OYSTER BAY, NEW YORK

January 25, 1966

Mr. and Mrs. Albert G. Joyce  
40 Beach Tree Lane  
Pelham, New York

Dear Mr. and Mrs. Joyce:

In the absence of Mr. Wm. Rogers Coe for an extended period, I have pleasure in acknowledging receipt for your records of and thanking you for both your letter to him, as President of the Foundation, dated December 10, 1965, and the Salisbury portrait of his father, the late William Robertson Coe, which you have thoughtfully and generously given to the Foundation.

We have, as you know, hung the portrait over the fireplace in the entrance to Coe Hall at Planting Fields where it will serve as a visual reminder of Mr. Coe and his magnificent gift to the people of this State.

Sincerely yours,

*Edward K. Bachman*
