 I don't want you given
 Stan & Vine anymore answers,
 just me! O.k. I really hope I'm
 in some of your classes next year
 because you're really a kilt.
 Have a lot of fun this summer,

COLUMBIAN 1970

Kelvi -

Its been just a great year this year. I've had so much fun messin around in school with you and at the tennis matches. Its too bad we didn't get in any classes this year but maybe next year. who knows? Next time you climb your tree don't fall out. I'll call and have the T.P. taking out of tree service come and strip you of all your toilet paper. Just call. Hope you have alot of fun this summer. Some dark night a bundle of congo squares might drop upon your porch. I'll bake you some if you want some. They don't call me susie Homemaker for nothing.

Good luck always,

Columbia High School Cindy Lau
Richland, Washington

P.S. - See you around down at the par playing tennis.

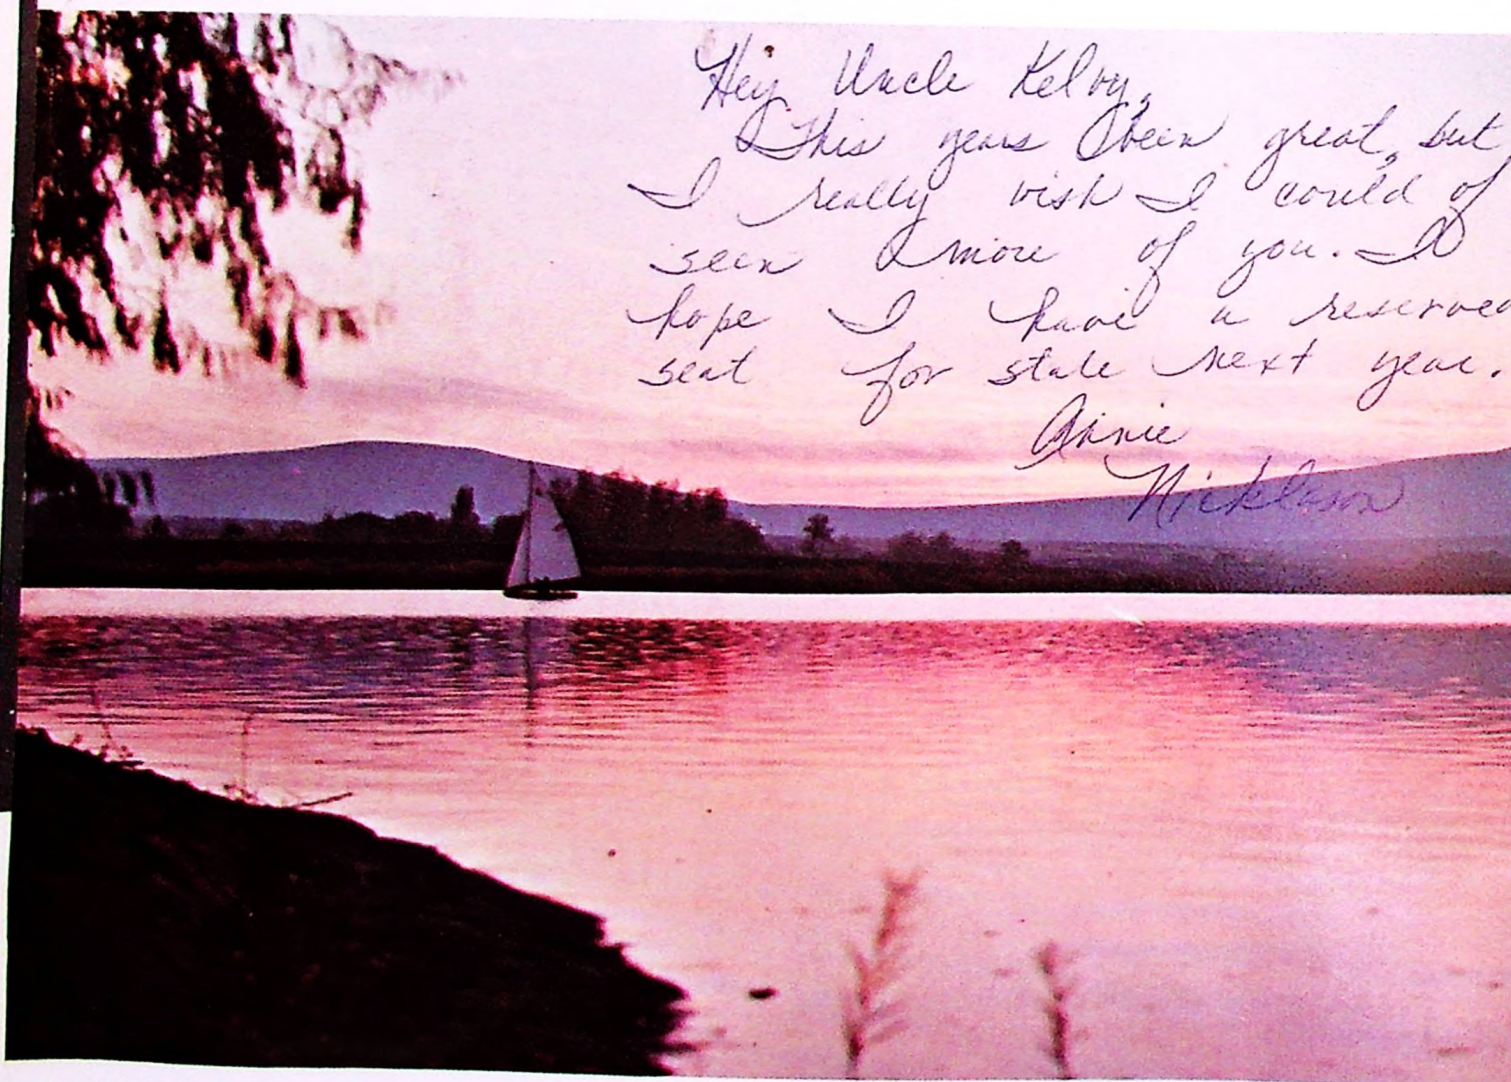

The thoughts that we see

Pluto
to one of
the best
I know! you're a
good man and great
guy to run around with.
Someone better look out or
you'll take their spot on
varsity next year (basketball)
later
Mitch

