation of the trophy had to be in the locker room.

There was some dispute whether or not the last two winning points were good but the timekeeper confirmed our belief.

Butler carries out the Christmas Tournament Trophy.

Scott carries out the 16 AA Tournament Trophy.

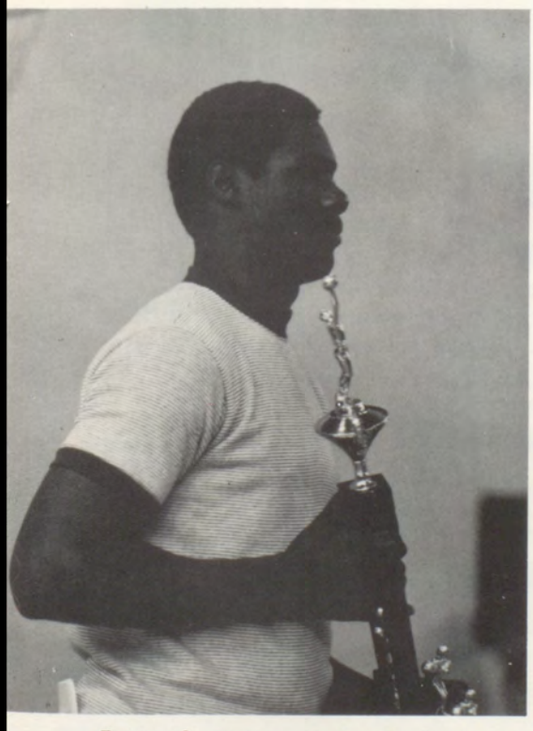

The Conchs arrived back home around 8:00 Sunday night. They got a royal welcome at Pine Key and were escorted back to Key West.

Arriving at the Key West High School, they were welcomed by about 3,000 fans. They were each awarded with gold records, 'We're a Winner,' among other awards. The Conch team then boarded the red fire engine and proceeded through town in a motorcade.

And State Tournaments

Raymond carries out the Regional 4AA Tournament Trophy.

Coach Dave Fedor always knew that they could do it.

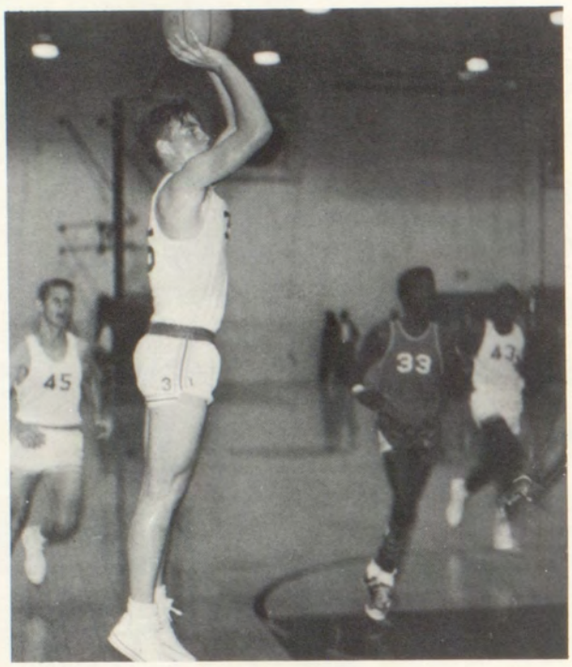

Harris carries out the State Tournament Championship Trophy.

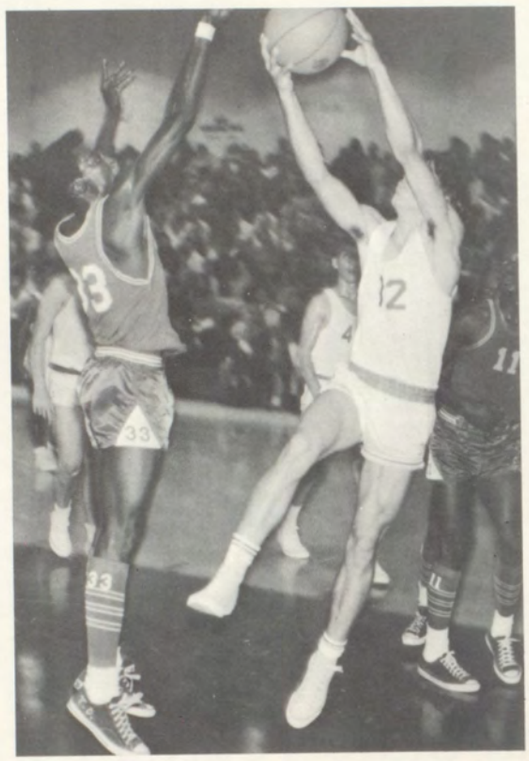

Key West drew Sarasota for the semifinal of the State Tournament. Sarasota was a hard team to beat but the Conchs, being the best team, did it.

They played Orlando Evans in the final game, pulled it out and became the State Champs in the State of Florida for the first time in Key West history.

In school the following Monday, a special assembly was held in their honor. *Yes, we were State Champs!*

Junior Varsity Finishes

The Junior Varsity had a hard time getting started. Some nights they would have trouble and some nights they wouldn't. Most of the games that they lost were by a very narrow margin. Coach Cabanas says that the reason for these losses "was the lack of good ball handlers on the team and their inability to handle a press put on by the other team." The boys tried hard in all their games and each loss was felt hard.

They improved with each game as the season progressed.

The Freshman Basketball team showed great possibilities as they played well. This was the second year for the Freshmen under the coaching of Coach Avant. They lost the majority of the boys that they had last year, but this didn't stop them from having a reasonable season.

