Dear Charlie:

The pictures of the andirons came out very dark and I am wondering if you can see enough to appraise them. Actually, they look almost identical to the other lion head andirons you appraised except for the base where the figures look like dragons with wings.

Mr. Vander Poel is avnxious to have this attended to as quickly as possible.

I am also enclosing two snapshots of two chairs which have been given up. The donor didn't have them appraised. Would you be willing to give her a letter or me so she can include them in her income tax.

Hope you and Sally will have a swell Christmas.

Sincerely yours,
