*"Elysian Park"

- Located on Hudson St. between 10th and 11th Sts.
- The park has a basketball court and a playground. The park is home to a World War I Memorial commemorating Hoboken's veterans. Also, some scenes from the movie *On the Waterfront* were filmed in this park. What it also offers, are inspiring views of the Hudson River and Manhattan. There's also a plaque commemorating the first organized game of baseball between the New York Knickerbockers and the New York Nine. Which was played June 19, 1846.
- Lucy Esobar
- Hoboken High School.

*"Sinatra's Birthplace"

- Located on 415 Monroe St.
- Legendary singer Frank Sinatra is honored by a commemorative star that marks the spot where his house once stood. The house that saw him grow up.
- Lucy Esobar
- Hoboken High School.

This is a picture of Wallace primary School.

Location 1100 Willow Ave.

All about: Wallace School is a very educational, school that all students to attend to. It also has great and nice teachers. One of the teachers also used to be a mayor. As you can see Wallace Schoole is a very great School, and also a nice one.

My name Kenny Contreras

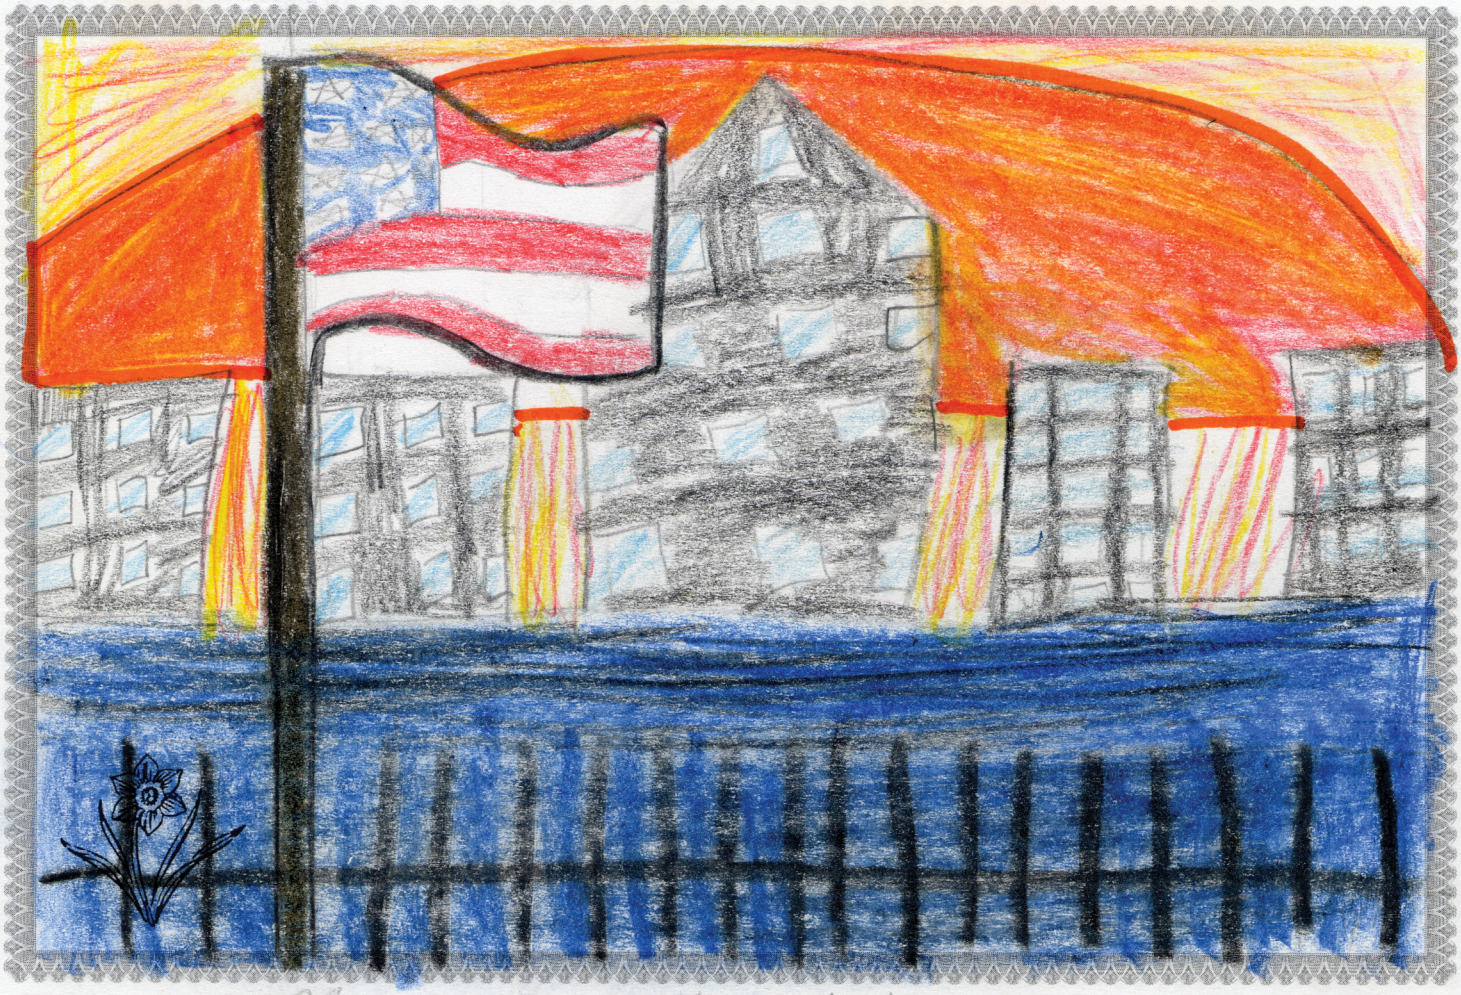

This is a picture of The Giant Wash Laundromat

What is this place like? Did I like this place? Giant Wash is a big store with a lot of machines. Richie, the owner, is very friendly and loves kids.

What should my friends know about this place if they want to go there? If you stop by Richie will give you a free pen and some candy. He'll play with you while your mom washes clothes.

