Fire Department Headquarters,
Hoboken, N. J., May 1, 1918.

To the Honorable Bernard N. McFeely,
Commissioner of Public Safety of the City of Hoboken:

Honorable Sir—I have the honor to herewith present to you my twelfth annual report, it being the twenty-seventh annual report of the paid department, for the year ending May 1, 1918.

Therein will be found a complete list of the officers and men in the employ of the Fire Department, the location of the several fire houses and the officers and men stationed therein, a description of the apparatus of the various companies, the number of alarms received and the losses as near as could be ascertained, the locations of fire alarm stations and such recommendations and information as may be of interest to you.

MANUAL FORCE.

The manual force consists of:

One Chief Engineer.

One Assistant Chief Engineer.

One Battalion Chief.

Two Chaplains.

Ten Captains.

(One assigned as Chief's Clerk.)

(One assigned as Inspector of Telegraph and Telephone Systems.)

Twelve Lieutenants.

(One assigned as Chief's Chauffeur.)

(One assigned as Assistant Chief's Chauffeur.)

(One Relieving Lieutenant.)

(One detailed as Inspector of Motor Vehicles.)

*John Stuber 358 Palisade Ave
Union City N.J. 7-2128*

Seven Engineers.

(Detailed.)

ENGINE COMPANY NO. 3

Is located at 201 Jefferson Street, on the northeast corner of Jefferson and Second Streets. The repair and machine shop of the department is also located at this house.

This company is manned by thirteen men. The engine is an Ahrens-Fox motor fire engine, Model M-K-2, delivering 750 gallons per minute. It was purchased from the Ahrens-Fox Fire Engine Company of Cincinnati, Ohio, and placed in service in 1917. It carries 500 feet of 2½-inch hose and two 3-gallon fire extinguishers.

The tender is a combination chemical engine and hose wagon built by the Combination Ladder Company, and installed in 1908. It was equipped with a Christie front drive tractor in 1916. It carries 1,000 feet of 2½-inch hose, 200 feet of chemical hose and is equipped with a 60-gallon chemical tank, one Pyrene extinguisher, two 3-gallon fire extinguishers, together with two Pompier ladders and life belts, all of which are in good condition.

FIRES

During the past year there were 350 fires; of this number 12 were false alarms, 7 second alarms were sent in and 1 general alarm.

134 fires were in brick buildings.

94 fires were in frame buildings.

124 were other than building fires.

316 fires were confined to the place of origin.

14 fires extended to adjoining buildings.

2 fires extend beyond adjoining buildings.

Value of property involved where fire occurred, \$2,328,926.30. On this property there was insurance for \$2,782,579.00; paid for damage done by fire and water, \$540,964.17; damage to uninsured property, \$13,152.71. Total loss, \$554,116.88.

CONCLUSION

In conclusion I desire to extend my sincere thanks to you, as Director of Public Safety, His Honor Mayor Griffin, and the other Commissioners, for interest taken in the Fire Department.

I also desire through those means to thank the officers and members of the Department for their able support in the extinguishing of fires. To the officers and members of the Police Department I extend my sincere thanks for the assistance rendered in many ways.

Respectfully submitted,

MICHAEL A. DUNN,

Chief Engineer.
