This is my island in the sun

ISLAND IN THE SUN

This is my island in the sun
Where my people have toiled since time begun
Tho I may sail on many a sea
Her shores will always be home to me
Oh, island in the sun,
Willed to me by my father's hand
All my days I will sing in praise,
Of your forest, waters, your shining sand
When the morning breaks the heaven on high,
I lift my heavy load to the sky
Sun comes down with a burning glow
Mingles my sweat with the earth below
Oh, island in the sun
Willed to me by my father's hand
All my days I will sing in praise,
Of your forest, waters, your shining sand.

Where my people have toiled since time begun

The I may sail on many a sea

Her shores will always be home to me

Oh, island in the sun, willed

After beginning the season with a "not so impressive" 1-2 record, the 1978 *FIGHTING CONCHS FOOTBALL TEAM* rallied to win seven straight games; to end the regular season with an 8-2 record; and to enter the State play-offs as District 16AAA Champions for the second consecutive year.

I am proud of this group for

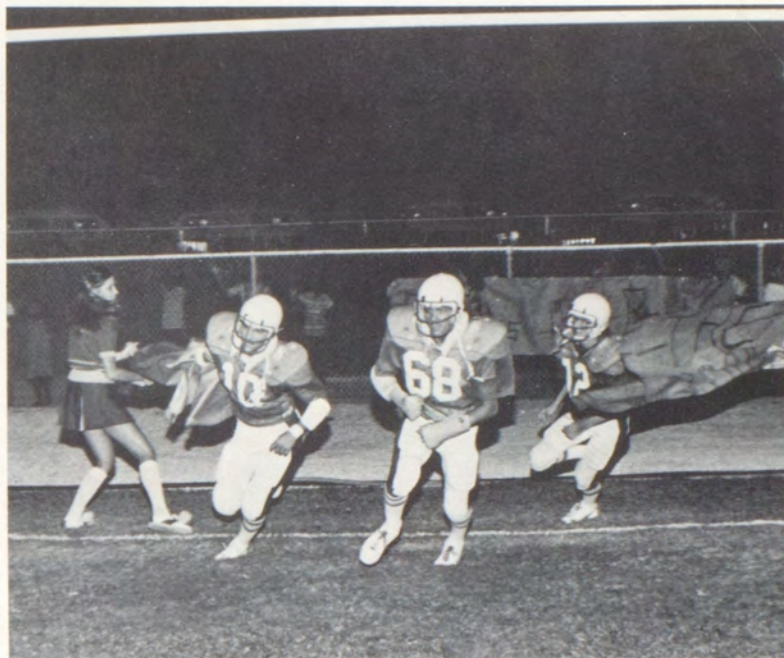

its ability to come from behind and to do what is necessary to become winners; but I am especially thrilled with our 20-0 victory against Boca Raton in the final scheduled game of the season. This joint effort of players and coaches best demonstrates the result of our labors all season.

We started the year with many doubts ... doubts as to inexperience and doubts as to attitude. As the year progressed we surcame inexperience and hopefully we'll do good in play-offs. But our real success was removing the doubt of attitude and maturing into a group of super young men. For some the dream of playing college ball will become a reality for the rest of us, watch out for next year! we will be No. 1

The 1979 Baseball Conchs are in the position of trying to replace 7 seniors from last year's squad. This year's team will be looking for some solid leadership from the 4 returning senior let-terms. This team has to be one of the hardest working squads ever at Key West High School. With only one solid starting pitcher returning the 1979 Conchs will have to do the job defensively if they are to make a run at the state title.

Seventy nine is a rebuilding year. Six boys and five girls did not return to play for the team after '78. Returning lettermen from last year's team are Chris McGarey, Kenny Pitlik, and Cindy Nystrom. Though not successful in wins this year, the team is gaining much experience by playing teams that rank high in state rankings. Almost all of the members of the team this year will be returning next year and even the year after. The coming teams should be very strong and we are expecting successful seasons in '80 and '81.

During the 78-79 school year it was my pleasure to work with the girls' volleyball team. I was pleasantly surprised at the interest of many of the girls at Key West High School and regretted that my squad had to be limited to 15 girls total. These girls were chosen for their ability, their experience, and their great potential for teamwork.

Due to the late start in training and the shortness of the season, Key West High was limited to only six games played within the Keys, and District Tournament in Miami. The girls' season of 3-3 reflects a great deal of hard work and is something to be proud of considering the short time the team has been established. The team learned several valuable lessons which will stand them in good stead in life, as well as in athletics: how to work hard for a goal, how to play as a team, and how to deal with defeat as well as victory. Key West High should be proud of the Girls' Volleyball Team. The girls proved that there are students in girl's athletics who are willing to participate for the good of their school.

My thanks to all the girls who tried out and to my team, especially, for making the 78-79 school year something to remember and be proud of.

Coach Linda Wooten

Not pictured: Vickie Willis, Debbie Aguero, Diana Bunn, Susan Turner (Stat.).

Kristina goes after the ball.

Dedication, endurance, hard work, enjoyment, concentration—all these characterize the Varsity Girls' Softball team. The plans for 78-79 are to have a fantastic team and a great season. The girls ask for your support, while they promise to give their best effort.

If we have but one life to live
and one life to die
Then why did she have to go without a good-bye?
Why Lord did she so young have to go?
or is this only an answer you shall know?
For so free as the wind that blows
was she
So gentle and carefree.
A friend to all in her own way
and now we grieve on this day.
For as she leaves us to behold of you
hopefully life she will cherish anew.
We'll miss you, but meet again when God make his call
we love you, yes, we all.
In memories you shall always be
thank you for letting us know thee.
Rest in peace where now you are free
for finally our Lord you'll get to see.

Marty Arnold

We the Senior Class of nineteen hundred and seventy nine would like to dedicate this yearbook to our parents with great love and respect for all the love, guidance and understanding they have given us in the past twelve years. We know sometimes it was hard standing by us but you were always there.

We love you for it.