My name

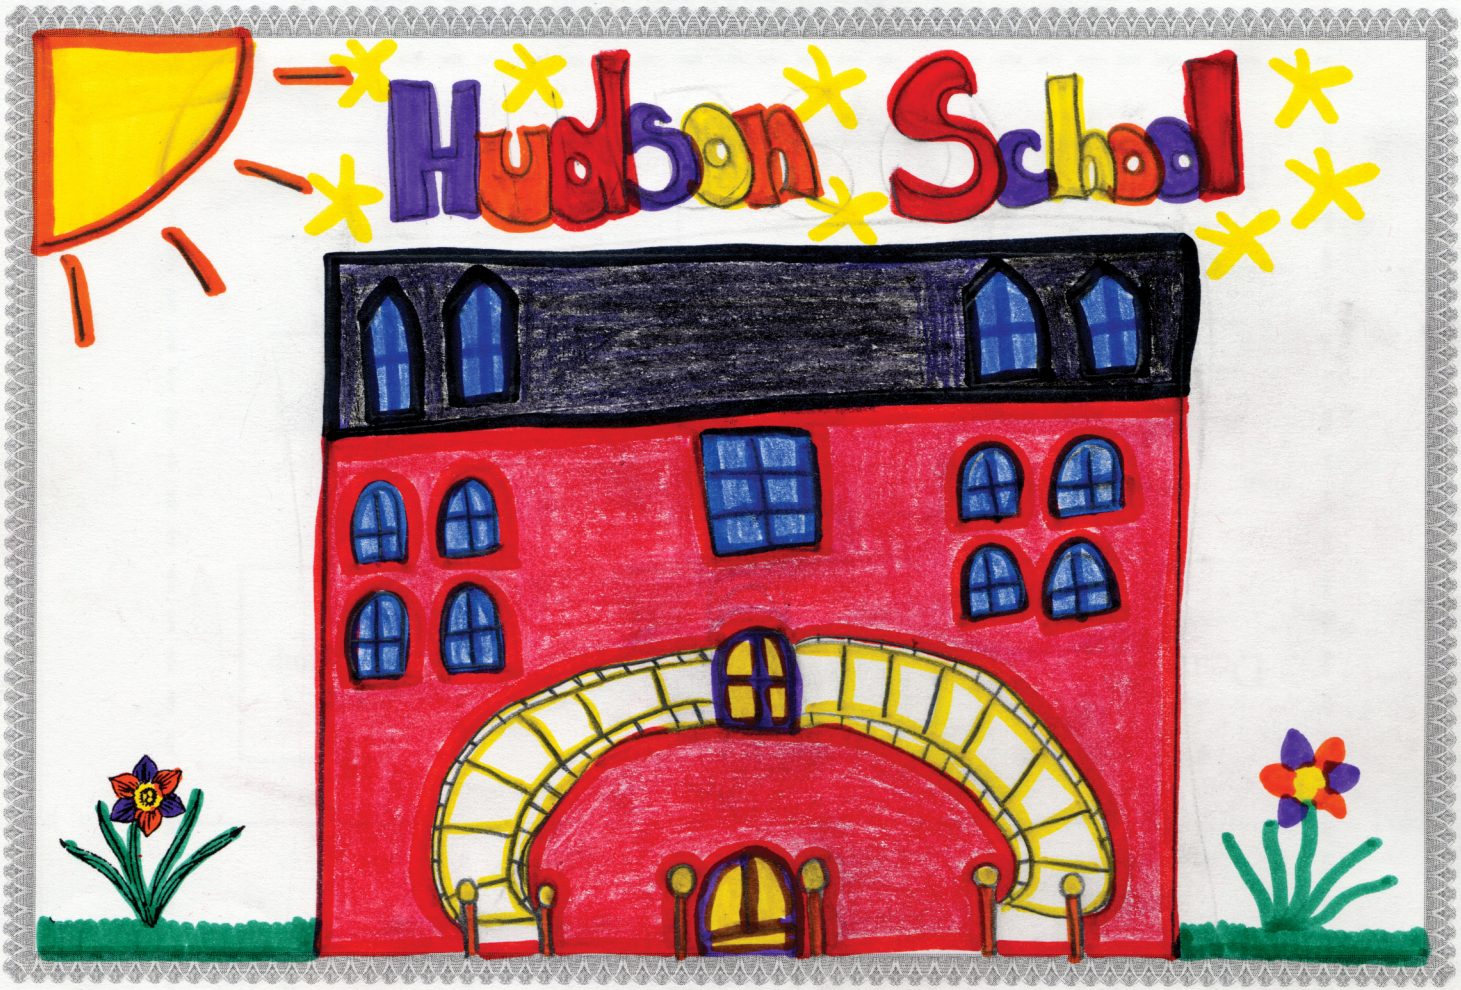

This is a picture of New York Skyline

Location Frank Sinatra Drive

All about: Henry Hudson found the Hudson River. It is important to me because when my grandpa was alive he would take my cousin and I down to Pier a, which is part of the River. It used to teach us to fish and to catch cra

My name Alexandra Richardson

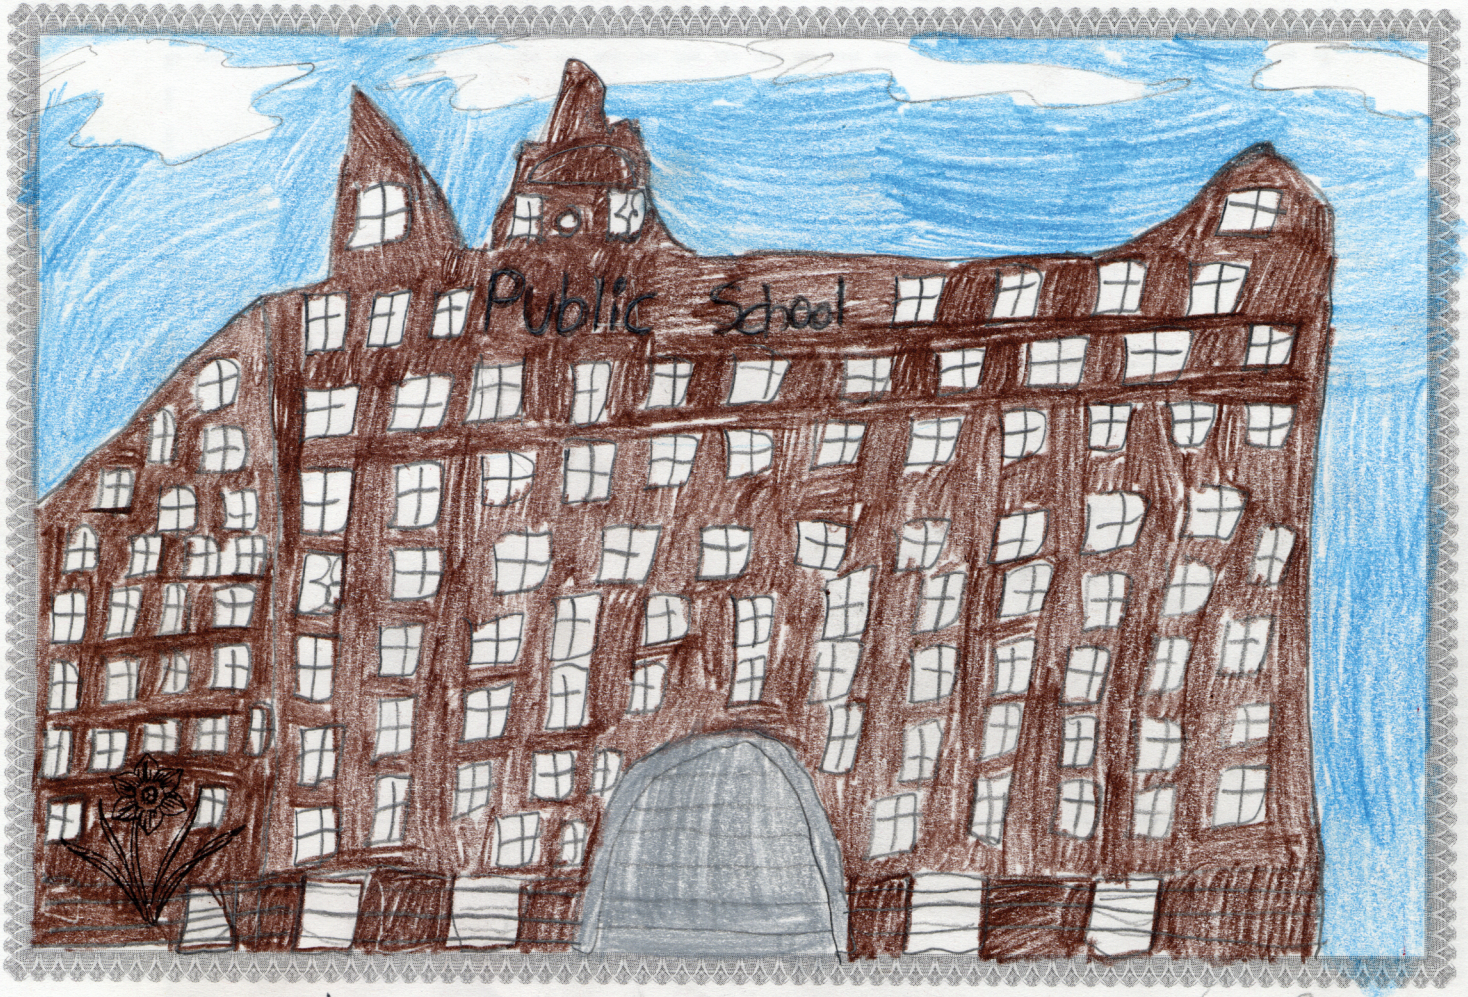

This is a picture of the Hudson School.

