Do you know where you're going to...

Do you like the things that life is showing you?
Do you get what you're hoping for? When you look
behind there's a friendly shore.
Once we were standing still in time.
Chasing the fantasies that filled our minds.
And you knew how we loved and our spirits were
free.
Laughing at the questions you once asked of me.

Now looking back at all we planned.
We let so many dreams just slip through our hands.
Why must we wait so long before we see how
challenging the answers to those questions can be.
Do you know where you're going to?

Do you know where you're going to.

Class of 85

Do you like the things that life is showing you?

CLUBS

NATIONAL HONOR SOCIETY

National Honor Society is an honor club for academically inclined students. Members must possess at least a 3.2 grade point average and have no grade below a "B" in any subject.

Throughout the year we have many fund raising events, the biggest being our candy sale and homecoming concession. We also enter our scrapbook in a competition. We're usually placed either first or second in the contest.

Over the years NHS has kept its high standards and built a good reputation. The 1981-82 club hopes to maintain this reputation.

The purpose of Beta Club is the promotion of scholarship and good citizenship. The motto of this organization is "Let us Lead by Serving Others."

Through the years, Beta has had a reputation as one of K.W.H.S.' most outstanding clubs. The 1981-1982 Beta Club hopes to maintain this reputation.

MU ALPHA THETA

Mu Alpha Theta is one of the most select groups at Key West High School. It is a club in which most academic students seek membership. A student must have completed two years of college preparatory mathematics with a "B" average and enroll in their course to be eligible for this club.

The activities of the club expand the horizons of the mind and make clear cut decisions on character and citizenship. The members of Mu Alpha Theta are examples of what other students at KWHs should strive for.

This year will be even bigger and better because of the quality of the membership.

Key Club is a school and community service club whose main objective is to help others who are less fortunate than ourselves.

Some of Key Club's activities this year included May Sands Christmas and Easter programs, volunteer work at the hospital, a co-ed basketball game and hopefully a state convention.

Key Club's prestige grows with the years as does its membership. Members must maintain a 2.0 average and remain active through the year.

SNAPPER

The Snapper has had a great year in '81-'82. All of our staff members, old and new, have worked hard to make the Snapper the best it could be. Our new Members have found that it is no easy task to put a paper together and our returning reporters have found teaching the new members is not an easy job. Overall, Snapper has been a great, as well as fun, learning experience.

Along with putting out 6 issues of the school newspaper, the staff ventured into other areas of journalism. We continued our program on WKIZ and added two more: one on WIIS and the other on WKWF. The staff also noted weekly news column in the *Key West Citizen* that was very successful.

'81-'82 has been a great year for *Snapper*, but it wouldn't have been without our sponsor, Sandra Archer. Mrs. Archer puts in all her time, effort, energy, and patience to help the paper. We are proud to have her and proud to be a part of KWHs.

This year's J.V. is probably one of the most talented in the school's basketball history, in spite of our won lost record. All our young men are the finest. They all contributed all they could . . . I think they will all have a very good chance for varsity when it's their time. They have been very cooperative and have learned well. I am very proud of this ball team in the academics and on the court, and I am confident in saying that you will hear of their names in the future for contributions to their school and to their athletics.

Yea, you.

The KWHS tennis team supports itself 100%. Even with no school support from the athletic funds, the tennis team continues to support itself with money raising programs and still continues the rigorous practice programs. These determined tennis stars of the future continue to keep KWHS activity alive on their own and deserve recognition. If all students put this much effort into the things they did the world would have a great feeling of accomplishment.

"I dedicate this to you"

What would life be,
if it hadn't been for thee.
For thy love and understanding,
even when times were demanding.
For thy guidance and advice,
when you shouldn't have even been nice.
But most of all for being there,
when I felt no one really cared.
Mom and Dad I thank you for all,
for now it's my turn to make you feel tall,
There aren't many ways to do this,
except to educate myself as you wish.
And with this in mind and God to lead,
I dedicate this to you and promise to succeed.

M. Arnold

Remembering Our High School Years

We, as seniors, look back upon the years.
Remembering the good and bad times, and all the cheers and fears.

The very first day was something new;
Knowing not where to go or what to do.

During football season we'd watch our team with pride.
Win or lose, it didn't matter, after all we tried.

Half-time shows were always a treat.
The fans went crazy clapping their hands and stomping their feet.

Homecoming is a big event;
When girls are chosen for their accomplishments.

It's every girl's dream,
To become Homecoming Queen.

Sadie Hawkins is always fun.
Going for hayrides out in the sun.

Junior Senior Prom has come again.
Only us seniors wishing we were freshmen.

Senior Prom just passed our way;
The last dance we dance will be with us to stay.

Graduation is the day we've all been waiting for.
A time we're honored for our skills, spirit, and much more.

Now comes the joy; or is it the tears?
We sit and wonder as graduation nears.

All of the memories that we shared,
Were filled with love, which means we cared.

THIS PAGE IS DEDICATED TO THE MEMORY OF MISS MARY B. TREVOR

The gracious lady for whom the Trevor Library in J wing is named, Miss Mary B. Trevor, passed away at the age of 80. Miss Trevor spent 43 years as a teacher in the Monroe County school system and during the last 31 of those years she was head librarian at Key West High School.

Her leadership and guidance helped develop the KWHS library into the fine facility that it is and when the J Wing library was added to the school in 1968, the School Board officially named the new library section the "Mary B. Trevor Library" in recognition of her many years of devoted service to KWHS.

EDITOR'S PAGE

It has been an honor to be editor of the 1982 Conch. These pictures are a summary of the people, places, and things that make Key West High School. I hope that all of you that have this book will treasure it, for it is the work of 13 hardworking people. To my staff, a deep heartfelt thanks . . . especially to *Jimbo* and *Constance* for your help, and for just sticking around another year. To all of you on the staff GOOD LUCK! I would really like to thank you, the readers for your support. May you always keep reaching for the stars, remember where you came from and where you are going to!

Crossing the Bar

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put to sea,

But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home.

Twilight and evening bell,
And after that dark!
And may there be no sadness of farewell,
When I embark;

For though from out our bourn of time and place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar.
