Mr. W. R. Coe,

New York City, N. Y.

Dear Sir:

We wish to inform you that our estimate for the work of cleaning and painting the two bookcases in Mr. Coe's bedroom will be \$180., and also to note that our conversation this morning was to the effect that we were to be responsible for the tapestries while en route from your home to our home and returned; also while they are being repaired.

Very truly yours,

C. J. CHARLES.