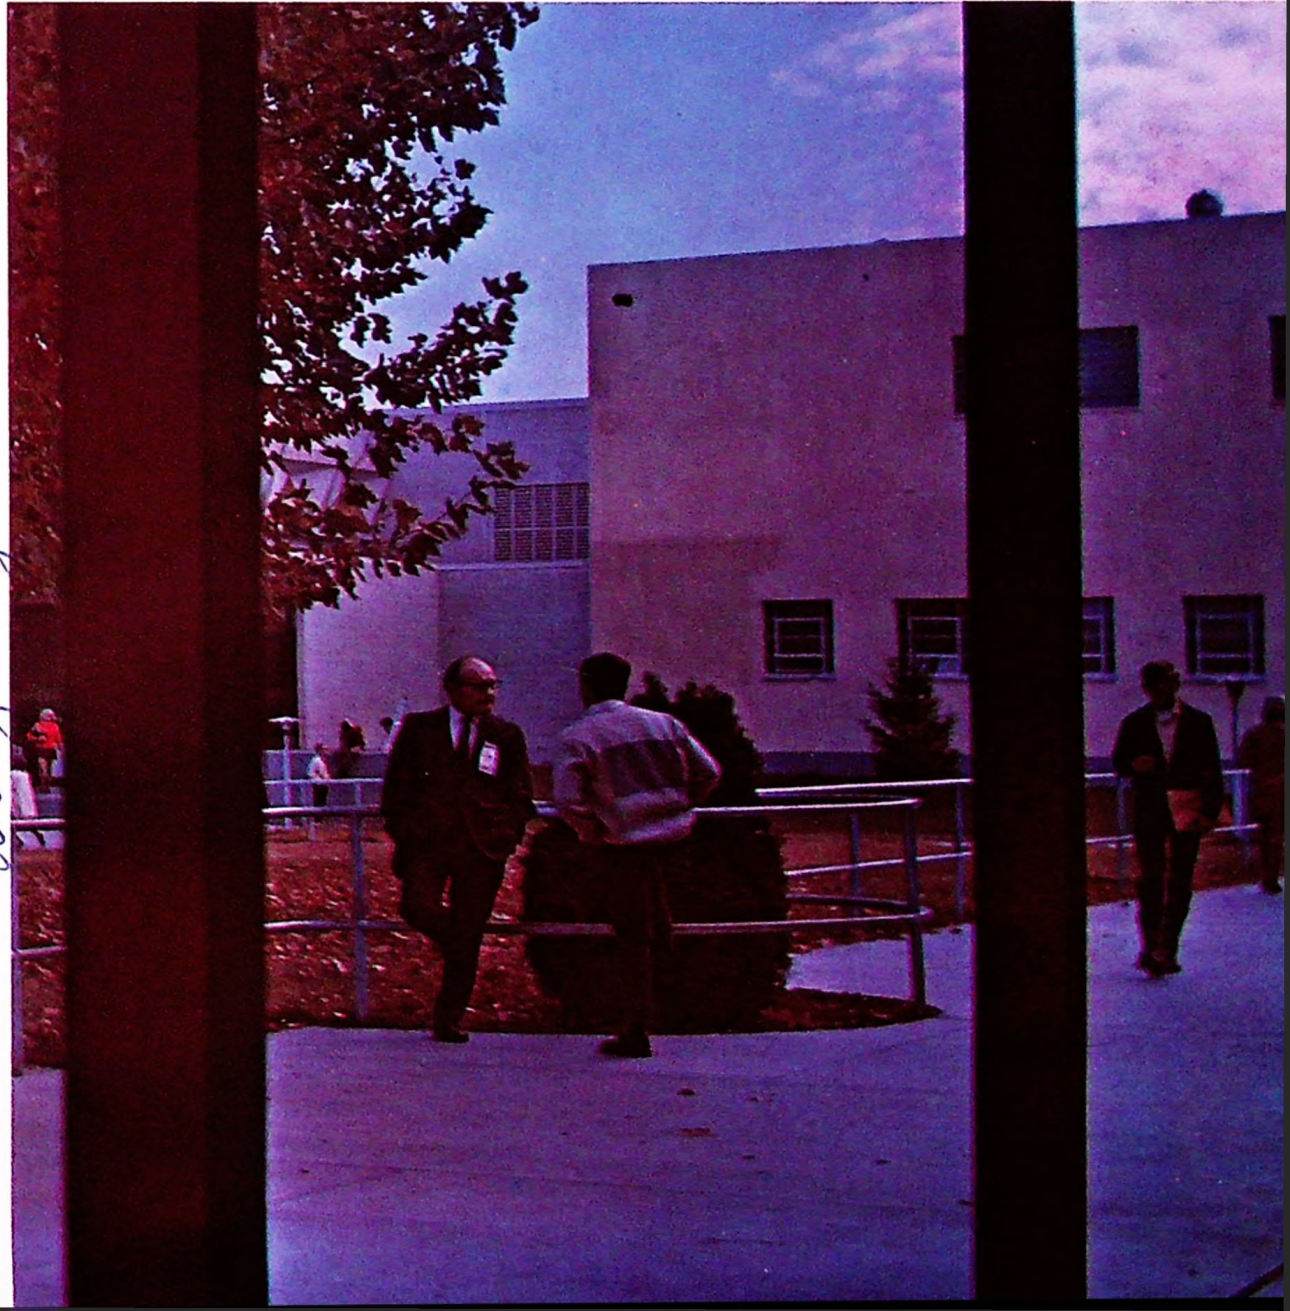

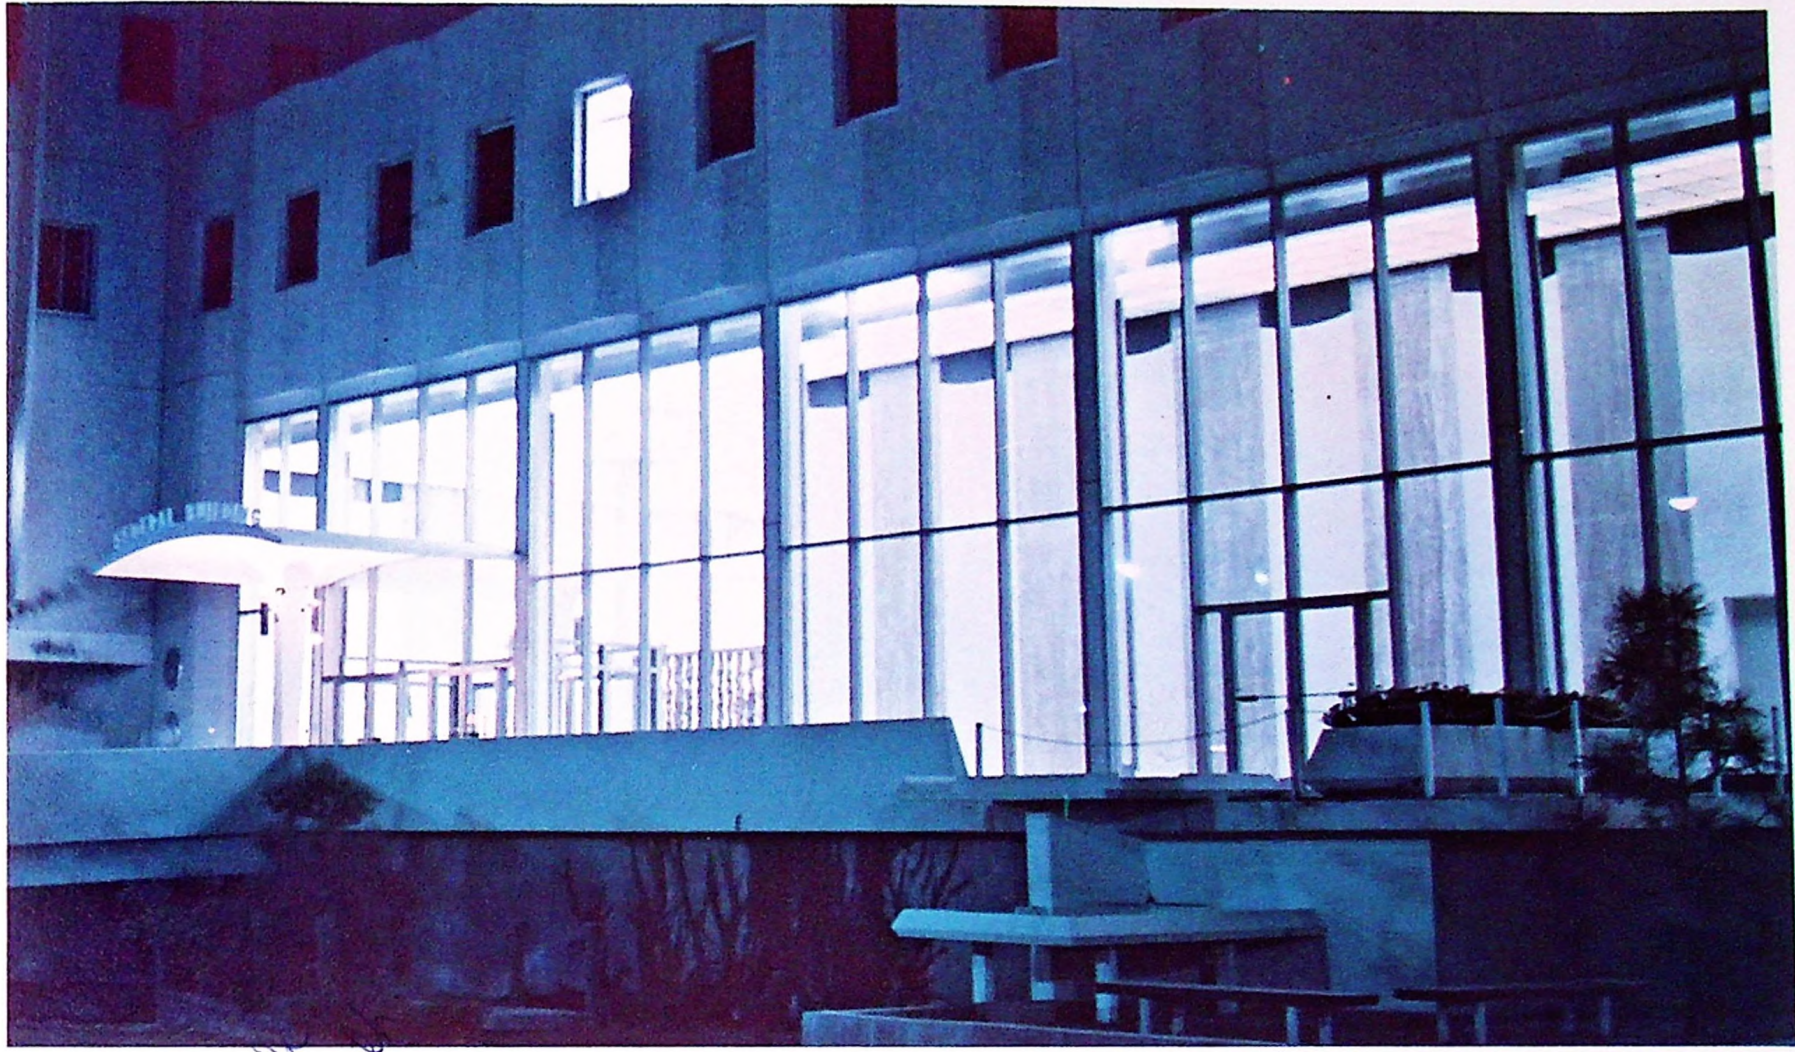

Hey Uncle Kelly,
This year's been great, but
I really wish I could of
seen more of you. I
hope I have a reserved
seat for state next year.

Ainie

Pluto;
One more year of high school left. Just think of
all the good fishing trips this summer. I think
we can give away one hellava good trophy at the
end of the summer. A preseason pick would have to be
Steve "Brown Bear" Davis, followed closely by Greg Hagedorn.
A dark horse would have to be Wally King.
Kelven Soldat is completely out of the race & I am
sorry to say, Wally King.

