RE: Conservation forms

I am enclosing copies of the conservation treatment reports (12) of the set of twelve chairs (COE.1999.2.1- .12) for your files. I have also enclosed black & white photographic prints of each of the chairs prior to and subsequent to treatment. We have retained copies of the conservation treatment reports, as well as, negatives of the treatment photography in our files.

Accession records for the portraits of the Elizabethan man and woman and frames [COE.1999.4.A.B & COE.1999.5.A.B respectively] have been enclosed as well. Unfortunately, the records are sorely lacking in information that I hope you will be able to provide. If you have any additional information, I will update the accession records accordingly and send you another copy.

If you have any questions about the conservation reports I am sending or have any more information regarding the aforementioned paintings and frames or other accessioned Coe Hall artifacts, please do not hesitate to contact me. Thank you.
