

## **A ST. AUGUSTIN'S CHALLENGE.**

To the Editor of the Daily News:

The St. Augustin's basket ball team of the Coming Players' League wishes to challenge the Glenwoods. The St. Augustin's played the St. Mary's one game, which the latter won, 29-27, and are now practicing hard for one more series before closing their season. The St. Augustin's do not wish to bar any team in the city in this challenge, and would like to have the Glenwood or any other game arranged early next week, so that the season can be closed shortly.
