These are the best times,
the moments we can't let
slip away.

Life's little game we play,
living from day to day.

But once in a life time;
a minute like this is ours
to share.

Remember the moments well,
for moments like this are
rare as dreams and
golden rainbows,
soft as nights when
summer wind blows by.

Together we laugh and cry,
together we'll learn to fly.

Come take my hand,
together we'll cross the
timeless sands,
chasing the endless sun,
living our lives as one.

Student Council

The aims of the Key West High School Student Council are to encourage good citizenship, to promote harmonious relationship, to coordinate school activities, to instill proper attitudes, and to provide a forum for student expression. The student who takes an active part in the student council gets the feeling of belonging, that the school is his school, and that the people there are interested in him and what he has to say. His views are welcomed and some of his ideas may even become some part of school policy. He learns how to work with others in friendly cooperation; he learns how to accept responsibility and to bring a project to successful completion.

Snapper

The Snapper has seen a great year with a new staff and sponsor (Mr. Klip Smith). It was a tremendous learning experience for everyone involved, and one they'll always remember. Every staff member gave his or her best to meet the deadlines and responsibilities, (often the going got rough) but it was well worth everyone's combined efforts. The finished product was a payment that we could all see and be truly proud of. The Snapper is a proud tradition at K.W.H.S., being the voice of the student body; and the 1977-1978 staff has seen that tradition carried on once again!

1977 found the Key West Conch football team with a new head coach, a new system, and one of its toughest schedules. With an overwhelming spirit of unity this group matured in a disciplined football team which kept cool enough to come from behind when necessary to accumulate its 9 victories.

This group of young men, under the direction of an outstanding staff of coaches, has broken numerous records and gone further than any team in Key West football history in the State Play-off Games.

BACK ROW L TO R: Anthony Tolbert, Nelson Carey, Mike Cooper, Robert Neal, Troy Brown, Jere Nulisch, Danny Johnson. FRONT ROW L TO R: Louis Chapman, Coach Marty Arnold, Ralph Chapman Not Pic. (Kevin Lewis)

Our previous Basketball season brought much bad publicity and thus caused us to pick players of lesser ability, but with more desire. As the season started there were doubts in my mind if we'd win 5 games. But as we progressed I could see marked improvement in many individuals. But win or lose it was a pleasure to coach a fine group of young men. In the future they too will develop even more as have others. They have been and will be an asset to our program and our school.

Coach Marty Arnold

Danny sets up for jump shot.

Louis taps the ball back up for two.

The 1978 baseball season should be an exciting one. With only 4 experienced veterans returning, The Conchs will have to rely on their speed and hitting until the moundsmen get into form as the season progresses. There is no doubt in my mind that we will score runs but our defense and pitching will have to come on strong if we are to make a run for the state title.

Coach Pedro Fraga

Coach Pedro Fraga, Assistant Coach, Jo DiFablo

Who says girls can't play varsity sports? And who says it can't be fun, too? Volumes could be written about the looks on these faces. Dedication, endurance, hard work, enjoyment, concentration, comraderie—all these characterize the Varsity Girls' Softball team. With a commendable record in 1977-78, and great new plans for 1978-79, the newest Varsity Conchs ask for your support, and at the same time promise their best efforts for many softball seasons to come. See you at the stadium!

To The Graduating Class Of Nineteen Hundred Seventy Eight

Often your tasks will be many,
And more than you think you can do,
Often the road will be rugged
And the hills insurmountable, too
But always remember, the hills ahead
Are never as steep as they seem,
And with faith in yourself start upward
And climb 'till you reach your dream,
For nothing in life that is worthy
Is ever too hard to achieve
If you have the courage to try it
And faith in yourself to believe—
Believing is a force that is greater
Than knowledge or power or skill
And many defeats turn to triumph
If you trust your wisdom and will—
For you can be a mover of mountains,
There's nothing that you cannot do,
So upon graduation, remember in your heart
To climb till your dreams come true.

