simple, pure, mild and potent. It over-
comes constipation.

A SUPERB PIANO.

There is no piano manufactured that
is so universally commended by expert
performers, and so admired by the rank
and file of players, as the **SOHMER**.
It is not a cheap piano, built merely
for selling; but considering its count-
less points of superiority, its matchless
purity and richness of tone, and the
marvelous beauty of the instrument, it
is the cheapest piano anywhere manu-
factured. It is practically unrivalled.

in a Nutshell.—“Why is it,” in-
quired a customer of a waiter in a
restaurant, “that the comparatively
poor men are usually more generous
in the way of tips than the rich
folk? You have found it so,
haven't you?” “Yes, sir,” replied
the attendant, “and I can account
for it. The poor man doesn't want
to be considered poor, while the rich
man wants people to think that he
is!”

SPECIAL NOTICE.

Positively no fees of any kind are permitted in this theatre. Patrons are respectfully requested not to disobey this rule, as I desire all my patrons treated alike, and this becomes an impossibility where fees are given for courtesies extended by my employees. Everything is free after you purchase your ticket, and the encouragement of the fee nuisance disorganizes my system of extending courtesies, and makes it impossible for all my patrons to receive the attentions which are due them.

Acts are run only in the order given when feasible to do so, and are subject to change without notice. It should also be noted that the order in which they are placed in the program does not necessarily indicate the value of acts. SEE STAGE MONOGRAMS.

Mother—Wife— Sister—

Have you forced your weary fingers, by sheer will power, to cross and criss-cross the never ending succession of toe-less and heel-less Sox—week in and week out?

Do you look forward with pleasure to the inevitable weekly darning? Few women do.

Father—Son— Brother—

Do you perceive the almost heart-breaking slavery of these loved ones? Will you continue to forge the chains that bind them to the monotonous toil of darning your Sox? You rivet a new link every time you buy ordinary instead of Holeproof Sox. You refuse to woman

GENUINE MENNEN'S BORATED TALCUM TOILET POWDER

Mennen's Borated Talcum Powder lays claim to being the most perfect powder on the market both in materials and method of manufacture. It is the oldest of Talcum Powders put up for general use and has established itself on its merits in every quarter of the civilized world.

The woman who buys Mennen's for toilet use or any other purpose may rest assured that she is getting the purest and most perfect powder that chemical knowledge can originate or skill manufacture.

There is a difference in Mennen's and those who have once used it are quick to appreciate that this difference is a difference of superiority which is easily perceived in comparison with any other powder.

Some people may say: The same ingredients are open to everybody, why can't others get the same results and produce a perfect powder?

Ask the woman who is famous for her cake why Mrs. Brown, working from the same recipe, can't produce the same article. She has the same ingredients, the same directions for making and yet she can't make good cake. It is this knack, this touch of skill and genius which makes the difference between all original productions and imitations. It is this same genius which makes Mennen's original Talcum Powder superior to every other.
