"Climb Till Your Dreams Come True"

Often your tasks will be many, and more than you think you can do.

Often the road will be rugged, and the hills unsurmountable, too.

But always remember, the hills ahead are never as steep as they seem,

And with in your heart start upward and climb till your highest dream;

For nothing in life that is worthy is ever too hard to achieve, if you have the courage to try it, and you have the faith to believe.

For faith is the force that is greater, than knowledge or power or skill.

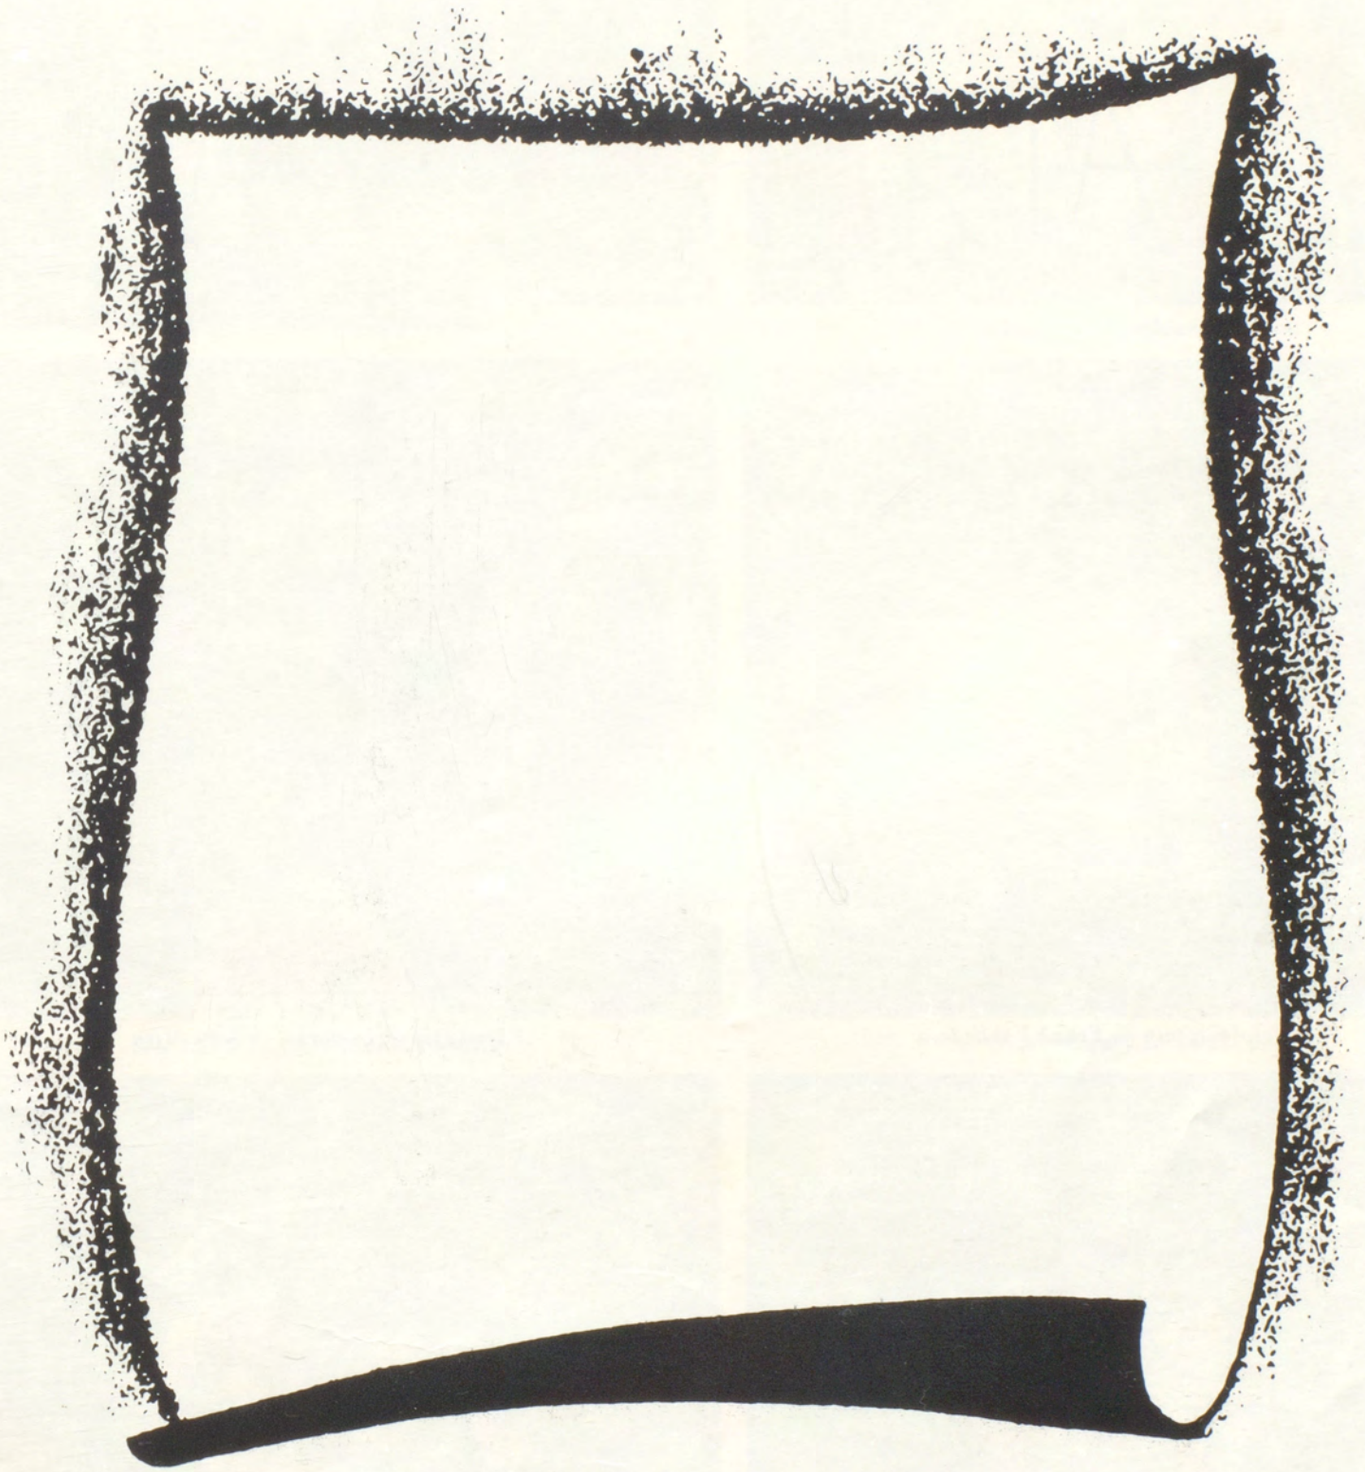

And many defeats turn to triumph if you trust in God's wisdom and will

For faith is the mover of mountains. So start out today with
faith in your heart,

and "Climb Till Your Dreams Come True!"

KEY CLUB

This year Keyettes has changed its name to Key Club.