FRESHMAN TEAM: Front: Rodney Wallace, Gene Raynor, Gary Stockstill, Bill Spottswood, Floyd Sands, George Holcomb, Willie Williams. Back: Coach Omis Avant, Thomas Butler, Bernard Thurston, Rogers Roberts, Robert McMurry, George Hilburn, Tony Davenport, Calvon Ashe.

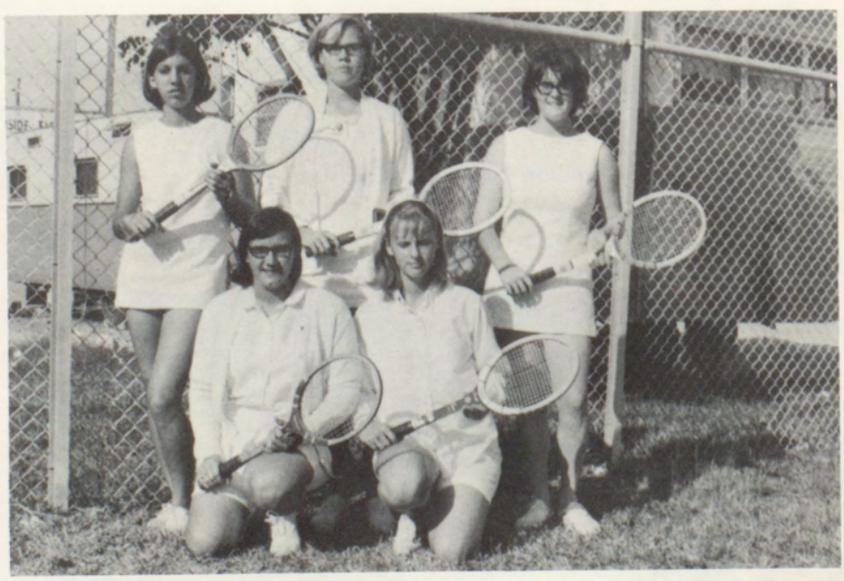

FRONT ROW: Debbie Drudge, Candy Weech, Benita Drake, Irma Benitez, Terry Yeomans, Nancy Bacle, Brenda Becherink. MIDDLE ROW: Dale Ford, Cynthia Domenech, Vicki Lockwood, Marry Pfund, Angie Russell. BACK ROW: Elsa Marchan, Debra McMurray, Kathy Kondas, Kathy Wickers, Rosemary Kruzick, Juliana Jenkins, Donna Hockman, Kathy DePoo, Joan Kelly Theodore Mauss.

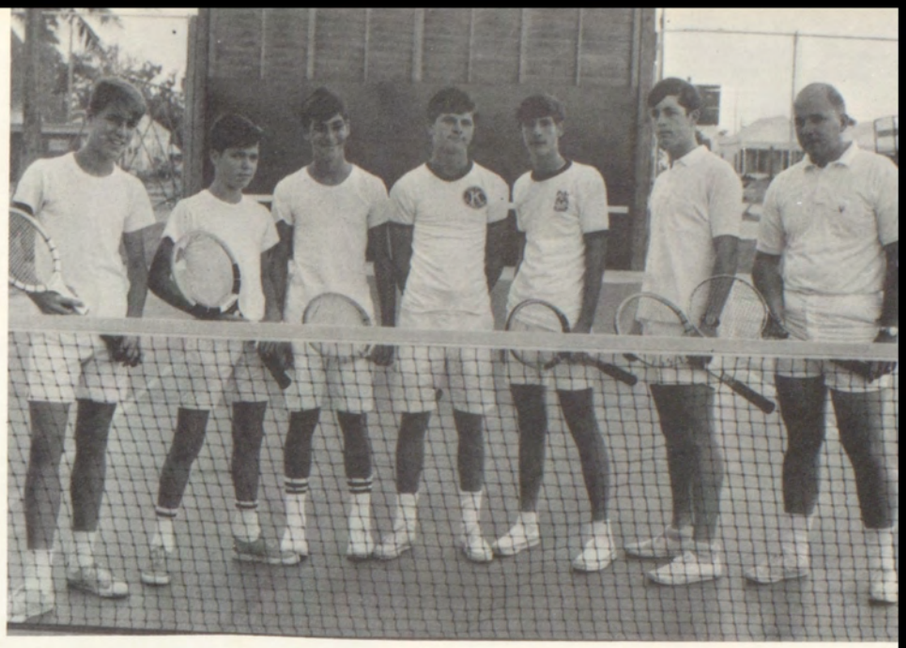

Girls' And Boys'

FRONT: Angela Russell, Vicki Lockwood. BACK: Cynthia Domenech, Mary Pfund, Dale Ford.

The Boys' and Girls' Tennis Team receives little recognition for the long hours they put into practice, and the physical strain they undergo. They started practice early in the year, which allowed them to be at their best when playing the Greater Miami Athletic Conference opponents.

Under Coaches Sandra Wickers and Jim McKell, both boys' and girls' teams are only another proud asset of Key West High School.

Epilogue

We have taken you through the school year with Elaine Reynolds and Stuart Lilly, recapturing the events and people as they were in 1967-68 so that you will remember and cherish them always.

Freshmen, sophomores, and juniors still have Key West High years ahead, but to Seniors of 1968 Key West High School will soon become a fading memory.

We, the editors of the 1968 CONCH will be leaving KWHS also, but we will never forget this year. This book will serve as a remembrance of all the happy, sad and exciting times.

We hope you will treasure this book as much as we do.