Location

All about: I decided to draw the Hudson School because my brother goes to that fantastic school. All schools in Hoboken are great but I especially like this school because it teaches French and I am French! I am going to Hudson next year and I can't wait to go!

My name Loussine Schapira

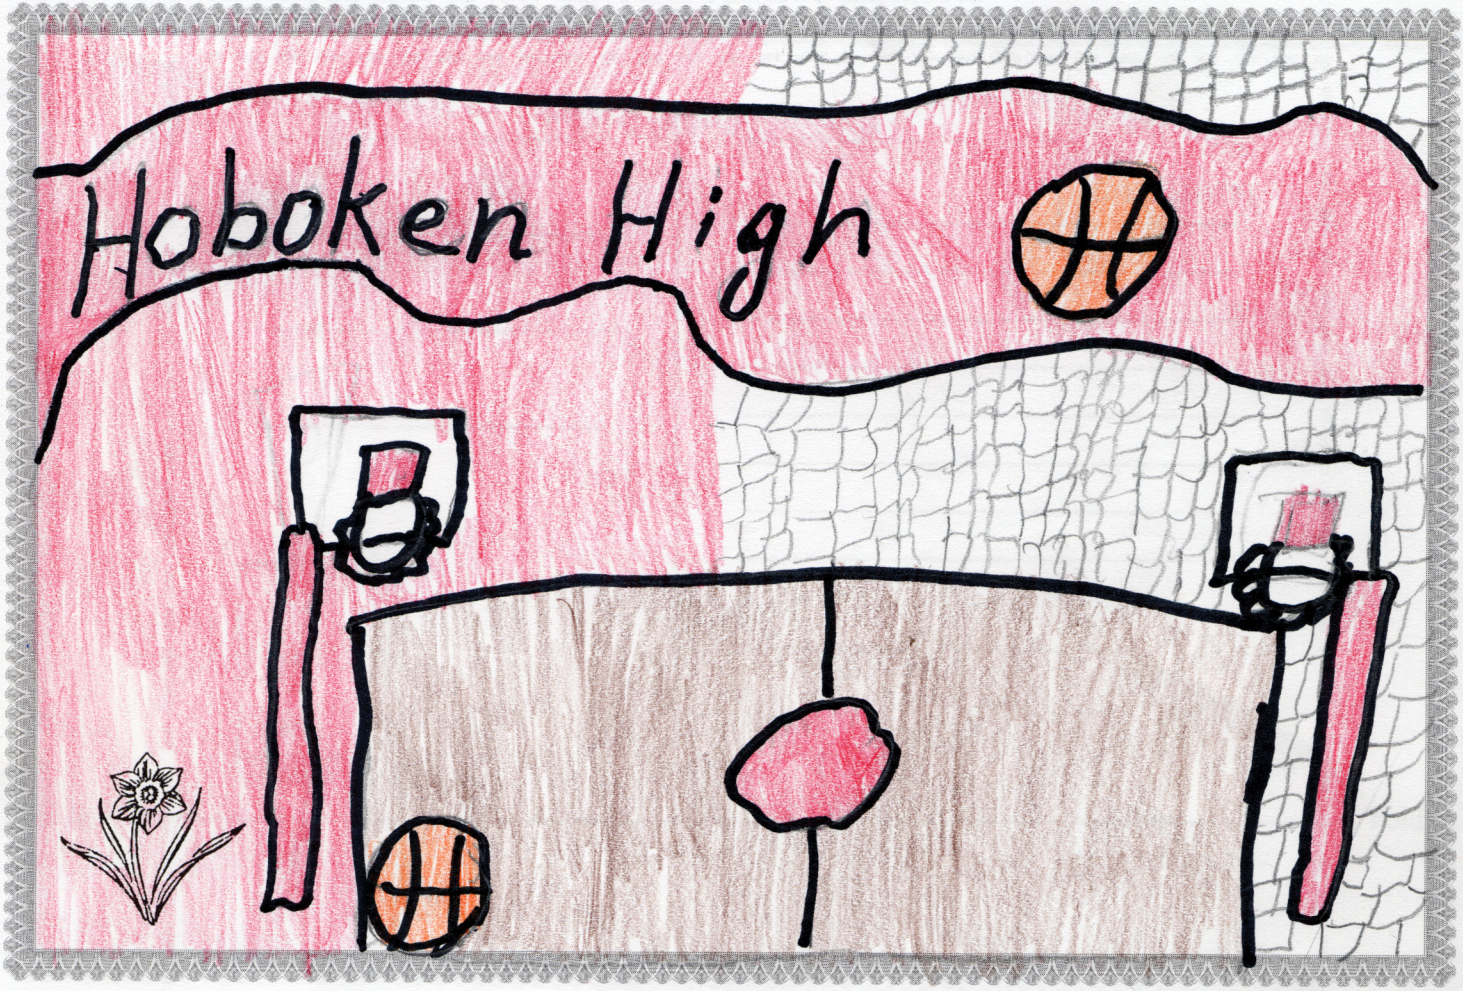

This is a picture of A public School with lot of windo

Location This is location in Hoboken N.J

All about: public schools are very old these days I draw this pic. because it is right by my house, and because it was on a postcard written March 8 1907 at 3:30 p.m.

My name Dominick Lisa

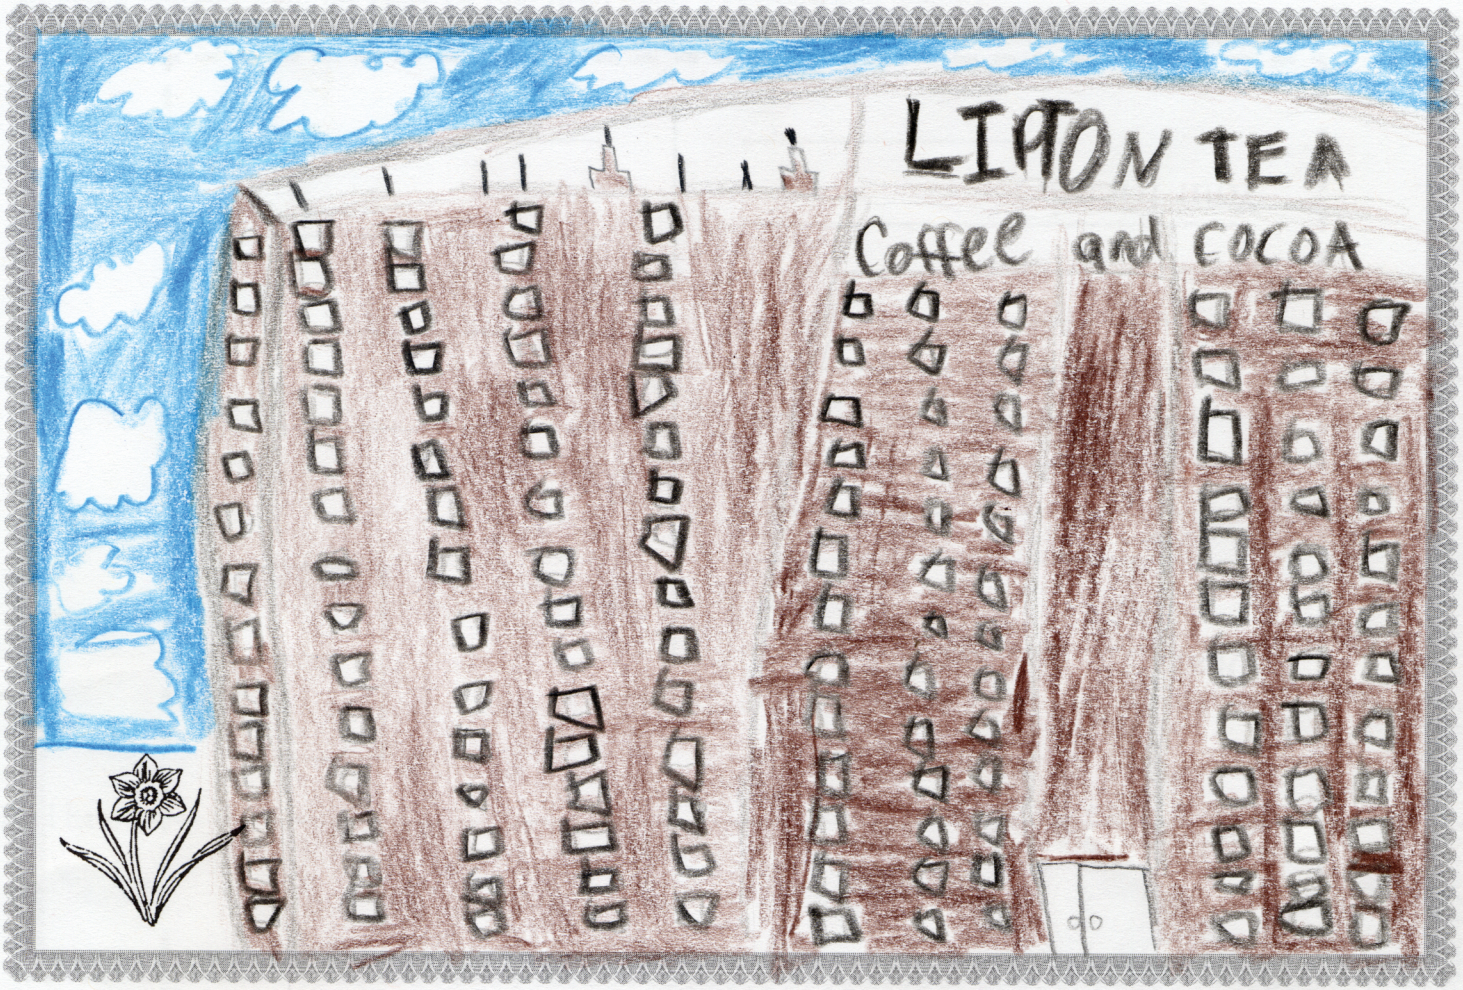

This is a picture of Hoboken High Scool Basketball court.

Location

All about: It is a good place for young kids to play basketball and if you go to a high you can really learn a lot about basketball.

My name Daniel Barron

This is a picture of the LIPTON TEA Building

Location 15th and Washing street.

All about: I like the Lipton Tea because when ever I am sick I drink Lipton tea. It's taste is sweet and always hot. Now my mom works as a baby-sitter in the Lipton Tea building The first time I walk in the lobby it looks big. Also a football player named Eli Manning lives there. He plays on the New York Giants.

My name Joshua Campoverde

This is a picture of The birthplace of baseball and Frank S

Location 1st & Washington

All about: I chose this because Hoboken is the birthplace of baseball and Frank Sinatra and for anybody birthday in my family we buy our cake at Carlos Bake Shop

My name Erika Ruiz

This is a picture of a view of New York from Stevens Campus

Location Stevens Campus

All about: This picture shows a great view of New York and Manhattan. This picture is important to me because I go to New York most often and I go to stevens on Satur days. Some people go to New York on a ferry or by car. If you go in a car you have to go through the Holland Tunnel. and

My name Tatiana. G. Quizhpi

This is a picture of the Hoboken Little League feild where people eat.

Location 6th Street

All about: This is where the first woman to play on the little League feild. I love to go to the Little League feild, I love to watch them play. It looks alot of fun. It is a great sport to play baseball in the little League feild. My brother on the little league feild. I don't know what team he was on.

My name Cassandra Padilla

This is a picture of lower Manhattan from Stevens Campus.

Location Is above and Parralel of River Road.

All about: This is a picture from River Road across from lower Manhattan. ~~Hoboken~~ is separated from NYC by the Hudson River founded by the famous Dutch Sailor Henery Hudson.

My name Jules Hislop

This is a picture of Lower Manhattan from Stevens Campus

Location Above River Road

All about: There is a great view of the city, and the the water from the river reflects from the sunlight. In the sunlight the summers are wonderful, calm, cool, and relaxing. When its summer the night are nice, cool, and relaxing a great night for rosting marshmallows. Also summer is also great for swimming at the beach.

My name John Coonan

This is a picture of A traffic Jam

Location Path Station

All about: Cars going all the way from back to fourth. Taxis are leaving and going to the trainstrainnn.

My name

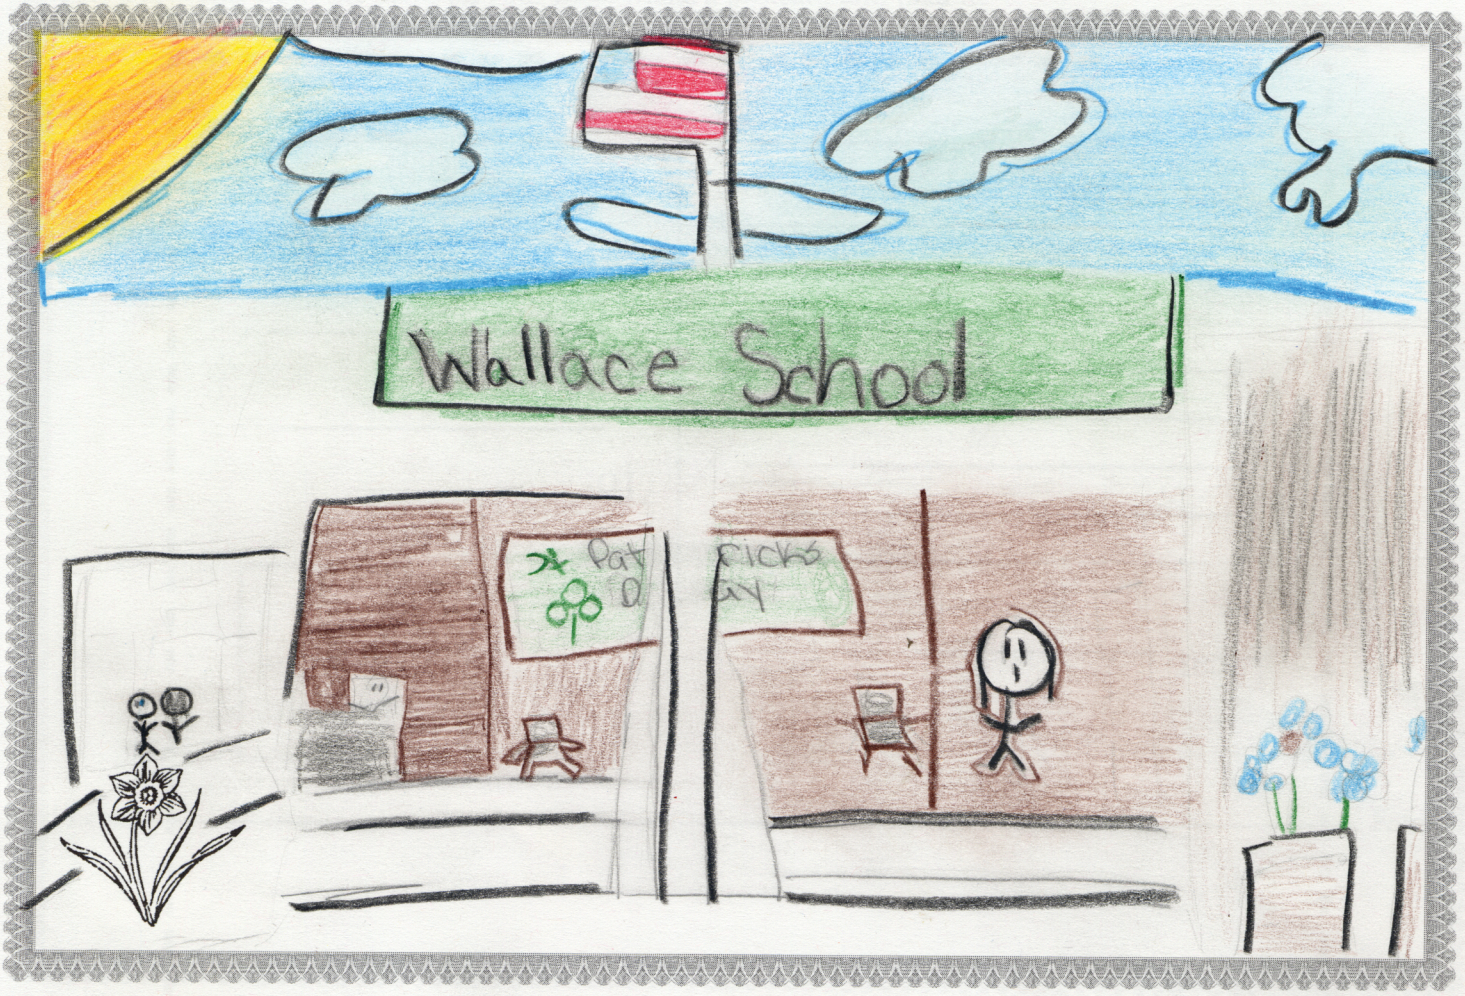

This is a picture of The Little League field

Location 6TH and Hudson Street

All about: What I like about The Little League field is that I play baseball there, because my dad and my brother also played baseball there, I got my first hit which was a double off of Joey Summers who plays for Elks. Also because Maria Pepe who was the first women to play little league which is where I play baseball for Mas Demolition. I love baseball because my Great Uncle Leo Riely was a baseball player for the Barton Red Sox and He Played Baseball there in Hoboken.

My name Ryan O'Connor

This is a picture of Wallace Primary School

Location 1100 Willow Ave.

All about: Wallace School was built in 1962? Wallace School was named after the three Wallace brothers They went to war and they all died. Today Wallace School is a popular school. The grades are K-5 but next year it will be K-6. I have been here for six years and in wallace school I always have fun!

My name Genesis Rios Genesis Rios

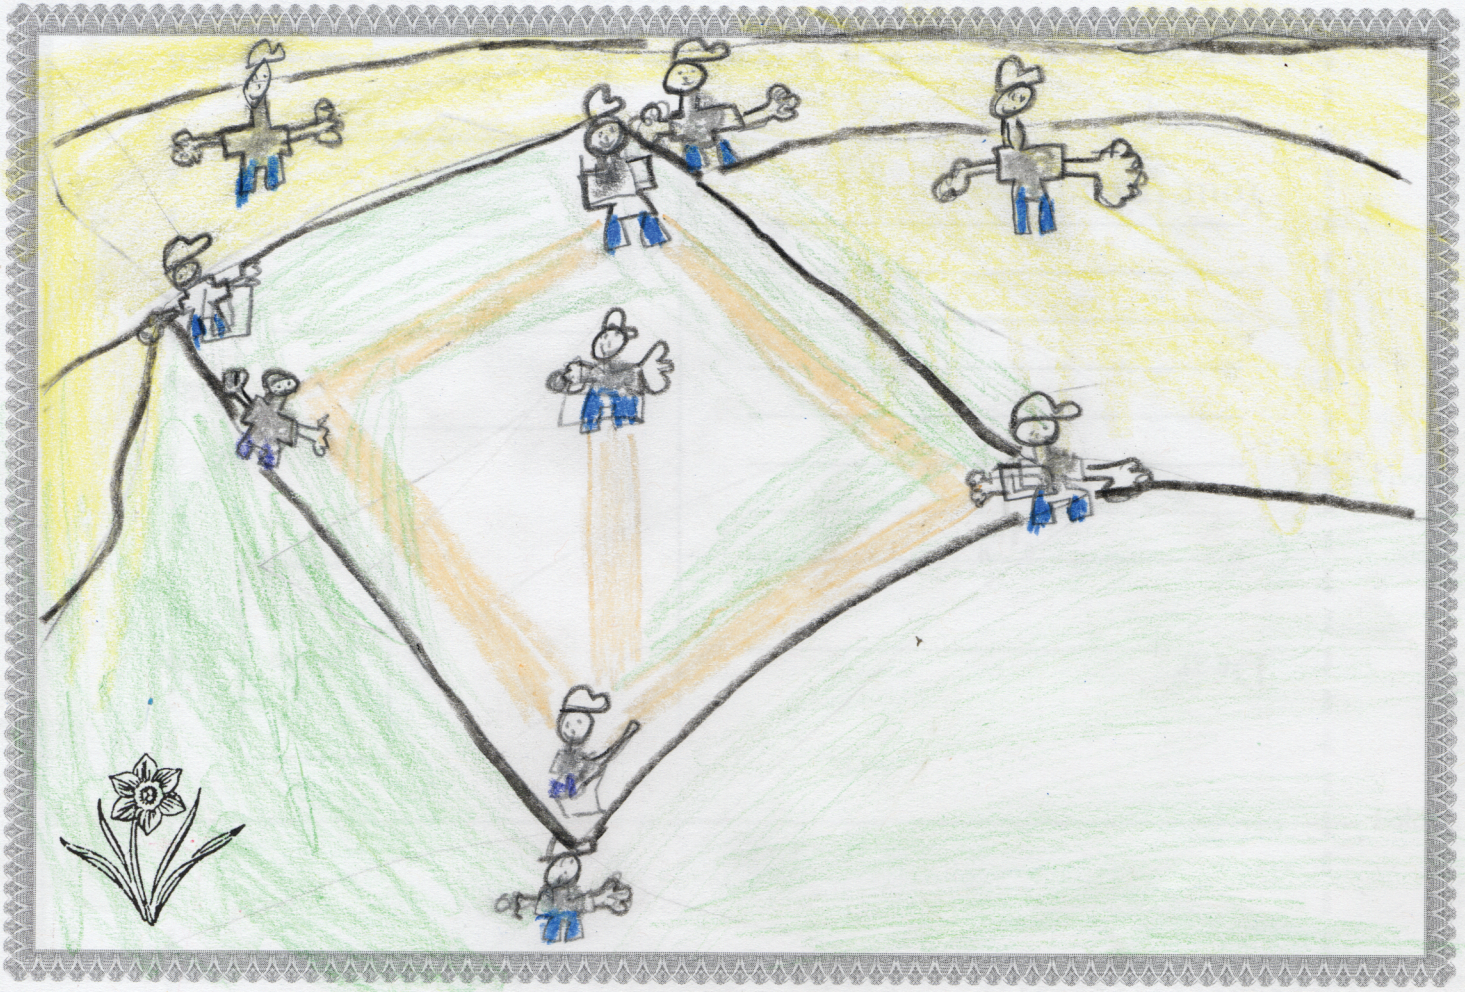

This is a picture of a church.

Location

All about: I drew this picture because it is easy to draw and even sometimes I go with my friend to church every Sunday. That is why I drew this picture of a Church!

My name Kimberly Pacheco

This is a picture of the Little League Feild in 1988

Location 5th Hudson

All about: The little league feild is about baseball when it was born in Hoboken. The ~~first girl to play~~ ~~baseball~~ baseball in Hoboken. Was named Maria Pepe. I play in Little League now. There are abt of teams. The name of my team is HFD.

My name Matthew Cruz

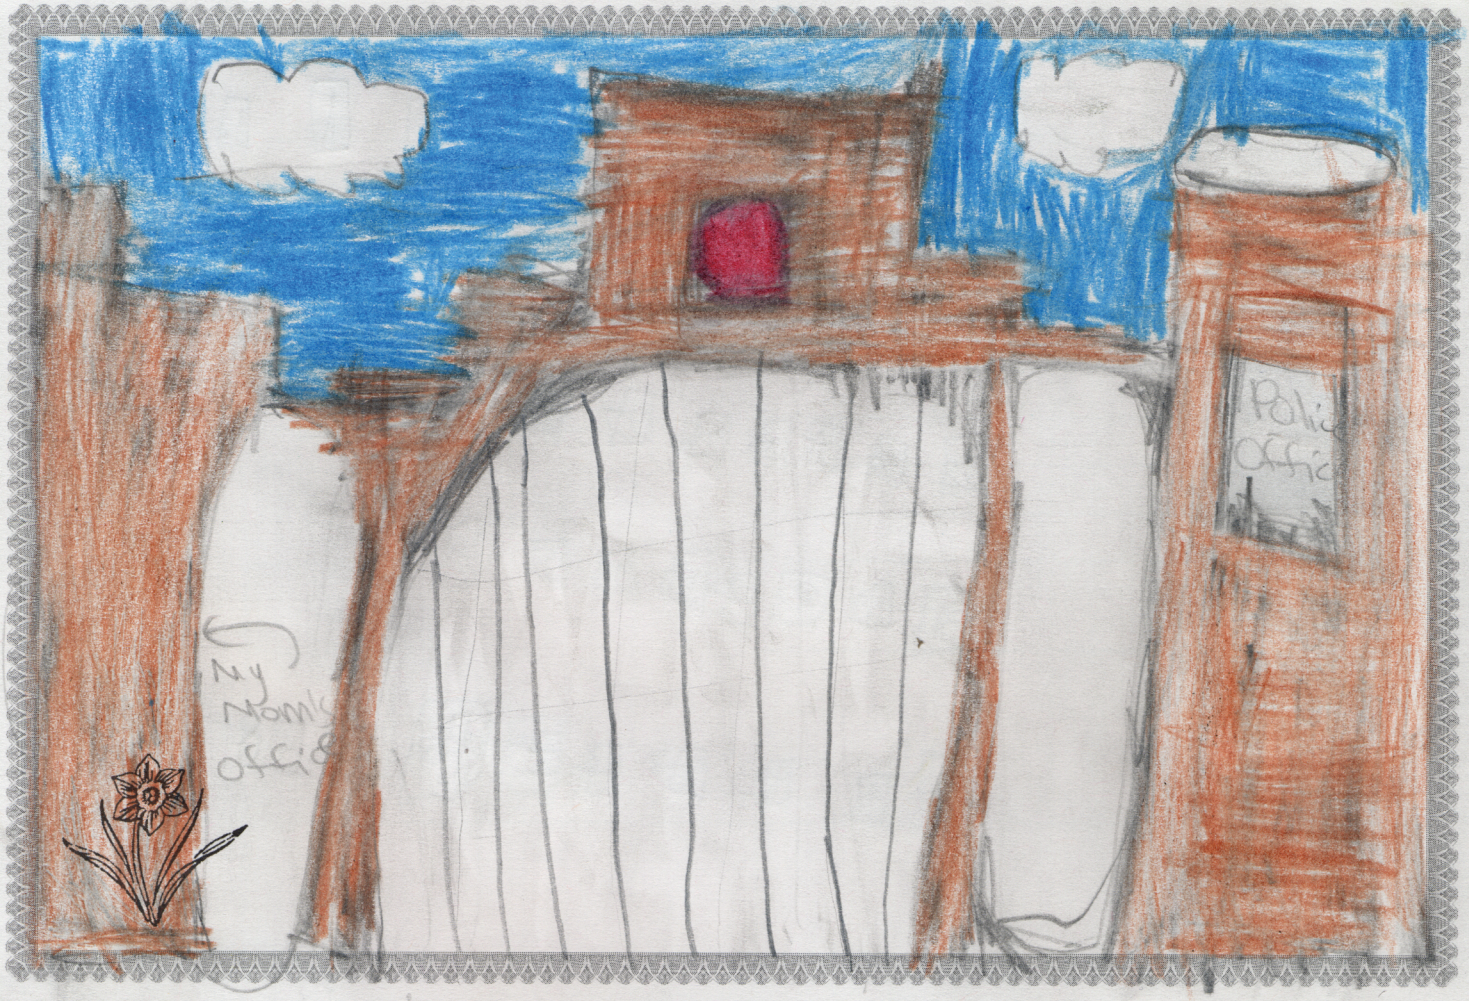

This is a picture of The first Library in Hoboken.

Location Fourth and Willow

All about: Hoboken public library was built in 1896. The library is a great place to be because you and I can learn and read books. On the top floor, is the kids place. On the second floor, there is a th computers lab. On the first floor there is a movie and music section. That is why I like to go to the library. So go visit the library.

My name David machuca

This is a picture of Stevens Gate House

Location Sixth Street off of River street

All about: This is where Stevens Police office is. It is like campus security. People should see this because it is a great thing once you get passed the gate there is a job. the job has a pool and a lot more.

My name Joseph Rutigliani

This is a picture of Stevens Park

Location 6th Fourth, Fifth and Hudson streets and Sinc Drive

All about: the Park is named for the Stevens family. They gave the land. This statue is about the civil war. The Civil War is about freedom.

My name

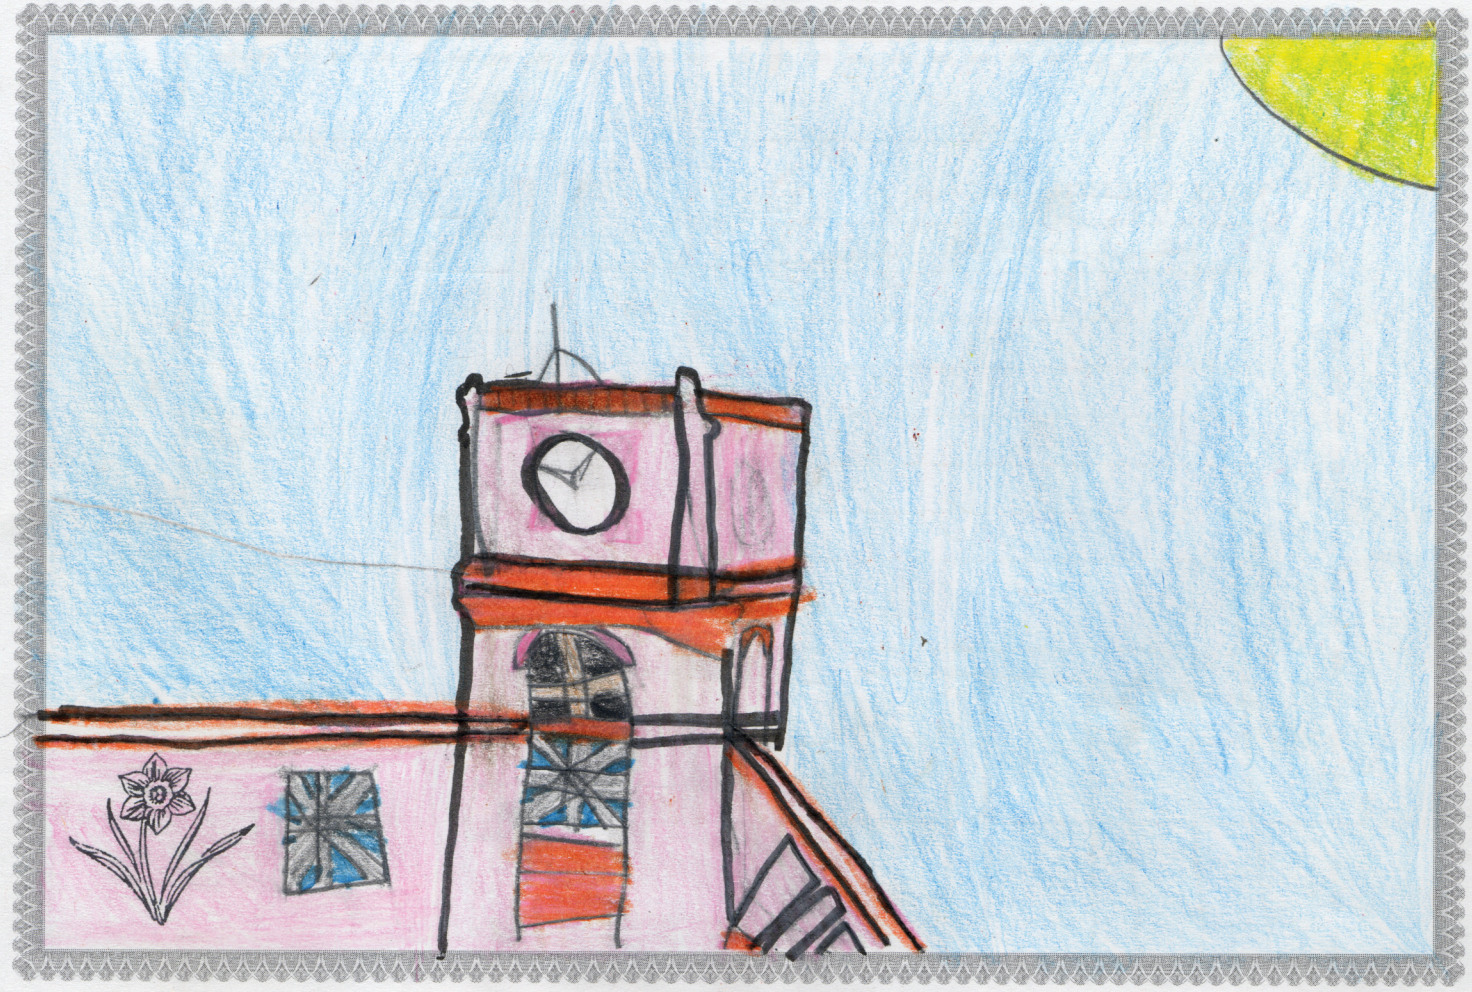

This is a picture of STEVENS Gate House

Location sixth Street off River street

All about: STEVENS GATE HOUSE looked

My name Alyssa Torres 4th

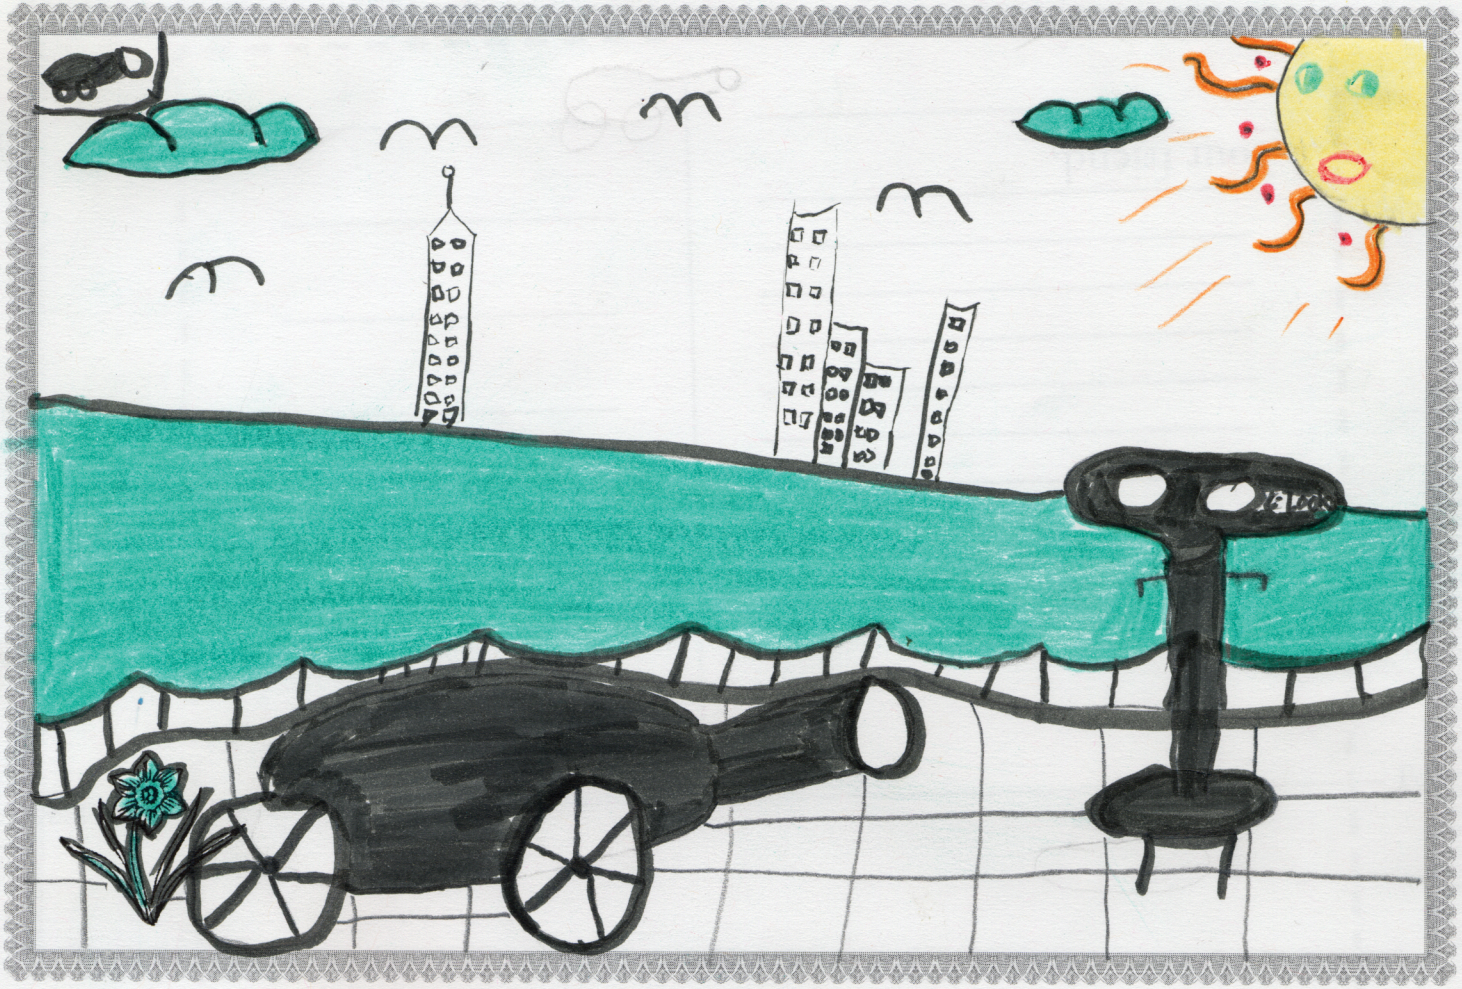

This is a picture of the clock tower.

Location is at 3rd in Grand and Adams.

All about: In 1941 their factory produced the first slide rule manufactured in the United States. They supplied Navy periscopes in WWI and Army rangefinders in WWII. Spiders were raised in the basement to supply web filaments as cross hairs for gun sights. Each time the two arrows hit the 12 it will make a loud sound tha-tha.

