

The background of the entire page is a photograph of a vibrant green aurora borealis (Northern Lights) dancing in a dark night sky. Below the sky, a rugged, snow-covered mountain range is visible, with its peaks and ridges reflected in a calm body of water in the foreground. The water's surface is dark, creating a clear mirror image of the bright green light and the white mountains above. The overall mood is serene and majestic, capturing the natural beauty of Alaska.
