

(Letter not dated)

Dear friends,

I did not think I would have time to add a word but I did not get this in the mail this afternoon and tonight after 11 o'clock I get a opportunity to scribble this. Your letters were recd. and I was glad to hear from you. I am kept very busy but have got a horse and get along finely. I like my new position despite the hard work. My men are getting along very well. Theo Keizer is in the hospital but is nearly well. [Unreadable]. The rest are all well. Remember me to all friends.

Yours,

Shindel
