Dear friends

The Steamer just
touch'd and is ready to leave
I have only time to tell you
and all my men continue in
excellent health and spirits. There
is no sickness of any account
on the Island. No Yellow fever
whatsoever. I hope Auntie got
home safe. Letters from friends
tell me Auntie looks so badly
Dear Sister I hope she is getting
better. I should much like to
see her but know not when I
can. Love to all Write
soon

Yours
J. M. D.