During the year Key Club has participated in many community and school activities. All Key Club members must maintain a 2.0 grade average. Key Clubers have many projects such as Sweetheart Dance, to help needy families during Thanksgiving, and Christmas time.

We are glad to say that Key Club is a hard working club, and dedicated to Key West High School.

SNAPPER

The Snapper has had a great year with the new staff members and new sponsor, Sandra Archer. All staff members, old and new have had a number of responsibilities and have worked very hard to meet deadlines. I'm sure all staff members will agree with me when I say that Snapper has been a great learning experience.

Along with putting out 6 issues of the school newspaper, Snapper also printed a 1981 KWHS Calendar this year with student pictures and dedications.

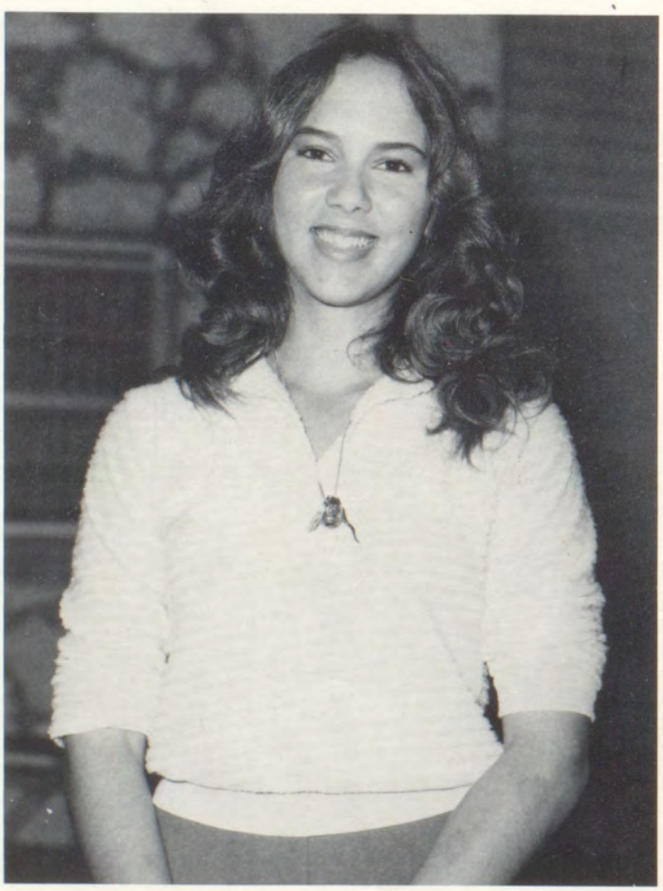

The class writes a weekly column for the K.W. Citizen under the heading of Key West High School Beat.

