Dear Sirs,

As you may the Comune di Genova is organizing an important exhibition celebrating the contributions of van Dyck and a group of international artists to the development of painting here in the early seventeenth century. The show will take place at the Palazzo Ducale from 22 March to 13 July 1997.

Therefore, we should be very grateful if you could send us a black and white print (18x24 cms) of the paintings by Anthony van Dyck, *Paula Daughter of Doge Giacomo Ambrogio Doria* 235x135cms and *Giovanni Francesco Son of Giacomo Lomellini*, 235x135 cms. We have found on the Larsen's catalogue that the two artworks belong to your foundation.

Please, make out the invoice for any expense to:
