OFFICE OF THE

STATEN ISLAND FANCY DYING

ESTABLISHMENT,

NOS. 5 & 7 JOHN STREET.

(TWO DOORS FROM BROADWAY, NEW YORK.)

The **Dying of Silk, Woolen, and Fancy Goods,** (including the redying and cleansing of Garments, such as Silk, Satin, Crape, Cloth, Merino, Velvet, and other DRESSES, SHAWLS, &c., &c.,) has, for a long term of years, occupied the close attention of the undersigned, at Staten Island. For the last **8** YEARS it has been their EXCLUSIVE business, for which they have built up a new establishment, at Staten Island, now the most extensive, for this business, in the country, and as far as known, in the world. All the improved appliances and apparatus of the art have been here brought into requisition: the most competent and expert of Foreign Dyers and Chemists have been induced to work in their Establishment, and for large fees to impart the important modern discoveries of European Dyers. They have also, at present, correspondence with an experienced scientific Chemist and Dyer in Elberfeld, on the Rhine, (in the neighborhood of which are the most important Dying Establishments of Europe,) who is engaged to transmit to us any new discoveries or methods which may there be brought out.

The friends and customers of the undersigned, some of whom have been such for nearly *Thirty-Seven Years*, are aware of the great improvement and steady advance which has been made and sustained, and can bear witness that in the last few years many great difficulties have been overcome, so that in very many styles of Silk, Satin, Merinos, &c., they dye and refinish very nearly, (in some cases quite,) to resemble new goods.

Especial effort and expense have been devoted to the Dying and Refinishing *Satin* and *Taffeta Ribbons*, and they are now enabled to do them in a style *new in this country, and altogether superior.*

As a natural result of these extraordinary efforts and liberal expenditure, they believe themselves to be far in advance of all their competitors, and by strict, unwearied perseverance, mean to continue so, assured that the community can readily discover merit, and will ever, (as heretofore,) sustain it.

LACE and MUSLIN CURTAINS, CARPETS, RUGS, TABLE COVERS, &c., CLEANED and REFINISHED. DAMASK and MOREEN CURTAINS beautifully DYED. Also, RIBBONS, TRIMMINGS, GALLOONS, GIMPS, etc., etc.

CRAPE SHAWLS Dyed the most *brilliant shades of Scarlet, Crimson*, &c., or the more delicate and grave colors. *Broche* and *Crape Shawls* Cleaned in the best manner.

GOODS RECEIVED AND RETURNED BY EXPRESS.

LIFE INSURANCE COMPANY.

THE NEW ENGLAND

Mutual Life Insurance

COMPANY,

OF BOSTON, MASS.,

Have just declared a DIVIDEND ON PREMIUMS paid and earned the last five years, payable in cash to all the policy holders, as follows:—

6 per cent. to all members since.....1853
38 " " " 1848
39½ " " " 1843

The Dividend is declared on the following basis:—

Accumulated Fund, Dec. 1, 1858		$1,395,622 21
Reservation for re-insurance at the tabular rate	$880,262 21	
Estimated deterioration of lives otherwise than by difference of age	33,000 00	
Estimate of losses not heard from	20,000 00	
Contingencies of investments, 5 per cent. on the amount of property of the Company	69,781 00	
Reserve for small bills not presented, and charges accruing at agencies on business not yet matured	1,816 00	
Amount of surplus for distribution	335,763 00	
		$1,395,622 21

Late members receive the smaller dividend, as they were not called upon to contribute toward the guarantee capital.

The surplus is divided among all the members IN CASH, thus affording a good and certain rate of interest upon the outlay of premiums, and avoiding the unnecessary and uncertain tendency of large accumulations of unpaid dividends, erroneously called capital.

One half of the first five annual premiums on life policies loaned to insurers, if desired; the remaining half may be paid quarterly.

This is the oldest American Mutual Life Insurance Company, and one of the most successful.

Insurance may be effected for the benefit of married women, beyond the reach of their husbands' creditors. Creditors may insure the lives of debtors.

WILLARD PHILLIPS, President.

HUDSON COUNTY
MUTUAL
INSURANCE COMPANY

Office 1 Exchange Place,

JERSEY CITY.

Accumulated Assets, - - - - $425,000.

☞ **LIABILITIES — NONE.** ☜

THIS Company was established in 1842, for the purpose of securing to the citizens of the County an economical and reliable Insurance; and its history thus far proves that the insured saves at least two-thirds of the premium paid in cash to Stock Companies, while at the same time it has paid nearly Fifty Thousand Dollars in losses, and has accumulated a considerable cash surplus.

POLICIES are issued for three years on the Mutual system, and one year for Cash—at the option of the Insured.

PAMPHLETS issued June, 1858, containing an abstract of the business of the Company since its organization, and illustrating its mode of business, may be obtained at the Office of the Company.
