

THE SKIRMISHING FUND.

To help the skirmishers over the water to keep harassing the enemy while the regular Irish organizations at home and abroad are preparing for the final struggle :

"Ireland is a rat in the path of an elephant ; what is the elephant to do? Squelch it by heavens, Squelch it."—THOMAS CARLYLE.

They may squelch us, and rob us, and put out our light,
But we'll meet them in London some fine foggy night.

Mr. Michael O'Donovan of Newport R.I. is hereby authorized to collect money on this card. Remittances made payable to

JER. O'DONOVAN ROSSA, 12 Chambers St., New York.