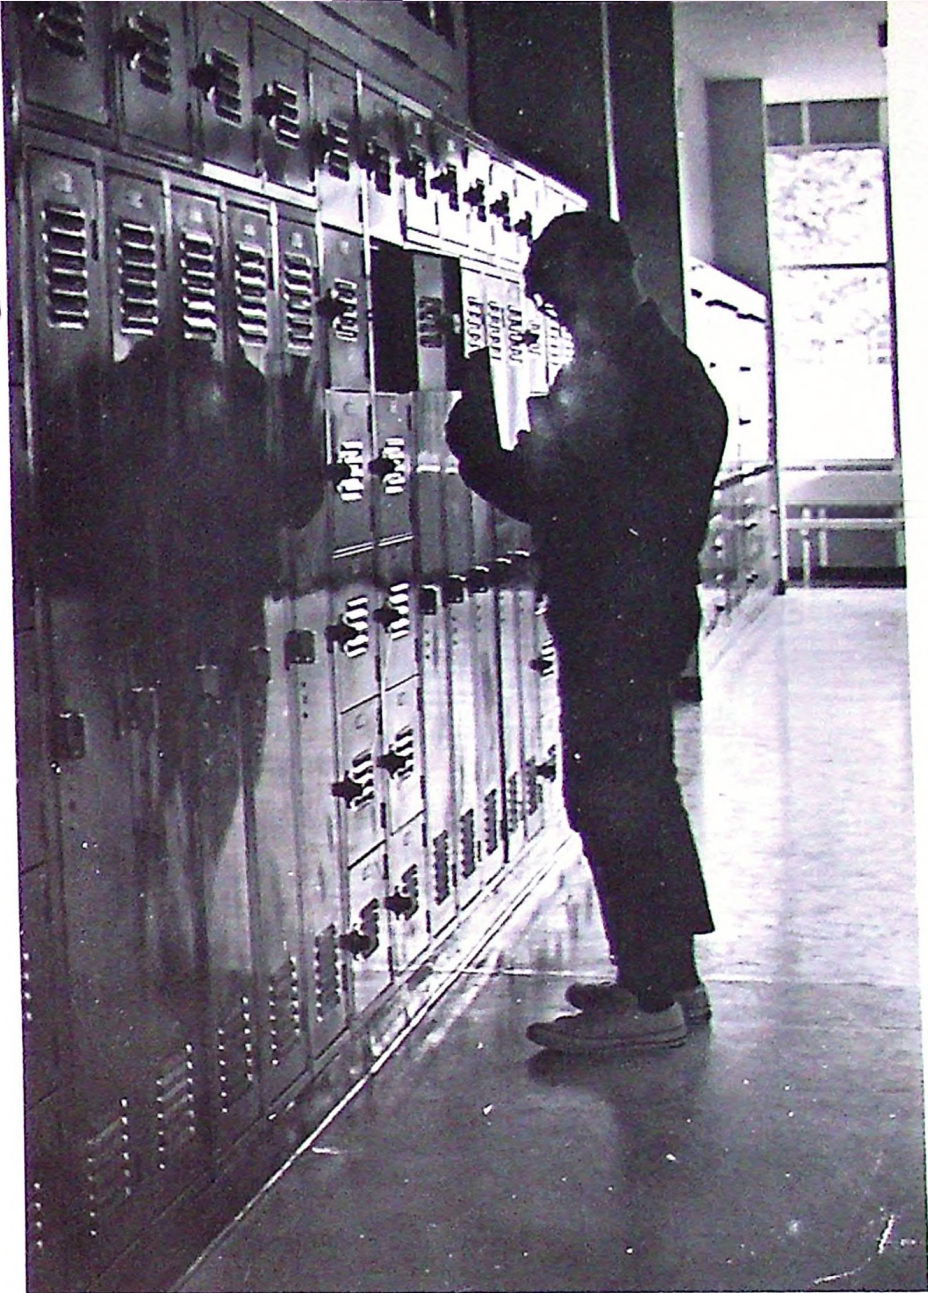

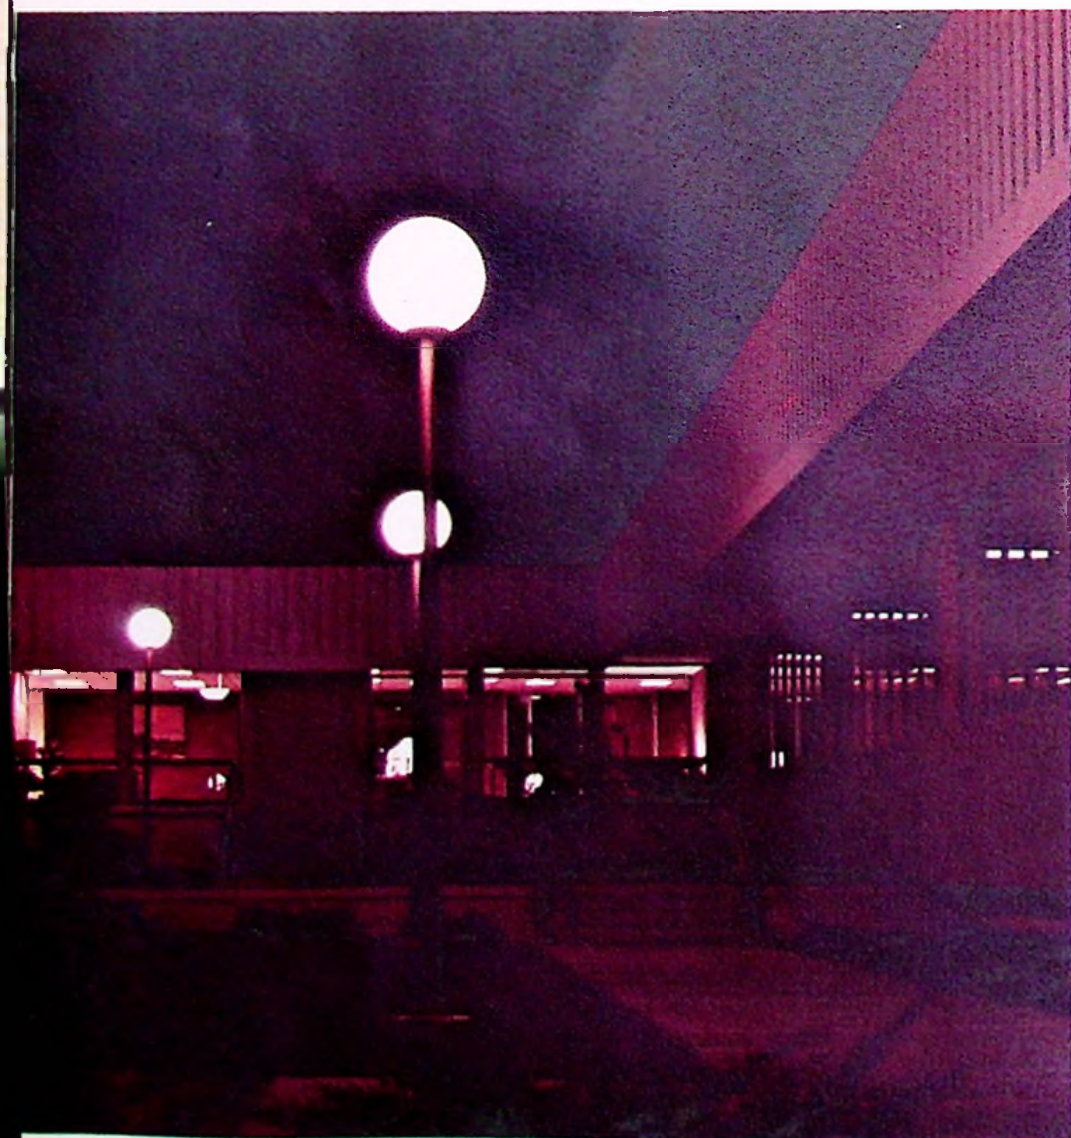

And the thoughts that we don't see

Pluto,
 the man in
 my life in chemistry
 and English with Gary
 at the helm. When you go to the
 Idaho be sure not to go to the
 Alley Cat or Red Hawk. Be sure not
 to stuff the basketball too many times
 more so you won't crap your face
 any worse than last time. Keep
 playing great basketball & some day
 you'll be as good as ~~me~~ me.
 "Mums"

And the ones that we only hear about

Kelvin,

I have a confession to make. Although I'm going with Jon I'm just using him, because it's you I truly love. Ever since that night you told me you liked my shirt (the one Jon hated) I've known it was only you and Jon would be but a tool for me to get to you. Ahhh, yes...

I guess I don't love you, Kelvin, (not that Jon's standing in the way of our eternal bonds) but you are just a good friend. I know what hurts but try to go on living. Maybe your turn will come... ick.

It's really been fun, having you as part of the group. You know, me, Jon, Carolyn, and Kelvin. True romance. I can just hardly wait to see you this summer and as part of the B-Ball gang.

