My dear Mr. Ambassador:

How delighted we are at the State University's International Center with the pictures you have been good enough to contribute in the appropriate furnishing and appointment of our main building. The appraisal of the Knoedler Company, which I enclose, will validate our inventory and the generosity of your gift.

Please know how deeply we appreciate your thoughtfulness and the splendid contribution they will make to the thousands of students and faculty from home and abroad that shall pass through these halls.

Cordially yours,

Glenn A. Olds
