

The Appraised is equal to or better in quality and robustness of design to the best of the Comparable lot. Again, I have increased the Appraised value above the Comparable value due to the connection to the Coe family and the Planting Fields home. I have increased the value from \$140 per oz. to \$220 per oz.

13. **Two Silver-Deposit Spirits Decanters**

Two early 20th Century silver-deposit spirits decanters, each having an art nouveau style design, one with thistle motif, probably for Scotch, the other with wheat or rye design, probably for whiskey, the latter being amber colored, the former being clear.