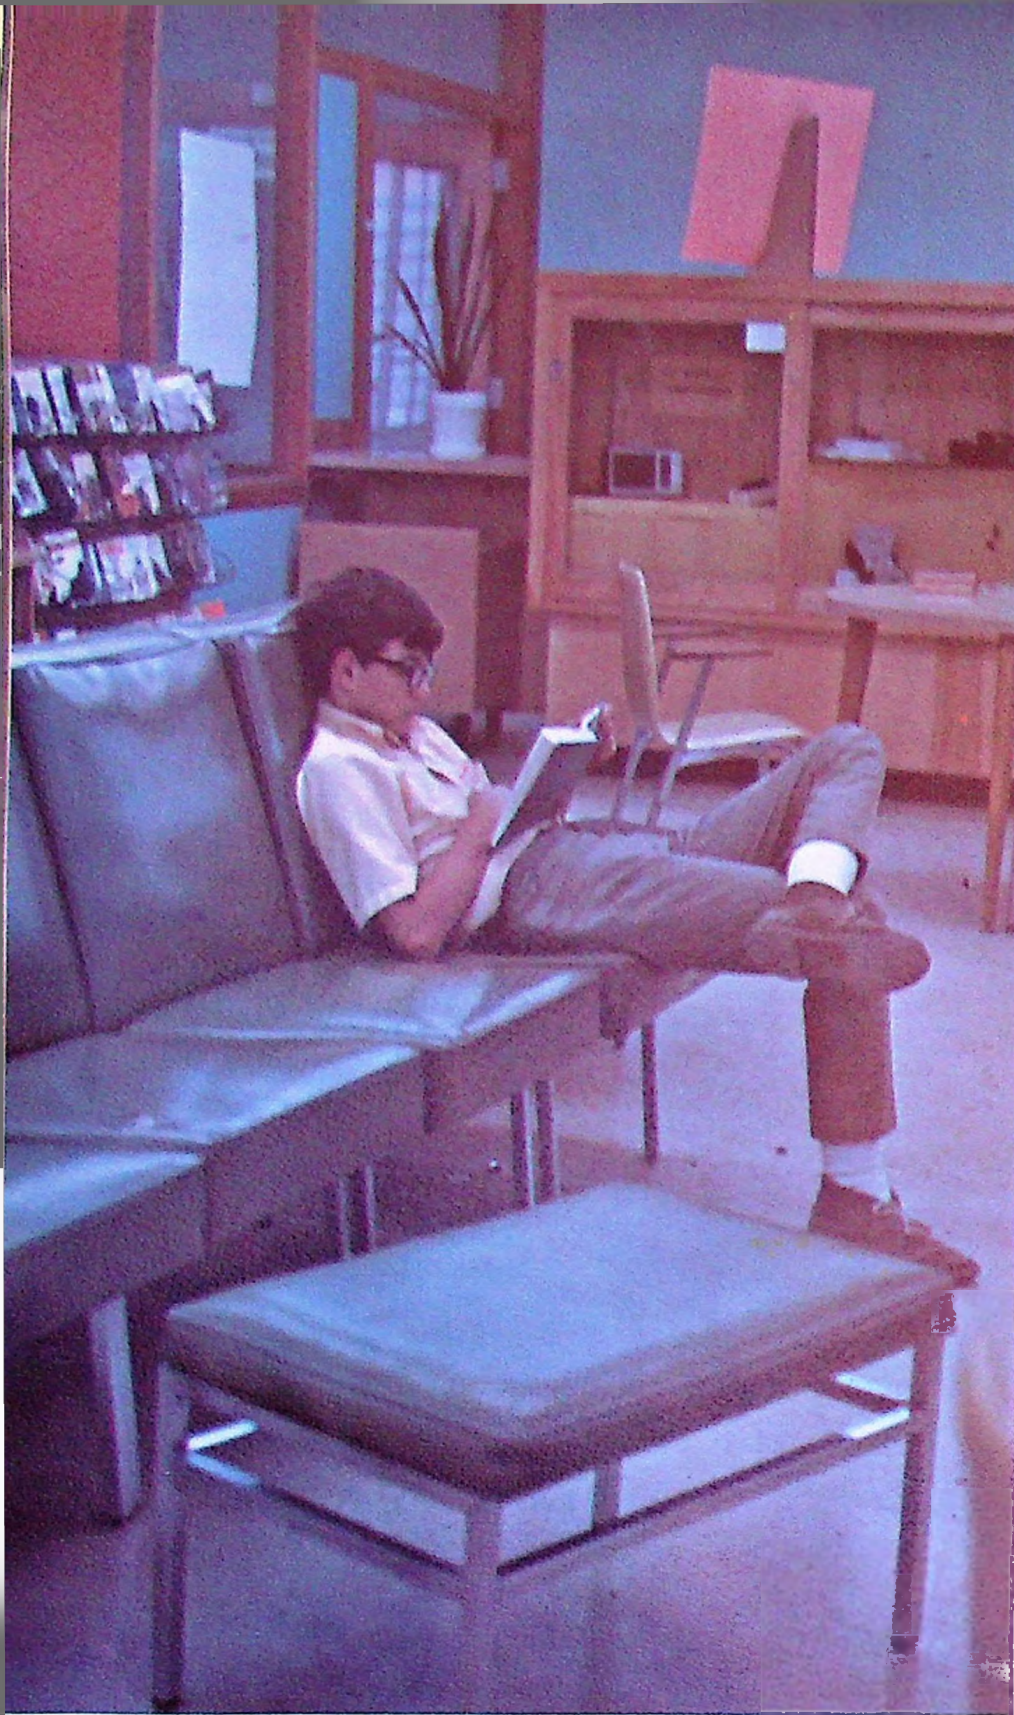

Will filter into what we are
Until they find a place

Love, OXOX
Debby

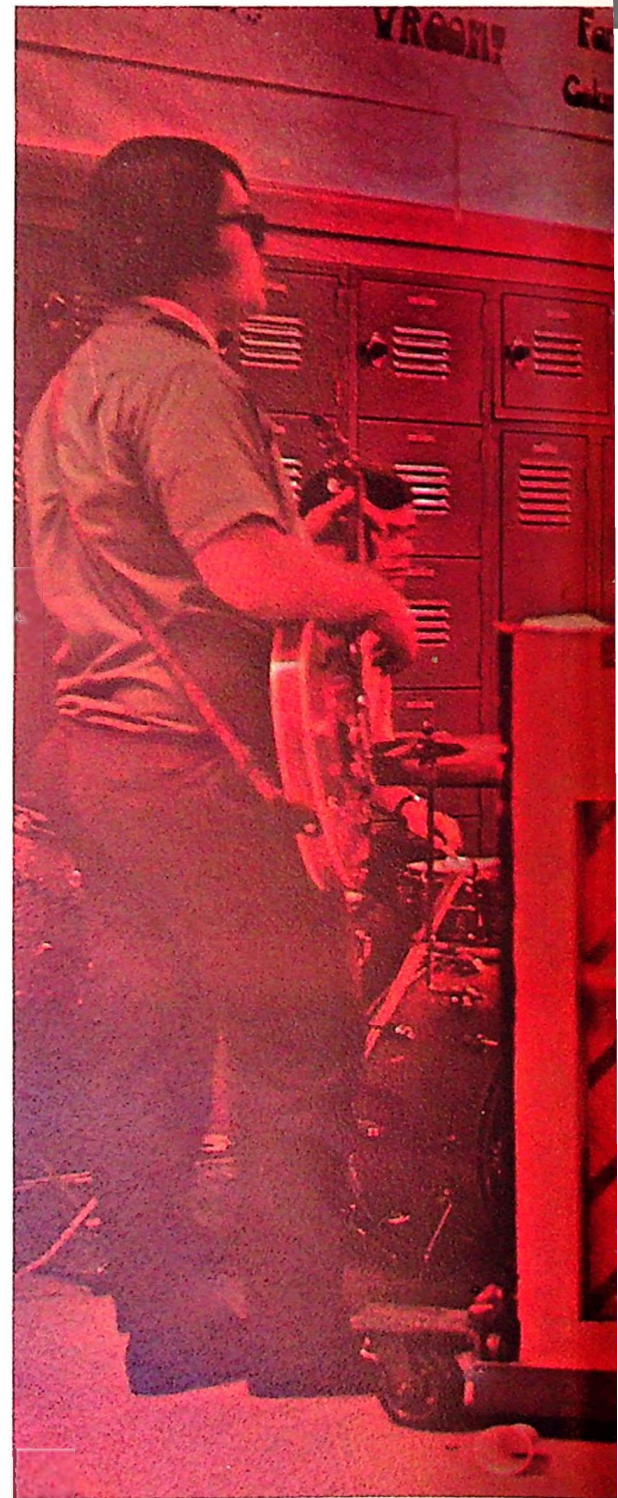

This is the place to be new

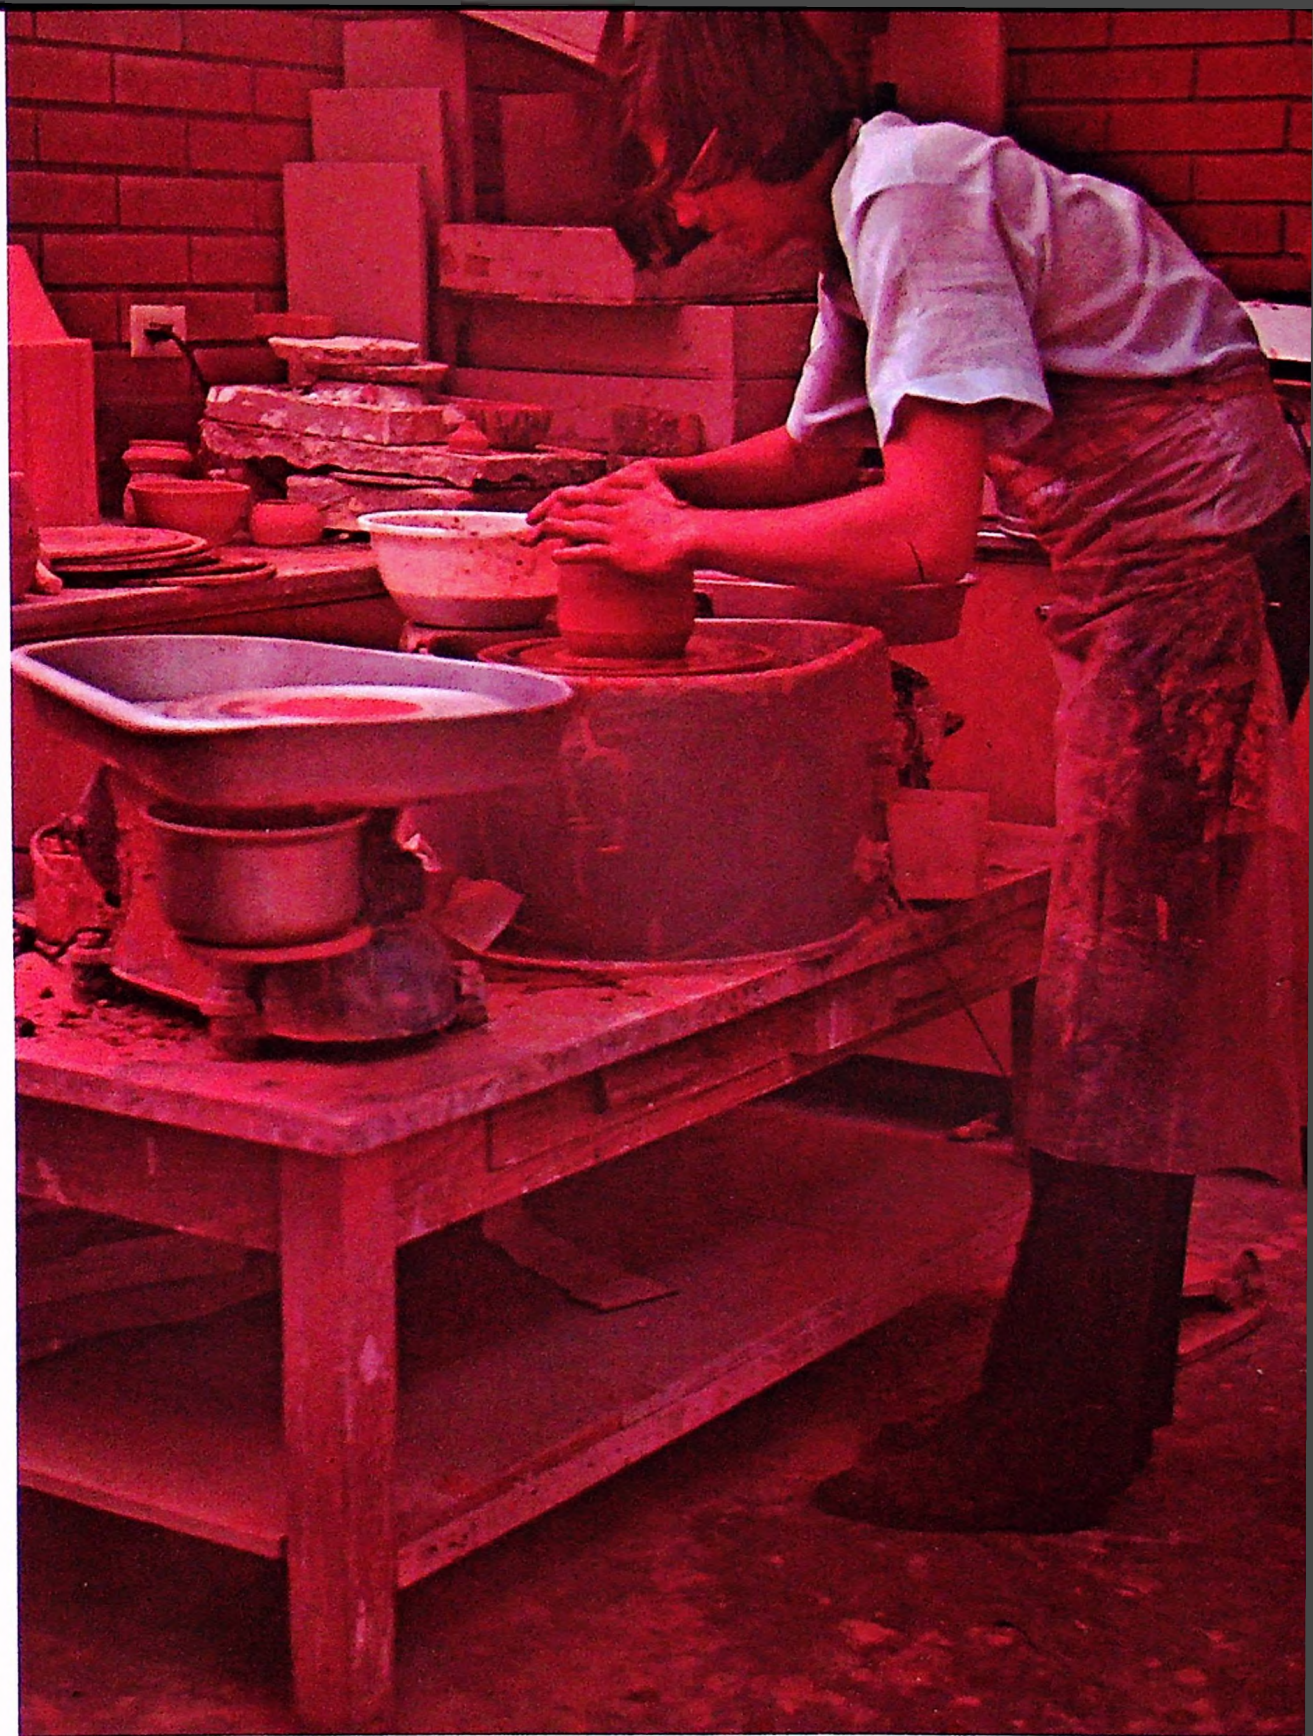

I am human,
And nothing human can be of indifference
To me

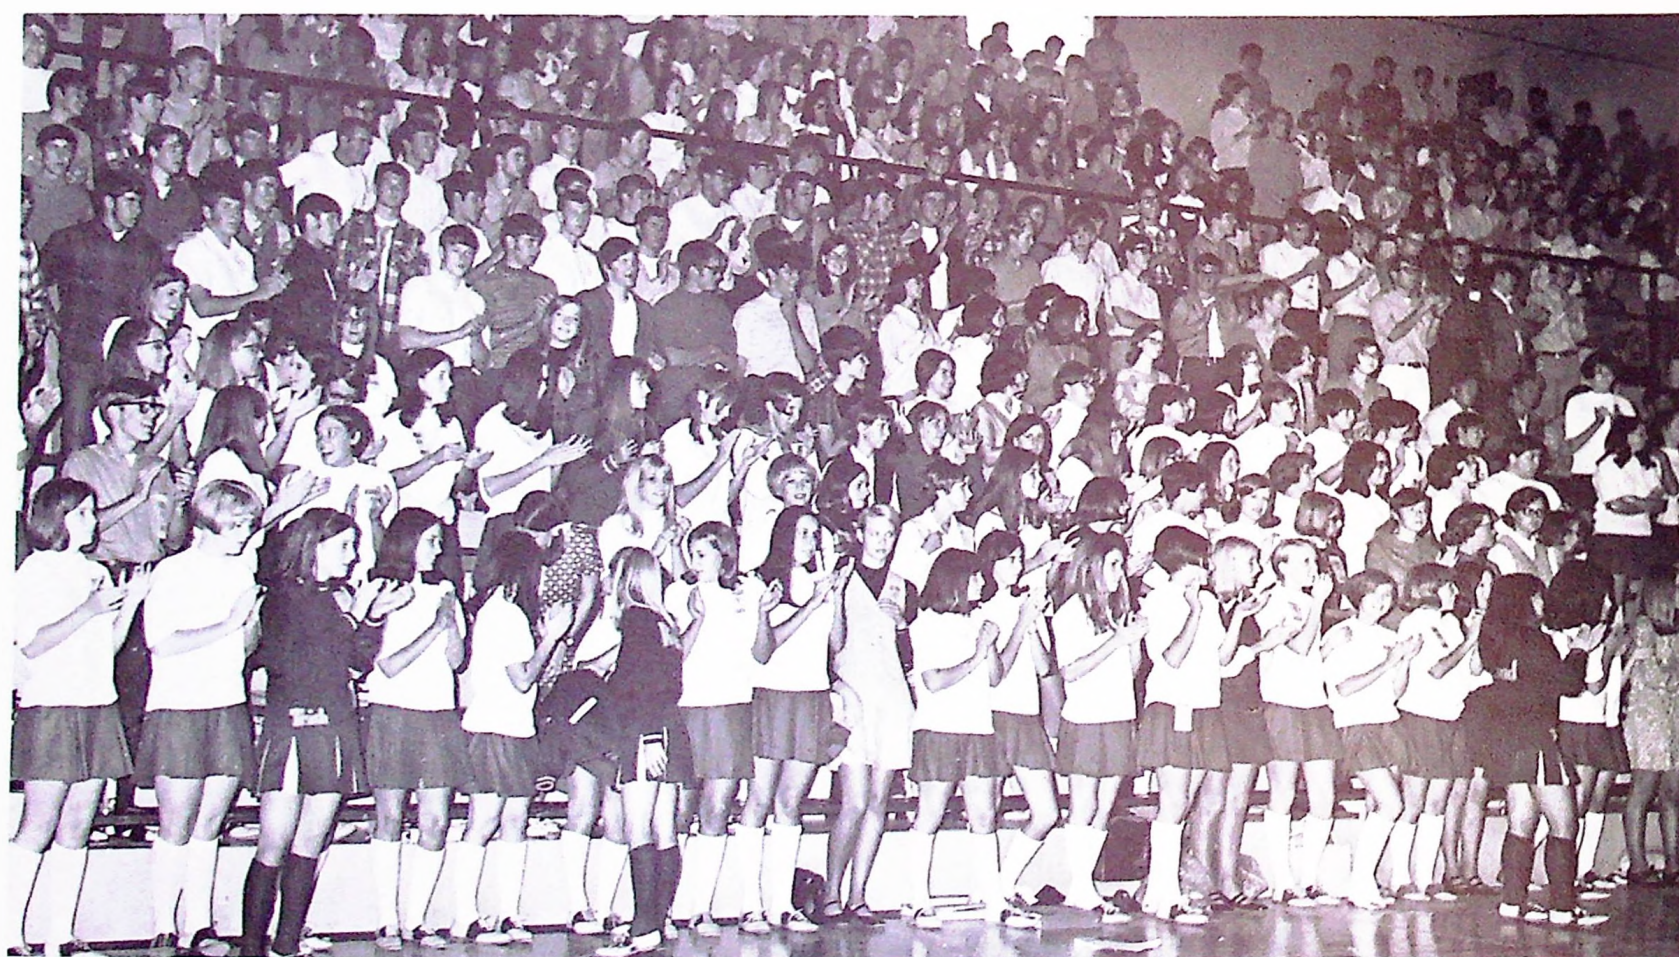

- Terrence

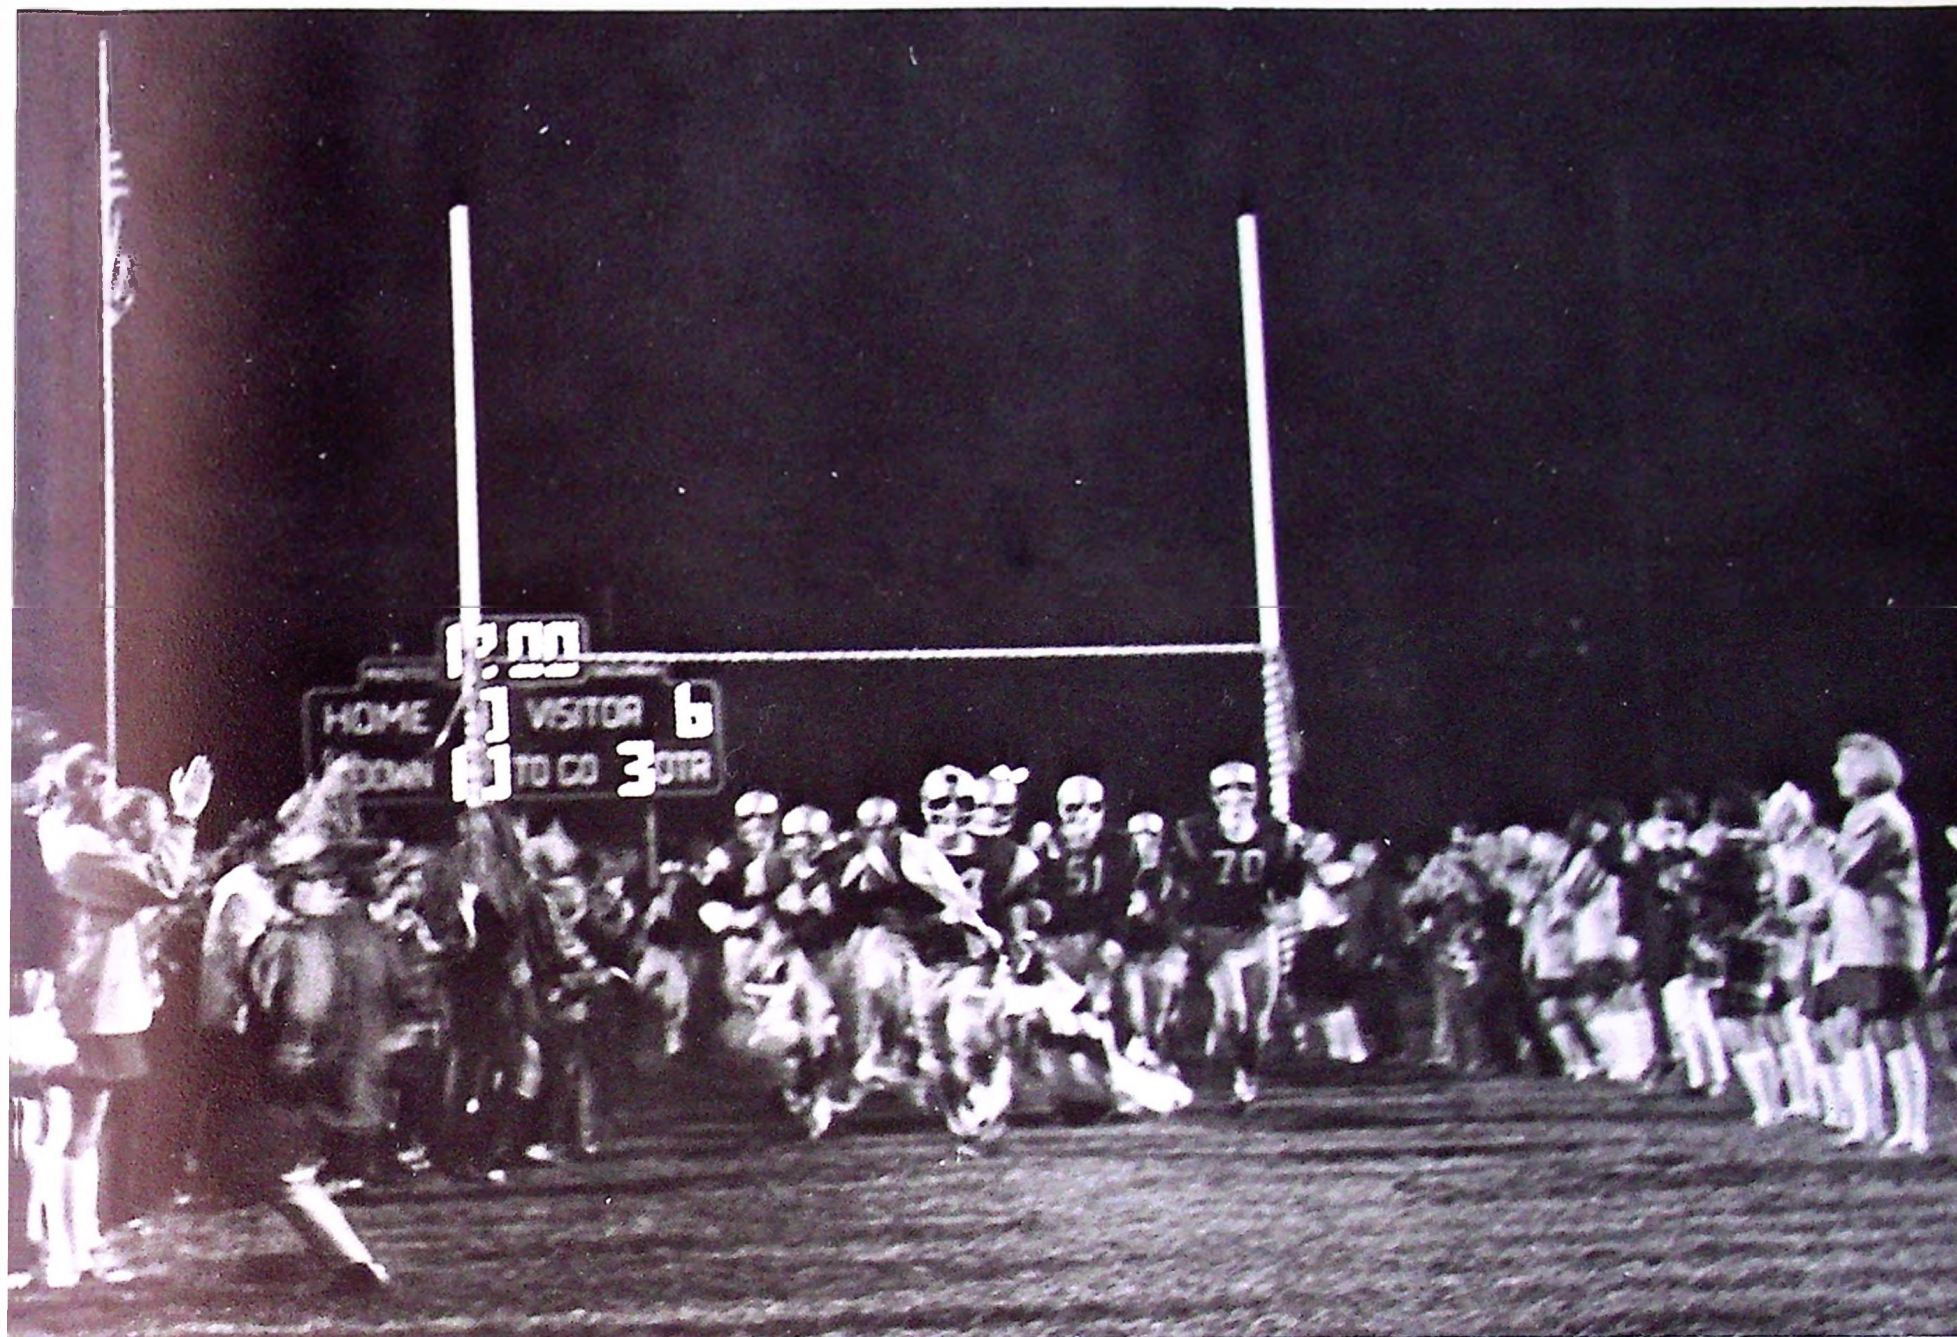

Kelvi,
 Well Kelv tell me one thing - How
 did we make it thru Chemistry?
 Just answer that. Chuck gave
 us so much lip this year.
 Next year should be even cooler
 when the three - Deb, Kelv, & Sta
 return to haunt J.A. Harbour.
