We the Seniors of 1985, proudly dedicate our annual to Mrs. Betty Widener. Through her teaching, devotion, love and kindness, she has given us the strength and courage to succeed in life.

We thank and love her,
Seniors of 1985

*Fate reaps our finest fruit,
but young friendships never die*

1969-84

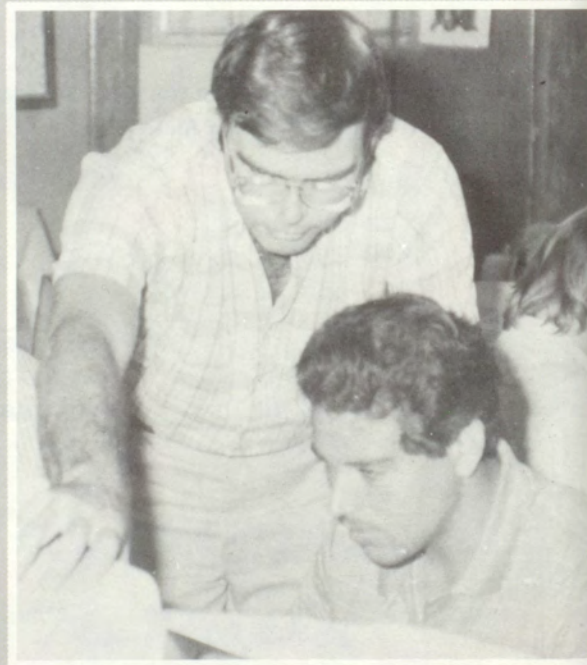

"When you part from your friend, you grieve not, for that which you love most in his absence as the mountain to the climber is clearer from the plain."

*Kahlil Gibran
The Prophet*

I would like to extend my deepest gratitude and appreciation to the 1984-85 Conch staff. Without their help and dedication, the making of the 1985 Conch would not have been possible.

Thanks guys,
Benita Melvin

Since you've been away,
We've been down and lonely.
Since you've been away,
We've been thinking of you.
Trying to understand the reason you left
us.
What were you going through?
How we're missing you.
Tell us why the roads turned.
How we're missing you.
Tell us why the road turned.
As we look around
We see things that remind us.
Just to see you smile,
Made our hearts feel rejoiced.
We still recall
All those dreams we shared together.
Where did you run to boy?
How we're missing you.
Tell us why the road turned.
How we're missing you.
Tell us why the road turned.

Sometimes we've wondered, we didn't
understand,
Just where you were trying to go.
Only you knew the plan.
And we tried to be there,
But you wouldn't let us in.
But now you're gone away, boy.
We feel so broken-hearted.
We knew the day we started,
That we were meant to be.
If only you would let us.
We're cried so many tears.
Gotta face all of our fears.
We let time slip away.
We need you boy, here today.
There was so much you gave; To our hearts, to our souls.

There was so much of your dreams,
That were never told.
We had so much hope for your future.
Why were you, our flower, plucked
away?

My Alpha Theta

Mu Alpha Theta

Carla, are you the only one that does any work?

Scott always has a smile for the camera, but what's Melissa doing?

Mu Alpha Theta is one of the most select groups of Key West High School. It is a club in which most academic students seek membership. A student must have completed two years of college preparatory mathematics with a "B" average and enroll in their course to be eligible for this club.

The activities of the club expand the horizons of the mind and make clear cut decisions on character and citizenship. The members of Mu Alpha Theta are examples of what other students at KWHS should strive for.

This year will be even bigger and better because of the quality of the membership.

Key Club is a school and community service club whose main objective is to help others who are less fortunate than ourselves.

Some of the Key Club's activities this year included May Sands Christmas and Easter programs, volunteer work at the hospital, a co-ed basketball game and hopefully a state convention.

Key Club's prestige grows with the years as does its membership. Members must maintain a 2.0 average and remain active through the year.

It takes more than new bridges to link the Florida Keys.

Our chain of islands compose a county like no other in the United States, and just as our transportation needs are different, so are our financial and commercial needs.

Now with our new Key Largo and Key West branch offices open, The Marine Bank of Monroe County has linked the county with one locally owned, locally operated financial institution. We've been taking care of business in the Keys for more than 27 years now. We've learned what special services the Keys need. So now, no matter where you live or where you work or how many bridges you cross in the Keys, your hometown bank will be nearby.

The bank that grew up in the Keys.
