

The Royal Automobile Club Silent Auction

Tuesday 28 and Wednesday 29 March 2023

Viewing 9.00am to 5.00pm
Cedar Room, Woodcote Park

Bids

This is an opportunity for Club members to bid on a selection of Royal Automobile Club items. There are 38 lots available for open bids, which may be submitted online via a digital form on the Club website at www.royalautomobileclub.co.uk/silent-auction/. Alternatively, bids can be made in person by completing a printed form, during the viewing days on Tuesday 28 and Wednesday 29 March in the Cedar Room at Woodcote Park.

All bids must be received by 5.00pm on Wednesday 29 March. The auction will be conducted as a silent auction and bids must be accompanied by a membership number as there is no public bidding.

The highest bid entered per item will secure each item. Where a member is interested in purchasing multiple items, including more than one item in the same lot, the number of items desired should be included when submitting a bid.

Successful bids will be charged to the member account that is used on the bidding form.