 As a tennis player you were
 great and as a person you
 are terrific. You're not only
 smart but about the coolest guy
 I know.
 See you this summer - Sta

So long as I can see I will keep looking

As long as I can walk I will keep moving

As long as I can stand I will keep fighting

- Walter de la Mare

you're a really swell guy ya know, at least during
 tonight. He seriously killed, didn't anybody ever tell
 me you're that strong? I mean really, you could at
 eat grapes now & then. For real, it's been a pleasure
 knowing you. Thanks for getting me started in Tennis.
 you're really fun to play with. (or) Have a hell this summer.
 Love & a 45¢ letter
 W.D.

But these are human things.

The point of it all is Out There, a little
beyond that last rise you can just
barely see, hazy and purple on the sky.

These pages are windows.

And windows are to see through.

Man is the only animal

If you give up cigarettes, you might gain a few pounds.
(And also a few years.)

The plain, unfiltered fact is that people who smoke cigarettes get lung cancer a lot more frequently than nonsmokers.

And lung cancer can finish you.

Before your time.

We'd rather have you stay alive and in good health.

Because even if you do gain a few pounds, you'll have the time to take them off.

Hi love,
 Boy we sure had
 lots of fun this year
 with the witch - huh, too
 bad we didn't play any good
 natured hearts games this year with
 Pat - maybe this summer. you are
 really a handsome guy and I really hope you
 go far on your good looks. I see you finally
 got interested in cars & girls - good luck - you won't see
 need it. Keep it up in tennis & basketball and I'll see
 you this summer. The King of the Ki DeBlone - Bruce Wayne

Kelvin,
 didn't see you much
 this year but maybe next
 year I'll see you more. Have
 fun this summer. and next
 year as a big senior.
 Love