The Stuff of Dreams

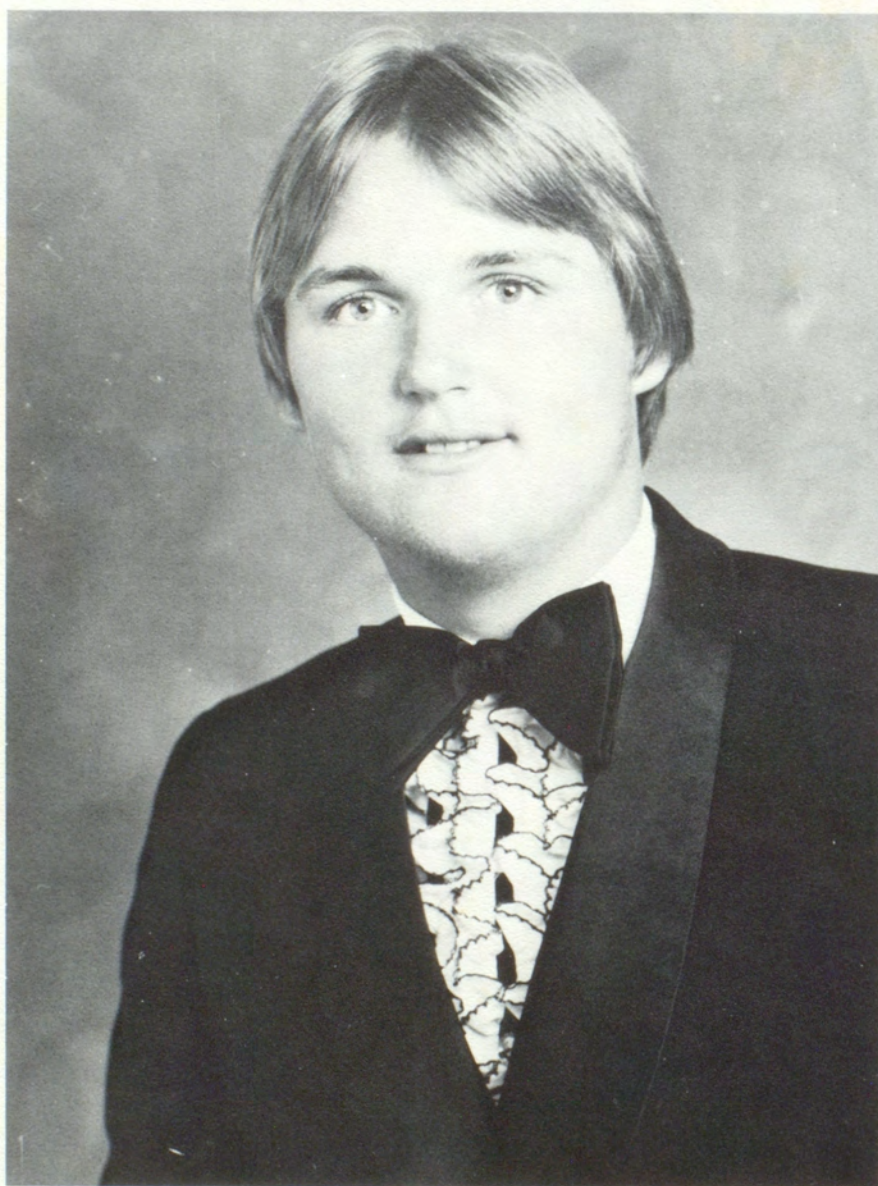

Our revels now are ended. These our actors,
As I foretold you, were all spirits, and
Are melted into air, into thin air.
And, like the baseless fabric of this vision,
The cloud-capped towers, the gorgeous palace,
The solemn temples, the great globe itself—
Yea, all which it inherit—shall dissolve
And, like this insubstantial pageant faded,
Leave not a rack behind. We are such stuff
As dreams are made on, and our little life
Is rounded with a sleep.

"I dedicate this to you"

What would life be,
if it hadn't been for thee.
For thy love and understanding,
even when times were demanding.
For thy guidance and advice,
when you shouldn't have even been nice.
But most of all for being there,
when I felt no one really cared.
Mom and Dad I thank you for all,
for now its my turn to make you feel tall.
There aren't many ways to do this,
except to educate myself as you wish.
And with this in mind and God to lead,
I dedicate this to you and promise to succeed.

These are the best times,
the moments we can't let
slip away.

Life's little game we play,
living from day to day.

But once in a life time;
a minute like this is ours
to share.

Remember the moments well,
for moments like this are
rare as dreams and
golden rainbows,
soft as nights when
summer wind blows by.

Together we laugh and cry,
together we'll learn to fly.

Come take my hand,
together we'll cross the
timeless sands,
chasing the endless sun,
living our lives as one.
