FOR ESTATE TAX INFORMATION PURPOSES

TOTAL APPRAISED VALUE

\$5500.00

DATE: APRIL 11, 1995

On April 7, 1995, I examined a tapestry and inventoried and appraised the fair market value of this tapestry belonging to the Estate of Peter Salm, following acceptable appraisal methodology.

A schedule of such property consisting of 1 page and made a part of this Affidavit is hereto annexed.

The appraised fair market valuation for Estate information purposes, and this reason alone, is set opposite the description of the same. This appraised price has been arrived at by using the comparables method of evaluation, based on recent auction records of similar items, and/or on recently observed prices of similar items in the retail market, adjusted downward to reflect fair market valuation. However, the Appraisal is not to be considered a guarantee or a representation of warranty with respect to authenticity, genuineness, or provenance.

The total fair market value of such property as of the date of death, March 12, 1994, is \$5500.00, such fair market value being to the best of my knowledge and belief that which would have been paid for such property by a willing buyer to a willing seller in an open market and not as a forced sale.

The value expressed herein is based upon my best judgment and opinion and is not a representation of warranty that this item would realize that value if offered for sale at auction or otherwise.

Value expressed is based on current information on the date made and no opinion is hereby made as to any future value, nor unless otherwise expressly stated, to any past value.