My name Miguel Candelaria Grade 4

Ms. Luciano

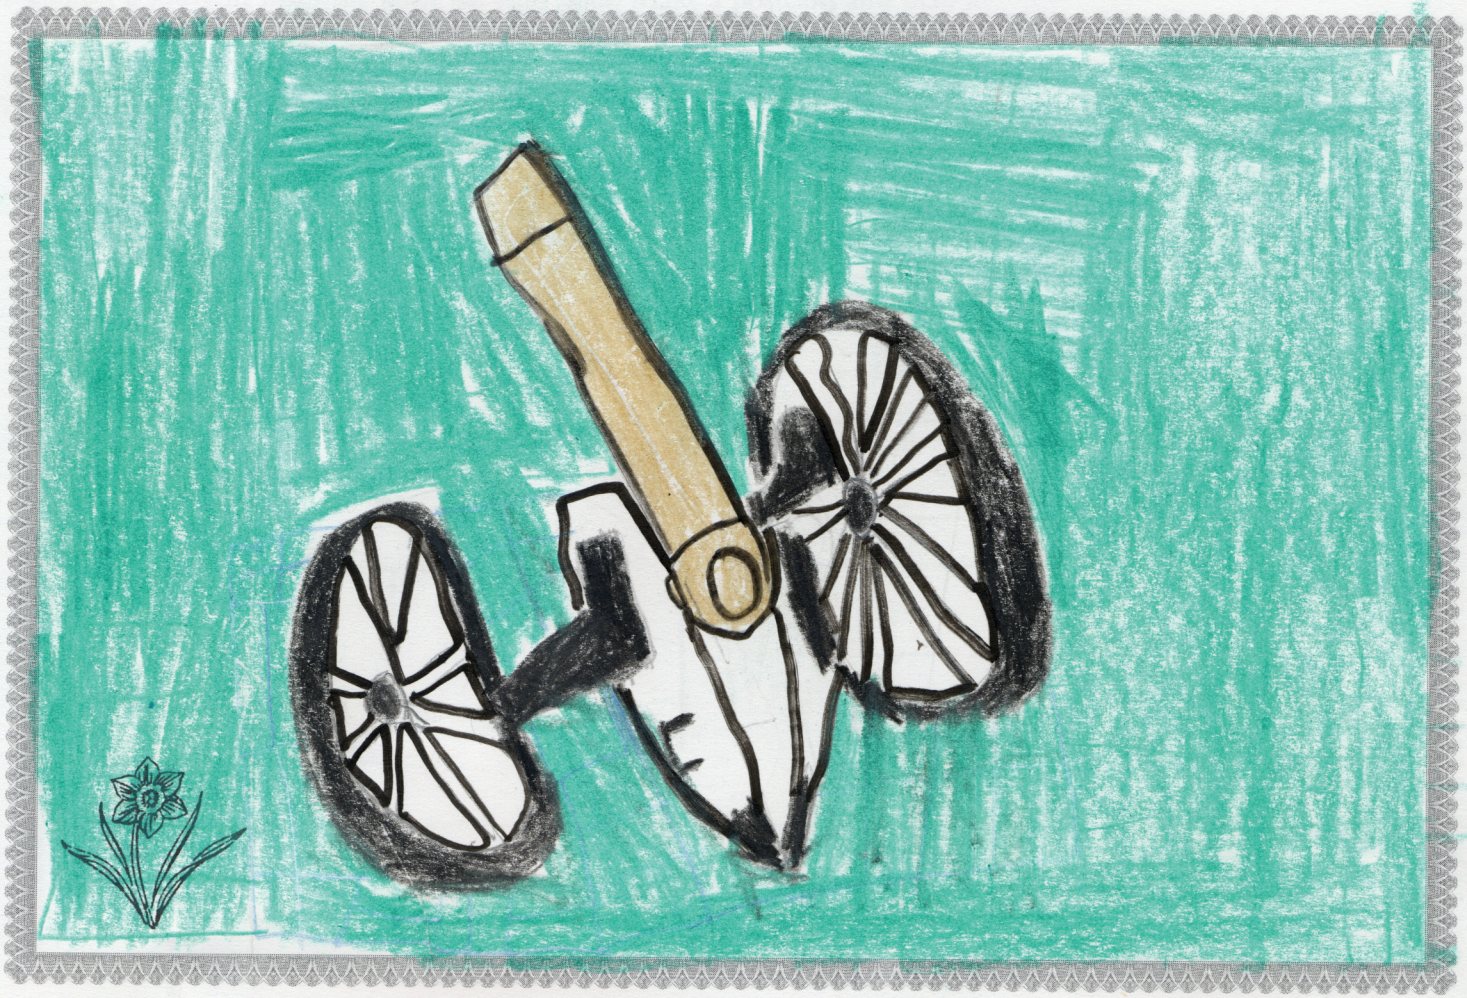

This is a picture of Castle Point Terrace Cannon

Location Adjacent to the Administration Building

All about: Castle Point Terrance Cannon is a very beautiful thing. I has an amazing view of New York City that everyone should see! You can also see a breath taking sight of the Hudson river! The cannon is a symbol of world war 1 or 2, I not really sure. You should really go to this wonderful place.

My name Lamont Bennett ☺

This is a picture of the Stevens Castle Point terrace CAMON

Location Adjucent to the Administration Building

All about: At 100 feet, castle point observation terrace is the highest elevation in hoboken, offering a magnificent vista from the verrazano Narrows to the George washington bridge, with Manhattan as it's centerpiece. Kids can climb on it. Great Place to take Photos. The CAMNON IS Solid Steel.

My name Michael Melendez

This is a picture of All Saints Episcopal church

Location 701 Washington street

All about: It is all about happiness. And it is all about beautiful things and lots of nice bright colors.

My name Michael Brattoli

This is a picture of United Synagogue of Hoboken, 1115 Park

What is this place like? Did I like this place?

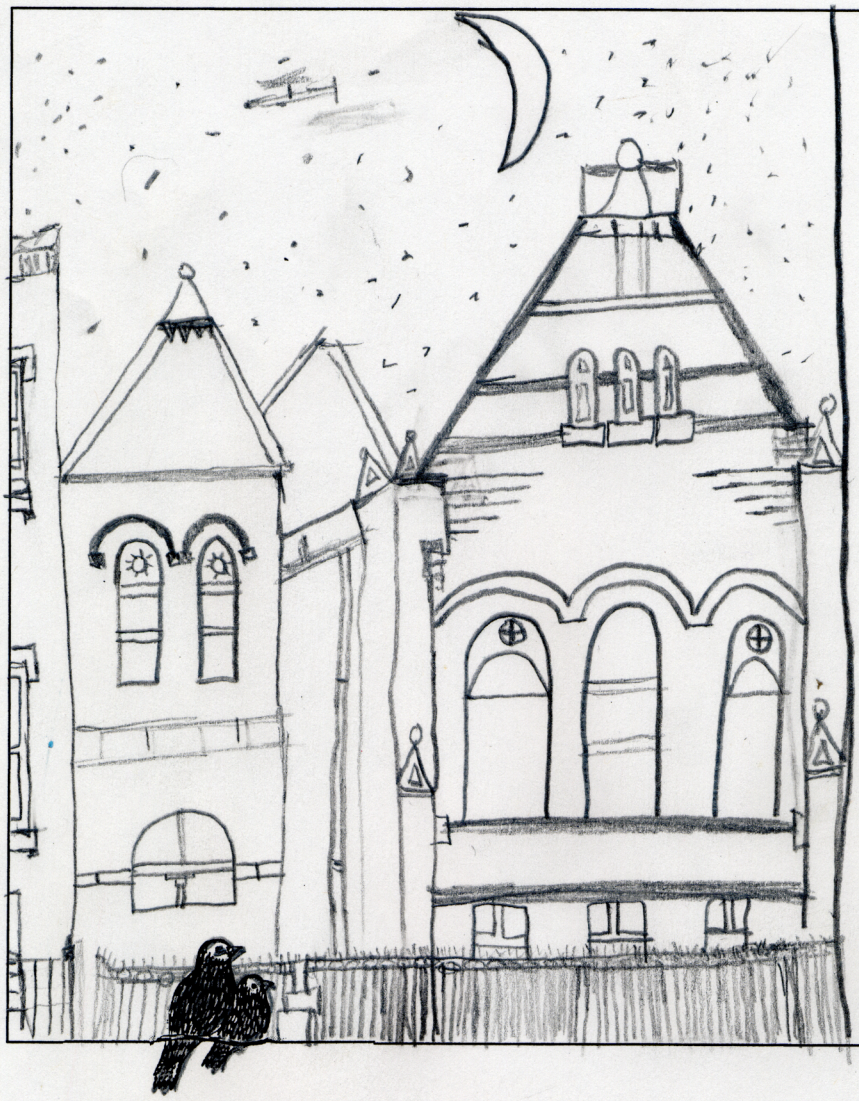

This building looks like a German Castle

I like this place, because it has many different colors and it has many different designs on the outsi

What should my friends know about this place if they want to go there?

My friends should know about this place, because it was Modled after the great Synagogue of Frankfort-Main, Germany this building was dedicated in 1915.

My name Yessica Reinoso, MS. Lucignano 4th grade

This is a picture of The big church

Location 901 Bloomfield

Description The coolest place to look at old stained glass.