A five minute weekly radio show on WKIZ rounds out the journalism skills learned in this class. Snapper, being the voice of the student body, has always been a tradition at K.W.H.S. and we are all very proud to be on the staff.

VARSITY CHEERLEADERS

Cheerleading is a privilege and a joy, and being able to cheer for the Conchs is more than looking good in front of a crowd; it means being a part of a team and willing to sacrifice for success.

Hours of practice and long days of hard work fade under the excitement of winning, no matter the sport.

The varsity squad of 1980-81 is not only proud to support the Conchs, but also proud to support the student body.

STUDENT COUNCIL

The aims of the Key West High School Student Council are to encourage good citizenship, to promote harmonious relationships, to coordinate school activities, to instill proper attitudes, and to provide a forum for student expression. The Student Council gets the feeling of belonging, that the school is his school and that the people there are interested in him and what he has to say. His views are welcomed and some of his ideas may even become some part of school policy. He learns how to work with others in friendly cooperation; he learns how to accept responsibility and to bring a project to successful completion.

STUDENT LEADERSHIP

Good leaders possess definite traits and skills. But eloquence, self confidence, responsibility and charisma aren't miraculously instilled into a new officer by virtue of accumulating the greatest number of votes. Student leaders are expected to exhibit the values, attitudes, and skills of a leader in spite of the fact this may be his first leadership position.

The Student Leadership course offers students an opportunity to learn leadership skills, to investigate their own set of values and attitudes, and to provide the individuals with the opportunity for applying knowledge gained in the course to the activities of KWHS. This experience can only serve to enhance future community leaders.

Coach Marty Arnold

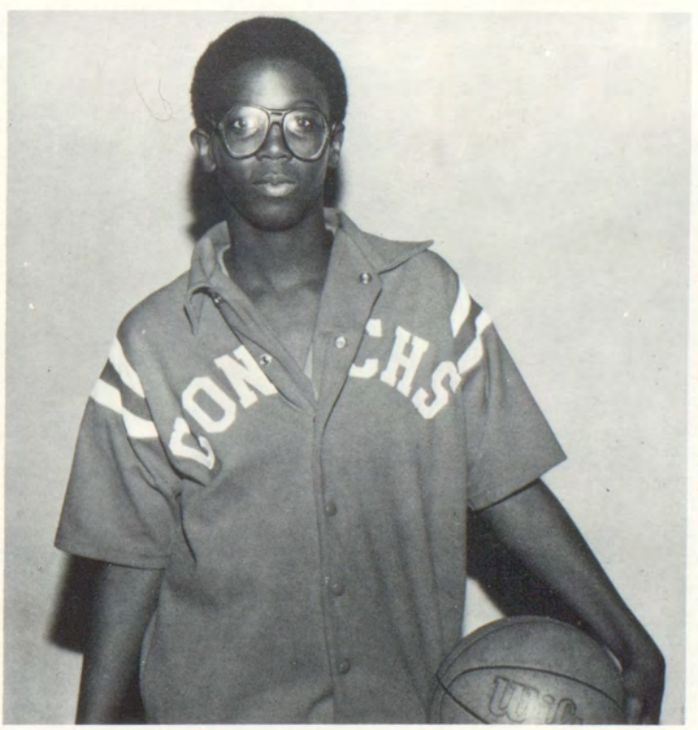

I expected a long season with us taking many sound beatings. We had only one returning starter and all seniors with little or no experience. We had rough and trying times, but they held together. They worked hard and played hard. Just how far we will go I don't know but I do know that this group of young men will go far in life because they're not quitters. Finally, I can possibly say they've come farther not in winning but in learning basketball than any team I've ever seen in Key West High.

JOHN M. VIDAL

FEBRUARY 9, 1964-AUGUST 29, 1980

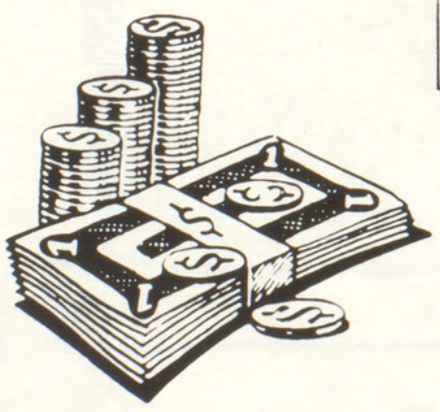

Up to the sky
Went our greatest friend
Even though he's no longer here,
His friendship will never end.
We'll all remember him
As a part of our heart,
The death of our friend
Tore all of us apart
Now he's with God,
The best place he could be.
Our gift of knowing him
Is our only memory.
I am sure he realizes
That it was an accident,
And also that the death
Was never really meant.
We loved him too much
But we never told him so,
It was too late
When we finally let him know.
Good-bye John,
And please always remember
That our love for you
Will last forever and ever.
Forgive us for our mistake
Of never letting you know,
And hating to let you go.
God, please take care of him
Because this is our final good-bye,
He'll be ever more remembered
Every time we cry.
