To the rose.
Fairest of all the flowers!
Of love the chosen sign,
Bear thou my earnest pleadings
With all thy charms divine
With thy undying fragrance
A heart to pity move
Until it freely gives me
Its first and only love!

REMEMBER

With love
and fond
wishes

Take
my hand
I'll be thine
In pleasure
or in pain
Until my
life decline
If I prove
to thee
remain
