Independent Order of Odd Fellows, Hoboken, [Questions]
membership application records, 1868-1911.

Unpaginated, page number is in brackets: pages [1]-[158]; some pages are unused.

Two printed forms per page with holographic signatures and entries.

Address given is in Hoboken (sometimes found as "City") unless stated otherwise. If a Hoboken street address before 1892, they are old numbers. Street numbering changed; Meadow became Park Avenue.

Note also that the entries were often made by the Odd Fellows officer and signed by the prospective member; variances in the name found for question 1 and the actual signature of the candidate at the bottom is not uncommon so both have been transcribed.
