PARIS, LE February 15th 1923

7482

A little "Mobilier de salon" of the
XVIIIth century, in carved wood, painted
and partially gilt. It is composed of

One small sofa and
Six chairs

It is covered with grey stuff in the
style of the end of the XVIIIth century,
but not of the epoch. But the frames
are of the epoch of the XVIIIth century

It comes from the collection of Baron
FULD-SPRINGER.
